

Journal of the House

THIRTY-FIRST DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, February 20, 2001, 10:30 a.m.

The House met pursuant to adjournment with Speaker Glasscock in the chair.
The roll was called with 125 members present.

Prayer by Chaplain Svoboda-Barber:

Thank you, God,

for spring which is on the way.

The sun is beginning to rise earlier,

and it stays light longer in the evening.

Your light creates hope in our hearts.

May we reflect your light in the things we do today so that our actions

may create hope in the lives of all Kansans.

Thank you God. Amen.

The Pledge of Allegiance was led by Rep. Burroughs.

REPORTS OF STANDING COMMITTEES

The Committee on **Agriculture** recommends **HB 2102** be amended on page 1, after line 35, by inserting the following:

"Sec. 2. K.S.A. 83-202 is hereby amended to read as follows: 83-202. (a) Except as provided further:

(1) The system of weights and measures in customary use in the United States and the metric system of weights and measures are jointly recognized, and either one or both of these systems shall be used for all commercial purposes in the state.

(2) The following standards and requirements shall apply to commercial weighing and measuring devices:

(A) "The standards of the national conference on weights and measures" published in the national institute of standards and technology handbook 44 entitled specifications, tolerances, and other technical requirements for weighing and measuring devices as published on October, 1994 or later versions as established in rules and regulations adopted by the secretary, *except those vehicle scales installed prior to the effective date of this act and used solely for the purpose of weighing aggregate products shall be exempt from the provisions contained in section 2.20 scales, table 6 of such handbook. Such aggregate product scales shall have a minimum tolerance of +/- 100 pounds. Such exception shall be in effect for a period of three years from the effective date of this act;*

(B) "the uniform laws and regulations of the national conference on weights and measures" published in the national institute of standards and technology handbook 130 regarding packaging and labeling, the method of sale of commodities, national type evaluation regulation, motor fuel inspection and motor fuel regulation, as published on December, 1994 or later versions as established in rules and regulations adopted by the secretary;

(C) "checking the net contents of packaged goods" published in the national institute of standards and technology handbook 133, third edition, as published on September, 1988 or later versions as established in rules and regulations adopted by the secretary;

(D) "checking the net contents of packaged goods" published in the national institute of standards and technology handbook 133, third edition, supplement 4, as published on October, 1994 or later versions as established in rules and regulations adopted by the secretary; and

(E) any other handbooks or sections thereof as adopted by the secretary by rules and regulations.

(b) Whenever there exists an inconsistency between the provisions of chapter 83 of the Kansas Statutes Annotated, and amendments thereto, and any of the handbooks adopted by reference, the requirements of chapter 83 of the Kansas Statutes Annotated, and amendments thereto, shall control.”;

And by renumbering sections accordingly;

On page 7, in line 34, before the period by inserting “at least once within every 18-month period”; in line 43, before “The” by inserting “If upon inspection by the secretary, it is found that the dispensing device has not been tested and inspected for accuracy and approved within the preceding 18 months, the secretary shall take the dispensing device out of service pursuant to the provisions of K.S.A. 83-215, and amendments thereto.”;

On page 9, in line 6, after “83-145,” by inserting “83-202.”;

On page 1, in the title, in line 10, after the semicolon, by inserting “recognized system thereof.”; also in line 10, after “83-145,” by inserting “83-202.”; and the bill be passed as amended.

The Committee on **Agriculture** recommends **HB 2123** be amended on page 1, after line 13, by inserting the following:

(d) In the case of specialty pet foods which is distributed in the state in packages of one pound or less, an annual fee of \$15 shall be paid in lieu of the inspection fee.

(e) The minimum inspection fee shall be \$15 and shall be paid semiannually.

(f) The applicant shall keep such records as may be necessary to indicate accurately the tonnage of commercial feeding stuffs sold, and as are satisfactory to the secretary, and granting the secretary or the secretary’s duly authorized representative permission to verify the statement of tonnage. The report shall be filed in the office of the secretary of ~~the state board of~~ agriculture, and the report of tonnage and inspection fee shall be due semiannually on the first day of January and the first day of July, covering the tonnage of commercial feeding stuffs sold the preceding six months.

(g) If more than one manufacturer, importer, jobber, firm, association, corporation or person is involved in the chain of distribution, the manufacturer, importer, jobber, firm, association, corporation or person who first sells or distributes a commercial feeding stuff for further sale or distribution in this state shall be responsible for payment of the applicable

inspection fee for each commercial feeding stuff sold or distributed by the manufacturer, importer, jobber, firm, association, corporation or person.

