

Journal of the House

SEVENTEENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, January 31, 2007, 11:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Dahl in the chair.
The roll was called with 124 members present.
Rep. Hayzlett was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Dear Lord, may we pray the prayer of the Psalmist David,

“God, investigate my life;
Get all the facts firsthand.
I’m an open book to you;
Even from a distance, you know what I’m thinking.
You know when I leave and when I get back;
I’m never out of your sight.
You know everything I’m going to say
Before I start the first sentence.
I look behind me and you’re there,
Then up ahead and you’re there, too—
your reassuring presence, coming and going.
This is too much, too wonderful—
I can’t take it all in!
Investigate my life, O God,
Find out everything about me;
Cross-examine and test me,
Get a clear picture of what I’m about;
See for yourself whether I’ve done anything wrong—
Then guide me on the road to eternal life.”

In the name of Jesus Christ I pray, Amen.
(Ps. 139:1-6; 23-24 — *The Message*)

The Pledge of Allegiance was led by Rep. Gordon.

COMMUNICATIONS FROM STATE OFFICERS

From Deb Miller, Secretary, Kansas Department of Transportation, Kansas Making Progress: Our Transportation Performance, 2007 Annual Report.

The complete report is kept on file and open for inspection in the office of the Chief Clerk.

INTRODUCTION OF ORIGINAL MOTIONS

Rep. O'Neal moved that the House of Representatives authorize the Select Committee on Contested Elections to fix reasonable times during which access to files, records and evidence transmitted from the district court are made available to members of the House. The motion prevailed.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Goico, **HCR 5007**, A concurrent resolution supporting Wichita State University for full reaccreditation by the Higher Learning Commission of the North Central Association of Colleges and Schools, was adopted.

There being no objection, the following remarks of Rep. Goico are spread upon the journal.

Wichita State University was founded in 1895 as Fairmount College, a Congregational institution. Its distinguishing characteristics are its urban setting and the enhancement that it provides to the traditional classroom experience through greater opportunities in resources, contacts with business and government leaders, employment, and internships. WSU became a state institution in 1963 and since that time it has grown from 5,000 to over 14,000 students. These students are primarily from South Central Kansas and in most cases remain and work in Kansas following graduation.

The university is continuously evaluating its programs and seeking opportunities to increase and expand its efforts on behalf of the citizens of Kansas. WSU has continued to build strong university-community partnerships in aeronautical engineering, community health and safety, continuing and cooperative education, arts and culture, as well as in economic development. This has been accomplished through the "WSU-LINK" program.

WSU is also noted for its high levels of service learning, and community based participatory research. The National Institute of Aviation Research (NIAR) has three FAA Centers of Excellence, 192 industry clients and three contributing partners: the FAA, NASA, and

the Kansas Technology Enterprise Organization. Over the past 10 years the university has achieved over 200 percent growth on basic and applied research funding. This is mainly the result of the efforts of the university to serve the needs of the Kansas aviation industry. Students also receive a large number of opportunities to connect academic experiences with a wide range of co-operative education and internship experiences. In fact, Wichita State University has the largest internship and co-operative education program in the state. This is a direct result of the linkage the university has with its community. In areas such as the Hugo Wall School of Urban and Public Affairs, the health professions, and the Barton School of Business; it has expanded to include the entire state. And, via distance and global learning, a much broader range of constituencies is further served.

Notable alums who have distinguished themselves as "Shockers" and Kansans include:

- Dr. Donna Sweet '70/'72, nationally renowned AIDS researcher
- Dwane Wallace '33, chairman of Cessna Aircraft Company from 1936-1975
- Frank Carney '00, co-founder, with brother Dan '53, of Pizza Hut
- Tom Devlin '70, co-founder of Rent-A-Center
- Xavier McDaniel '87, the first basketball player in NCAA history to lead the nation in both scoring and rebounding in the same year
- Bill Parcells '64, two-time Super Bowl-winning head coach
- Joe Carter '81, Major League Baseball All-Star and World Series champion
- Ralph Miller '38, Hall of Fame basketball coach from Chanute, KS
- Jerry Bittle '73, creator of the nationally syndicated cartoon strip "Geech"
- Judy Bell '61, first female president of the United States Golf Association
- Karla Burns '81, Tony-award nominated actress and performer
- M. Dean Hargrove '60, famed television writer/producer
- Samuel Ramey '68, the world's most recorded operatic bass
- Allen Conroy, Director of Legislative Research at the Kansas Legislature

Of course there are many others including many members of the Kansas House of Representatives and the Senate

I am glad to recognize Wichita State University as they are being re-accredited by the Higher Learning Commission of the North Central Association of Colleges and Universities.

Rep. Goico introduced Dr. Nancy McCarthy Snyder, associate vice-president of Wichita State University, and presented her with a copy of the resolution.
