18 Be it enacted by the Legislature of the State of Kansas:

19 Section 1. K.S.A. 65-6709 is hereby amended to read as follows: 65-20 6709. No abortion shall be performed or induced without the voluntary 21 and informed consent of the woman upon whom the abortion is to be 22 performed or induced. Except in the case of a medical emergency, con-23 sent to an abortion is voluntary and informed only if:

(a) At least 24 hours before the abortion the physician who is to perform the abortion or the referring physician has informed the woman in
writing of:

(1) The name of the physician who will perform the abortion;

(2) a description of the proposed abortion method;

(3) a description of risks related to the proposed abortion method,
including risks to the woman's reproductive health and alternatives to the
abortion that a reasonable patient would consider material to the decision
of whether or not to undergo the abortion;

33 (4)the probable gestational age of the fetus at the time the abortion 34 is to be performed and that Kansas law requires the following: "No person 35 shall perform or induce an abortion when the fetus is viable unless such 36 person is a physician and has a documented referral from another phy-37 sician not financially associated with the physician performing or inducing 38 the abortion and both physicians determine that: (1) The abortion is nec-39 essary to preserve the life of the pregnant woman; or (2) the fetus is affected by a severe or life-threatening deformity or abnormality that a 40 41continuation of the pregnancy will cause a substantial and irreversible 42impairment of a major bodily function of the pregnant woman." If the

43 child is born alive, the attending physician has the legal obligation to take

1 all reasonable steps necessary to maintain the life and health of the child;

2 (5) the probable anatomical and physiological characteristics of the 3 fetus at the time the abortion is to be performed;

4 (6) the contact information for free counseling assistance for medi-5 cally challenging pregnancies and the contact information for free peri-6 natal hospice services;

7 (6)(7) the medical risks associated with carrying a fetus to term; and 8 (7)(8) any need for anti-Rh immune globulin therapy, if she is Rh 9 negative, the likely consequences of refusing such therapy and the cost 10 of the therapy.

(b) At least 24 hours before the abortion, the physician who is to
perform the abortion, the referring physician or a qualified person has
informed the woman in writing that:

14 (1) Medical assistance benefits may be available for prenatal care, 15 childbirth and neonatal care, and that more detailed information on the 16 availability of such assistance is contained in the printed materials given 17 to her and described in K.S.A. 65-6710, and amendments thereto;

18 (2) the printed informational materials in K.S.A. 65-6710, and 19 amendments thereto, are available in printed form and online, and de-20 scribe the fetus and, list agencies which offer alternatives to abortion with 21 a special section listing adoption services and list providers of free ultra-22 sound services;

(3) the father of the fetus is liable to assist in the support of her child,
even in instances where he has offered to pay for the abortion except that
in the case of rape this information may be omitted; and

(4) the woman is free to withhold or withdraw her consent to the
abortion at any time prior to invasion of the uterus without affecting her
right to future care or treatment and without the loss of any state or
federally-funded benefits to which she might otherwise be entitled.

(c) At least 30 minutes prior to the abortion procedure, prior to physical preparation for the abortion and prior to the administration of medication for the abortion, the woman shall meet privately with the physician
who is to perform the abortion and such person's staff to ensure that she
has an adequate opportunity to ask questions of and obtain information
from the physician concerning the abortion.

(d) At least 24 hours before the abortion, the woman is given a copy
of the printed *informational* materials described in K.S.A. 65-6710, and
amendments thereto. If the woman asks questions concerning any of the
information or materials, answers shall be provided to her in her own
language.

(e) The woman certifies in writing on a form provided by the department, prior to the abortion, that the information required to be provided under subsections (a), (b) and (d) has been provided and that she

1 has met with the physician who is to perform the abortion on an individual

2 basis as provided under subsection (c). All physicians who perform abor3 tions shall report the total number of certifications received monthly to

4 the department. The department shall make the number of certifications5 received available on an annual basis.

6 (f) Prior to the performance of the abortion, the physician who is to 7 perform the abortion or the physician's agent receives a copy of the writ-8 ten certification prescribed by subsection (e) of this section.

9 (g) The woman is not required to pay any amount for the abortion 10 procedure until the 24-hour waiting period has expired.

(h) A physician who will use ultrasound equipment preparatory to or
 in the performance of the abortion, at least 30 minutes prior to the per formance of the abortion:

14 (1) Informs the woman that she has the right to view the ultrasound 15 image of her unborn child, at no additional expense to her;

16 (2) informs the woman that she has the right to receive a physical 17 picture of the ultrasound image, at no additional expense to her;

(3) offers the woman the opportunity to view the ultrasound imageand receive a physical picture of the ultrasound image;

(4) certifies in writing that the woman was offered the opportunity
to view the ultrasound image and receive a physical picture of the ultrasound image at least 30 minutes prior to the performance of the abortion;
and

(5) obtains the woman's signed acceptance or rejection of the opportunity to view the ultrasound image and receive a physical picture of the
ultrasound image.

If the woman accepts the offer and requests to view the ultrasound image, receive a physical picture of the ultrasound image or both, her request shall be granted by the physician at no additional expense to the woman. The physician's certification shall be time-stamped at the time the opportunity to view the ultrasound image and receive a physical picture of the ultrasound image was offered.