(h) No inspection fee shall be required for any commercial feeding stuff sold under the name and label of another licensee if the inspection fee has or will be paid by a prior manufacturer, importer, jobber, firm, association, corporation or person in the chain of distribution as evidenced by an invoice or sales receipt.

(i) No inspection fee shall be required for any commercial feeding stuff on which the inspection fee has or will be paid by a prior manufacturer, importer, jobber, firm, association, corporation or person in the chain of distribution as evidenced by an invoice or sales receipt.

(j) If inspection fees, which are due and owing, have not been remitted to the secretary within 30 days following the due date or if the report of tonnage is not accurate, the secretary shall impose a delinquency fee equal to 10% of the amount due or \$50, whichever is greater. Such delinquency fee shall be in addition to the amount due.”;

“Sec. 3. K.S.A. 2000 Supp. 2-2440 is hereby amended to read as follows: 2-2440. (a) Subject to the provisions of subsection (d), it is unlawful for any pesticide business which has not been issued a pesticide business license to:

(1) Advertise, offer for sale, sell or perform any service for the control of a pest on the property of another or apply a pesticide to the property of another within this state; or

(2) perform any service for the control of a pest or apply any pesticide on or at the premises of another person under any commission, division of receipts or subcontracting arrangement with a licensed pesticide business.

Nothing in this subsection shall be construed to require the licensing of any person applying restricted use pesticides to the property of another as a certified private applicator or under the supervision of a certified private applicator.

(b) Application for a pesticide business license or renewal shall be made in writing to the secretary on a designated form obtained from the secretary’s office and shall be accompanied by an application fee per category in which the licensee applies, and an additional fee for each uncertified individual employed by the applicant to apply pesticides. ~~On and after the effective date of this act through June 30, 1999, the application fee per category shall be \$112 per category in which the licensee applies. On and after July 1, 1999, the application fee per category shall be \$100 per category in which the license applies.~~ An additional fee of \$10 shall be paid for each uncertified individual employed by the applicant to apply pesticides. The application fee per category and the additional fee for each uncertified employee in effect on the day preceding the effective date of this act shall continue in effect until the state board of agriculture adopts rules and regulations fixing a different fee therefor under this subsection. Any uncertified individual employed for a period of more than 10 days in a 30-day period or for five consecutive days by a licensee to apply pesticides subsequent to such application shall be reported to the secretary within 30 days of such employee’s hiring and the fee shall be paid at that time. Each application shall also include the following:

(1) The business name of the person applying for such license or renewal;

(2) if the applicant is an individual, receiver, trustee, representative, agent, firm, partnership, association, corporation or other organized group of persons, whether or not incorporated, the full name of each owner of the firm or partnership or the names of the officers of the association, corporation or group;

(3) the principal business address of the applicant in the state and elsewhere; and

(4) any other information the secretary, by rules and regulations, deems necessary for the administration of this act.

(c) The secretary may issue a pesticide business license to apply pesticides in categories for which an applicant has applied if the applicant files the bond, insurance, letter of credit or proof of an escrow account as required under K.S.A. 2-2448, and amendments thereto, satisfies the requirements of subsection (b), and pays the required fees. Such license shall expire at the end of the calendar year for which it is issued unless it has been revoked or suspended prior thereto. If a license is not issued as applied for, the secretary shall inform the applicant in writing of the reasons therefor.

(d) The following persons shall be exempted from the licensing requirements of this act:

(1) State or federal personnel using pesticides or pest control services while engaged in pesticide use research;

(2) veterinarians or physicians using pesticides as a part of their professional services; and

(3) any person or such person's employee who applies pesticides on or at premises owned, leased or operated by such person.

(e) Subject to the provisions of subsection (d), it is unlawful for any governmental agency which has not been issued a government agency registration to apply pesticides within this state. Application for government agency registration shall be made in writing to the secretary on a designated form obtained from the secretary's office and shall be accompanied by a fee fixed by rules and regulations adopted by the state board of agriculture, except that such fee shall not exceed \$35. The governmental agency registration fee in effect on the day preceding the effective date of this act shall continue in effect until the state board of agriculture adopts rules and regulations fixing a different fee therefor under this subsection. No fee shall be required of any township located within a county which has previously applied for and received government agency registration. Each application for registration shall contain information including, but not limited to:

(1) The name of the government agency;

(2) the mailing address of the applicant;

(3) the name and mailing address of the person who heads such agency and who is authorized to receive correspondence and legal papers. Such person shall be (A) the mayor or city manager for municipalities, (B) the chairperson of the board of county commissioners for counties, (C) the township trustee for townships or (D) any person designated by any other governmental agency; and

(4) any other information the secretary, by rules and regulations, deems necessary for the administration of this act.

