Upon determination by the director that a judgment from a Kansas court of competent jurisdiction is a final judgment and that the judgment resulted from an act in violation of this act or would constitute grounds for suspension, revocation, refusal to renew a license or administrative fine pursuant to K.S.A. 8-2411, and amendments thereto, the proceeds of the bond on deposit or in lieu of bond provided by subsection (j), shall be paid. The determination by the director under this subsection is hereby specifically exempted from the Kansas administrative procedure act (K.S.A. 77-501 through 77-549, and amendments thereto,) and the act for judicial review and civil enforcement of agency actions (K.S.A. 77-601 through 77-627, and amendments thereto). Any proceeding to enforce payment against a surety following a determination by the director shall be prosecuted by the judgment creditor named in the final judgment sought to be enforced. Upon a finding by the court in such enforcement proceeding that a surety has wrongfully failed or refused to pay, the court shall award reasonable attorney fees to the judgment creditor.

When negotiable bonds or negotiable certificates of deposit have been deposited with the state treasurer to satisfy the bonding requirements of subsection (i), such negotiable bonds or negotiable certificates of deposit shall remain on deposit with the state treasurer for a period of not less than two years after the date of delivery of the certificate of title to the motor vehicle which was the subject of the last motor vehicle sales transaction in which the licensee engaged prior to termination of the licensee's license. In the event a licensee elects to deposit a surety bond in lieu of the negotiable bonds or negotiable certificates of deposit previously deposited with the state treasurer, the state treasurer shall not release the negotiable bonds or negotiable certificates of deposits until at least two years after the date of delivery of the certificate of title to the motor vehicle which was the subject of the last motor vehicle sales transaction in which the licensee engaged prior to the date of the deposit of the surety bond. The cash deposit or market value of any such securities shall be equal to or greater than the amount of the bond required for the bonded area and any interest on those funds shall accrue to the benefit of the depositor.

(o) An established or supplemental place of business, otherwise meeting the requirements of this act may be used by a dealer to conduct more than one business, provided that suitable space and facilities exist therein to properly conduct the business of a vehicle dealer.

(p) If a supplemental place of business is not operated on a continuous, year-round basis, the dealer shall give the department 15 days' notice as to the dates on which the dealer will be engaged in business at the supplemental place of business.

(q) Any vehicle dealer selling, exchanging or transferring or causing to be sold, exchanged or transferred new vehicles in this state must satisfactorily demonstrate to the director that such vehicle dealer has a bona fide franchise agreement with the first or second stage manufacturer or distributor of the vehicle, to sell, exchange or transfer the same or to cause to be sold, exchanged or transferred.

No person may engage in the business of buying, selling or exchanging new motor vehicles, either directly or indirectly, unless such person holds a license issued by the director for the make or makes of new motor vehicles being bought, sold or exchanged, or unless a person engaged in such activities is not required to be licensed or acts as an employee of a licensee and such acts are only incidentally performed.