(i) A physician who will use heart monitor equipment preparatory to
 or in the performance of the abortion, at least 30 minutes prior to the
 performance of the abortion:

36 (1) Informs the woman that she has the right to listen to the heartbeat
37 of her unborn child, at no additional expense to her;

(2) offers the woman the opportunity to listen to the heartbeat of her
unborn child;

40 (3) certifies in writing that the woman was offered the opportunity 41 to listen to the heartbeat of her unborn child at least 30 minutes prior to 42 the performance of the abortion; and

43 (4) obtains the woman's signed acceptance or rejection of the oppor-

1 tunity to listen to the heartbeat of her unborn child.

2 If the woman accepts the offer and requests to listen to the heartbeat 3 of her unborn child, her request shall be granted by the physician at no 4 additional expense to the woman. The physician's certification shall be 5 time-stamped at the time the opportunity to listen to the heartbeat of her 6 unborn child was offered.

7 (j) The physician's certification required by subsections (h) and (i) 8 together with the pregnant woman's signed acceptance or rejection of such 9 offer shall be placed in the woman's medical file in the physician's office 10 and kept for 10 years. However, in the case of a minor, the physician shall 11 keep a copy of the certification and the signed acceptance or rejection in 12 the minor's medical file for five years past the minor's majority, but in no 13 event less than 10 years.

(k) Any private office, freestanding surgical outpatient clinic or other
facility or clinic in which abortions are performed shall conspicuously
post a sign in a location so as to be clearly visible to patients. The sign
required pursuant to this subsection shall be printed with lettering that
is legible and shall be at least three quarters of an inch boldfaced type
which reads:

20Notice: It is against the law for anyone, regardless of their relationship 21to you, to force you to have an abortion. By law, we cannot perform an 22 abortion on you unless we have your freely given and voluntary consent. 23 It is against the law to perform an abortion on you against your will. You have the right to contact any local or state law enforcement agency to 24 receive protection from any actual or threatened physical abuse or vio-2526 lence. You have the right to change your mind at any time prior to the 27 actual abortion and request that the abortion procedure cease. 28The provisions of this subsection shall not apply to any private office,

29 The provisions of this subsection shall not apply to any provae office, 29 freestanding surgical outpatient clinic or other facility or clinic which 30 performs abortions only when necessary to prevent the death of the preg-31 nant woman.

Sec. 2. K.S.A. 65-6710 is hereby amended to read as follows: 65-6710. (a) The department shall cause to be published and distributed widely, within 30 days after the effective date of this act, and shall update on an annual basis, the following easily comprehensible printed informational materials:

(1) Geographically indexed *printed* materials designed to inform the woman of public and private agencies and services available to assist a woman through pregnancy, upon childbirth and while her child is dependent, including but not limited to, *a list of providers of free ultrasound services and* adoption agencies. The materials shall include a comprehensive list of the agencies, a description of the services they offer and the telephone numbers and addresses of the agencies; and inform the woman HB 2076

1 about available medical assistance benefits for prenatal care, childbirth and neonatal care and about the support obligations of the father of a 2 3 child who is born alive. The department shall ensure that the materials described in this section are comprehensive and do not directly or indi-4 rectly promote, exclude or discourage the use of any agency or service $\mathbf{5}$ described in this section. The materials shall also contain a toll-free 24-6 7 hour a day telephone number which may be called to obtain, orally, such a list and description of agencies in the locality of the caller and of the 8 9 services they offer. The materials shall state that it is unlawful for any individual to coerce a woman to undergo an abortion, that any physician 10 who performs an abortion upon a woman without her informed consent 11 12 may be liable to her for damages. Kansas law permits adoptive parents to 13 pay costs of prenatal care, childbirth and neonatal care. The materials shall include the following statement: 1415 "Many public and private agencies exist to provide counseling and information on available services. You are strongly urged to seek 1617their assistance to obtain guidance during your pregnancy. In ad-18dition, you are encouraged to seek information on abortion services, 19 alternatives to abortion, including adoption, and resources available 20to post-partum mothers. The law requires that your physician or 21 the physician's agent provide the enclosed information."

22*Printed* materials that inform the pregnant woman of the probable (2)23 anatomical and physiological characteristics of the fetus at two-week gestational increments from fertilization to full term, including pictures or 24 25drawings representing the development of a fetus at two-week gestational 26increments, and any relevant information on the possibility of the fetus' 27 survival. Any such pictures or drawings shall contain the dimensions of the fetus and shall be realistic. The materials shall be objective, nonjudg-2829 mental and designed to convey only accurate scientific information about the fetus at the various gestational ages. The material shall also contain 30 31 objective information describing the methods of abortion procedures 32 commonly employed, the medical risks commonly associated with each 33 such procedure and the medical risks associated with carrying a fetus to 34 term.

(3) A certification form to be used by physicians or their agents under
subsection (e) of K.S.A. 65-6709, and amendments thereto, which will
list all the items of information which are to be given to women by physicians or their agents under the woman's-right-to-know act.

(4) A standardized video containing all of the information described
in paragraphs (1) and (2). In addition, the video shall show ultrasound
images, using the best available ultrasound technology, of a fetus at two
week gestational increments.

43 (b) The *print* materials required under this section shall be printed

 $\mathbf{5}$

1 in a typeface large enough to be clearly legible. The *informational video*

2 shall be published in digital video disc format. All materials required to

3 be published under this section shall also be published online on the de-

4 *partment's website. All* materials shall be made available in both English

5 and Spanish language versions.

6 (c) The materials required under this section shall be available at no 7 cost from the department upon request and in appropriate number to 8 any person, facility or hospital.

9 Sec. 3. K.S.A. 65-6709 and 65-6710 are hereby repealed.

10 Sec. 4. This act shall take effect and be in force from and after its 11 publication in the statute book.