(f) If the secretary finds the application to be sufficient, the secretary shall issue a government agency registration. The government agency is not required to furnish a surety bond under this act. Such government agency registration shall expire at the end of the calendar year for which it is issued unless it has been revoked or suspended prior thereto. If a registration is not issued as applied for, the secretary shall inform the applicant in writing of the reasons therefor.

(g) A pesticide business license or government agency registration may be renewed by meeting the same requirements as for a new license or registration. Neither the pesticide business license nor the government agency registration shall be transferable, except that, in the event of the disability, incapacity or death of the owner, manager or legal agent of a pesticide business licensee, a permit may be issued by the secretary to permit the operation of such business until the expiration period of the license in effect at the time of such disability, incapacity or death if the applicant therefor can show that the policies and services of such business will continue substantially as before, with due regard to protection of the public and the environment.

(h) No pesticide business license may be issued to any person until such person is or has in such person's employ one or more individuals who are certified commercial applicators in each of the categories for which the license application is made.”;

“Sec. 3. K.S.A. 2000 Supp. 65-3424b is hereby amended to read as follows: 65-3424b.

(a) The secretary shall establish a system of permits for mobile waste tire processors and waste tire processing facilities and permits for waste tire transporters and collection centers. Such permits shall be issued for a period of one year and shall require an application fee established by the secretary in an amount not exceeding \$250 per year.

(b) The secretary shall adopt rules and regulations establishing standards for mobile waste tire processors, waste tire processing facilities and associated waste tire sites, waste tire collection centers and waste tire transporters. Such standards shall include a requirement that the permittee file with the secretary a bond or other financial assurance in an amount determined by the secretary to be sufficient to pay any costs which may be incurred by the state to process any waste tires or dispose of any waste tires or processed waste tires if the permittee ceases business or fails to comply with this act.

(c) Any person who contracts or arranges with another person to collect or transport waste tires for storage, processing or disposal shall so contract or arrange only with a person holding a permit from the secretary. Any person contracting or arranging with a person, permitted by the secretary, to collect or transport waste tires for storage, processing or disposal, transfers ownership of those waste tires to the permitted person and the person contracting or arranging with the person holding such permit to collect or transport such tires shall be released from liability therefor. Any person contracting or arranging with any

person, permitted by the secretary, for the collection ~~or~~, *transportation, storage, processing or disposal* of such tires shall maintain a record of such transaction for a period of not less than five years following the date of the transfer of such tires.

(d) No person shall:

(1) Own or operate a waste tire processing facility or waste tire collection center or act as a mobile waste tire processor or waste tire transporter unless such person holds a valid permit issued therefor pursuant to subsection (a); or

(2) own or operate a waste tire processing facility or waste tire collection center or act as a mobile waste tire processor or waste tire transporter except in compliance with the standards established by the secretary pursuant to subsection (b).

(e) The provisions of subsection (d)(1) shall not apply to:

(1) A tire retreading business where fewer than 1,000 waste tires are kept on the business premises;

(2) a business that, in the ordinary course of business, removes tires from motor vehicles if fewer than 1,500 of these tires are kept on the business premises;

(3) a retail tire-selling business which is serving as a waste tire collection center if fewer than 1,500 waste tires are kept on the business premises;

(4) the department of wildlife and parks;

(5) a person engaged in a farming or ranching activity, including the operation of a feedlot as defined by K.S.A. 47-1501, and amendments thereto, as long as the accumulation has a beneficial use;

(6) a waste tire collection center where fewer than 1,500 used tires are kept on the premises;

(7) a waste tire collection center where 1,500 or more used tires are kept on the premises, if the owner demonstrates through sales and inventory records that such tires have value, as established in accordance with standards adopted by rules and regulations of the secretary;

(8) local units of government operating solid waste processing facilities and solid waste disposal areas permitted by the secretary under the authority of K.S.A. 65-3407 and amendments thereto;

(9) a person transporting: (A) Waste tires mixed with other municipal solid waste; (B) fewer than five waste tires for lawful disposal; (C) waste tires generated by the business, farming activities of the person or the person's employer; or (D) waste tires for a beneficial use approved by statute or rules and regulations adopted by the secretary; or

(10) a business engaged in processing, for resource recovery purposes, only waste tires generated by the business.
