Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 22-3212 is hereby amended to read as follows: 22-3212. (a) Upon request, the prosecuting attorney shall permit the defendant to inspect and copy or photograph the following, if relevant: (1) Written or recorded statements or confessions made by the defendant, or copies thereof, which are or have been in the possession, custody or control of the prosecution, the existence of which is known, or by the exercise of due diligence may become known, to the prosecuting attorney; (2) results or reports of physical or mental examinations, and of scientific tests or experiments made in connection with the particular case, or copies thereof, the existence of which is known, or by the exercise of due diligence may become known, to the prosecuting attorney; (3) recorded testimony of the defendant before a grand jury or at an inquisition; and (4) memoranda of any oral confession made by the defendant and a list of the witnesses to such confession, the existence of which is known, or by the exercise of due diligence may become known to the prosecuting attorney.

(b) (1) Upon request, the prosecuting attorney shall permit the defendant to inspect and copy or photograph books, papers, documents, tangible objects, buildings or places, or copies, or portions thereof, which are or have been within the possession, custody or control of the prosecution, and which are material to the case and will not place an unreasonable burden upon the prosecution.

(2) Except as provided in subsections (a)(2) and (a)(4), this section does not authorize the discovery or inspection of reports, memoranda or other internal government documents made by officers in connection with the investigation or prosecution of the case, or of statements made by state witnesses or prospective state witnesses, other than the defendant, except as may be provided by law.

(3) *Except as provided in subsection (e), this section does not require the prosecuting attorney to provide unredacted vehicle identification numbers or personal identifiers of persons mentioned in such books, papers or documents.*

(4) *As used in this subsection, personal identifiers include, but are not limited to, birthdates, social security numbers, taxpayer identification numbers, drivers license numbers, account numbers of active financial accounts, home addresses and personal telephone numbers of any victims or material witnesses.*

(5) *If the prosecuting attorney does provide the defendant's counsel with unredacted vehicle identification numbers or personal identifiers, the defendant's counsel shall not further disclose the unredacted numbers or identifiers to the defendant or any other person, directly or indirectly, except as authorized by order of the court.*

(6) *If the prosecuting attorney provides books, papers or documents to the defendant's counsel with vehicle identification numbers or personal identifiers redacted by the prosecuting attorney, the prosecuting attorney shall provide notice to the defendant's counsel that such books, papers or documents had such numbers or identifiers redacted by the prosecuting attorney.*

(7) *Any redaction of vehicle identification numbers or personal identifiers by the prosecuting attorney shall be by alteration or truncation of such numbers or identifiers and shall not be by removal.*

(c) If the defendant seeks discovery and inspection under subsection (a)(2) or subsection (b), the defendant shall permit the attorney for the prosecution to inspect and copy or photograph scientific or medical reports, books, papers, documents, tangible objects, or copies or portions thereof, which the defendant intends to produce at any hearing, and which are material to the case and will not place an unreasonable burden on the defense. Except as to scientific or medical reports, this subsection does not authorize the discovery or inspection of reports, memoranda or other internal defense documents made by the defendant, or the defendant's attorneys or agents in connection with the investigation or defense of the case, or of statements made by the defendant, or by prosecution

or defense witnesses, or by prospective prosecution or defense witnesses, to the defendant, the defendant's agents or attorneys.

(d) The prosecuting attorney and the defendant shall cooperate in discovery and reach agreement on the time, place and manner of making the discovery and inspection permitted, so as to avoid the necessity for court intervention.

(e) Upon a sufficient showing the court may at any time order that the discovery or inspection be denied, restricted, *enlarged* or deferred or make such other order as is appropriate. Upon motion, the court may permit either party to make such showing, in whole or in part, in the form of a written statement to be inspected privately by the court. If the court enters an order granting relief following such a private showing, the entire text of the statement shall be sealed and preserved in the records of the court to be made available to the appellate court in the event of an appeal.

(f) Discovery under this section must be completed no later than 20 days after arraignment or at such reasonable later time as the court may permit.

