

Line-Item Veto Message for HB 2373, The Omnibus Budget Bill

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return Senate Substitute for House Bill No. 2373 with my signature approving the bill, except for the items enumerated below.

Department of Education—KPERs—School Employer Contributions

That portion of Section 36(a) that reads as follows has been line-item vetoed:

“For the fiscal year ending June 30, 2010 \$1,850,000”

This FY 2010 appropriation for the KPERs—School employer contribution was accounted for in the agency’s lapse contained in Section 36(b). In order to appropriate only those monies absolutely necessary, I hereby line-item veto this appropriation.

Kansas State University

Section 70(c) has been line-item vetoed in its entirety:

Financing of the Salina Aeronautical Center located at Kansas State University’s Salina Campus is a lease purchase agreement that is by its nature equivalent to a debt service agreement. The 2009 Legislature intended that funding of debt service should not be lapsed, and I concur with that intent. In that spirit, I therefore find it necessary to veto this lapse so that this obligation can be met.

Department of Health and Environment

Section 89 has been line-item vetoed in its entirety:

“Regardless of one’s views on whether abortion should be allowed in this country, hopefully we can all agree that we should make every effort to prevent unplanned pregnancies. Access to affordable family planning services and contraceptives is critical if we are to continue reducing the number of abortions that occur in this state.

“This section would prohibit distribution of Title X moneys to private family planning providers unless they are either a hospital or provide comprehensive primary and preventative care in addition to family planning services. This proviso would prevent funding for two facilities of other eligible family planning providers. These facilities do not perform abortions, and by law, Title X funding cannot be used for abortion services.

“Both of these facilities provide affordable access to contraceptives and family planning services for women who are significantly below the poverty level. These women are most at risk for unplanned pregnancies. The family planning services provided by these facilities help lower the likelihood of unplanned pregnancy, and thus reduce abortions. Eliminating funding for programs intended to reduce the number of unplanned pregnancies does nothing to help reduce abortions in Kansas.

“I am also concerned this proviso violates Title X of the Public Service Act. The facilities ineligible for funding under this proviso are, by law, eligible under Title X to receive the grants. The Public Service Act is clear that states are not permitted to refuse the award of Title X funding to entities that meet the statutory requirements for the grants. I therefore find it necessary to line-item veto this proviso.”