(g) If, subsequent to compliance with an order issued pursuant to this section, and prior to or during trial, a party discovers additional material previously requested or ordered which is subject to discovery or inspection under this section, the party shall promptly notify the other party or the party's attorney or the court of the existence of the additional material. If at any time during the course of the proceedings it is brought to the attention of the court that a party has failed to comply with this section or with an order issued pursuant to this section, the court may order such party to permit the discovery or inspection of materials not previously disclosed, grant a continuance, or prohibit the party from introducing in evidence the material not disclosed, or it may enter such other order as it deems just under the circumstances.

(h) For crimes committed on or after July 1, 1993, the prosecuting attorney shall provide all prior convictions of the defendant known to the prosecuting attorney that would affect the determination of the defendant's criminal history for purposes of sentencing under a presumptive sentencing guidelines system as provided in K.S.A. 21-4701 et seq. and amendments thereto.

(i) The prosecuting attorney and defendant shall be permitted to inspect and copy any juvenile files and records of the defendant for the purpose of discovering and verifying the criminal history of the defendant.

Sec. 2. K.S.A. 2009 Supp. 22-3437 is hereby amended to read as follows: 22-3437. (a) (1) In any hearing or trial, a report concerning forensic examinations and certificate of forensic examination executed pursuant to this section shall be admissible in evidence if the report and certificate are prepared and attested by a criminalist or other employee of the Kansas bureau of investigation, Kansas highway patrol or any laboratory of the federal bureau of investigation, federal postal inspection service, federal bureau of alcohol, tobacco and firearms or federal drug enforcement administration. If the examination involves a breath test for alcohol content, the report must also be admissible pursuant to K.S.A. 8-1001, and amendments thereto, and be conducted by a law enforcement officer or other person who is certified by the department of health and environment as a breath test operator as provided by K.S.A. 65-1,107 et seq., and amendments thereto.

(2) Upon the request of any law enforcement agency, such person as provided in ~~subsection~~ *paragraph* (1) performing the analysis shall prepare a certificate. Such person shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be supported by a written declaration pursuant to K.S.A. 53-601, and amendments thereto, or shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: The type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the person who performed the analysis and made the conclusions; the subscriber's training or experience to perform the analysis; the nature and condition of the equipment used; and the certification and foundation requirements for admissibility

of breath test results, when appropriate. When properly executed, the certificate shall, subject to the provisions of ~~subsection (3)~~ *paragraph (3)* and notwithstanding any other provision of law, be admissible evidence of the results of the forensic examination of the samples or evidence submitted for analysis and the court shall take judicial notice of the signature of the person performing the analysis and of the fact that such person is that person who performed the analysis.

(3) Whenever a party intends to proffer in a criminal or civil proceeding, a certificate executed pursuant to this section, notice of an intent to proffer that certificate and the reports relating to the analysis in question, including a copy of the certificate, shall be conveyed to the opposing party or parties at least 20 days before the beginning of a hearing where the proffer will be used. An opposing party who intends to object to the admission into evidence of a certificate shall give notice of objection and the grounds for the objection within 10 days upon receiving the adversary's notice of intent to proffer the certificate. Whenever a notice of objection is filed, admissibility of the certificate shall be determined not later than two days before the beginning of the trial. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and grounds for that objection that the conclusions of the certificate, including the composition, quality or quantity of the substance submitted to the laboratory for analysis or the alcohol content of a blood or breath sample will be contested at trial. A failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section may be extended upon a showing of good cause.

(b) (1) In any hearing or trial where there is a report concerning forensic examinations from a person as provided in paragraph (1) of subsection (a), district and municipal courts may, upon request of either party, use two-way interactive video technology, including internet-based videoconferencing, to take testimony from that person if the testimony is in relation to the report.

(2) The use of any two-way interactive video technology must be in accordance with any requirements and guidelines established by the office of judicial administration, and all proceedings at which such technology is used in a district court must be recorded verbatim by the court.

Sec. 3. K.S.A. 22-3212 and 22-3433 and K.S.A. 2009 Supp. 22-3437 are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the Kansas register.
