THIRTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, February 22, 2007, 9:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Dahl in the chair.
The roll was called with 123 members present.
Rep. Powers was excused on verified illness.
Rep. Sawyer was excused on excused absence by the Speaker.

Prayer by guest chaplain, Father James J. Gordon, FSSP, Blessed Sacrament Church,
Kansas City, Kansas, and guest of Rep. Kiegerl:

O Most Loving Father...

Creator of heaven and earth, we thank you, for all the gifts that you have
bestowed upon the people of Kansas.

Almighty God, grant your continual blessings and protection on all of us,
our families, and our friends.

We ask You to assist us with your heavenly grace, that we may be able to
fulfill this most important duty of stewardship and leadership. Lead us in the
defense of Truth and in the defense of Life. Teach us both to give and what
to withhold; when to correct and when to be silent; make us gentle, yet firm;
considerate and watchful; and deliver us equally from the weakness of com-
placency, and the excess of severity; and grant that both by word and example,
we may be careful to lead the citizens of Kansas in the ways of virtue, good-
ness, and wisdom, so that at last, if we have done thy will, we may, with them,
be admitted to the unspeakable joys of our true home in heaven, in the
company of the blessed angels and saints.

We ask this through Jesus' Name. Amen.

The Pledge of Allegiance was led by Rep. Faber.
On motion of Rep. Merrick, the House recessed until 10:00 a.m.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on **HB 2305**. This bill extends property and income tax breaks to a very mature and healthy sector of the economy. **HB 2305** decouples Kansas from federal depreciation rules for a period of 10 years. Requiring a company to amortize one way for the federal government and another way for Kansas just adds complexity to the tax code. Most importantly, as we work to balance spending request with revenue streams, at some point we have to say no, no to the countless request for additional exceptions to our current state and local tax base.—KENNY WILK, STEPHANIE SHARP, KASHA KELLEY

MR. SPEAKER: I support **HB 2305**. Kansas crude oil only supplies one third of the crude oil needed to keep Kansas refineries in operation. Two thirds of the crude oil consumed in Kansas refineries is imported into Kansas from sources out of state including off-shore, gulf, and overseas. When the hurricanes hit two years ago, several times the gasoline pipelines ran dry in the Kansas City area. This bill is about keeping gasoline and diesel fuel available during natural disasters for Kansas consumers. I vote YES on **HB 2305**.—CARL DEAN HOLMES, PEGGY MAST

HB 2316, An act concerning payment of compensation; relating to payment methods; amending K.S.A. 44-314 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 96; Nays 27; Present but not voting: 0; Absent or not voting: 2.

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **HB 2316** to improve employee payment options. However, the attempted amendment to increase minimum wage is a complex issue.

Evidence shows minimum wage increases can result in higher unemployment rates because of the added cost of doing business. This can be systemic, forcing elevation of other salaries and prices of goods/services. The unintended consequence means entry-level workers pay more for essential goods, and some businesses engage in workforce reduction of the very people the amendment aims to help.

This worthy subject deserves full and fair consideration in committee instead of amendment onto a narrowly-related bill.—JOHN GRANGE, LANA GORDON, JOE HUMERICKHOUSE, RON WORLEY, SHERYL SPALDING, TOM MOXLEY, TERRIE HUNTINGTON, RONNIE METSKER, SHARON SCHWARTZ, JOE MCLELAND, DICK KELSEY, LEE TAFANELLI, STEVE HUEBERT, JASON WATKINS, BRENDA LANDWEHR, DON MYERS, MICHAEL R. “Sec. 4. On July 1, 2007, K.S.A. 2006 Supp. 44-757 is hereby amended to read as follows: 44-757. *Shared work unemployment compensation program.* (a) As used in this section:

(1) “Affected unit” means a specified department, shift or other unit of two or more employees that is designated by an employer to participate in a shared work plan.

(2) “Fringe benefit” means health insurance, a retirement benefit received under a pension plan, a paid vacation day, a paid holiday, sick leave, and any other analogous employee benefit that is provided by an employer.

(3) “Fund” has the meaning ascribed thereto by subsection (k) of K.S.A. 44-703 and amendments thereto.

(4) “Normal weekly hours of work” means the lesser of 40 hours or the average obtained by dividing the total number of hours worked per week during the preceding twelve-week period by the number 12.

(5) “Participating employee” means an employee who works a reduced number of hours under a shared work plan.

(6) “Participating employer” means an employer who has a shared work plan in effect.

(7) “Secretary” means the secretary of labor or the secretary's designee.

(8) “Shared work benefit” means an unemployment compensation benefit that is payable to an individual in an affected unit because the individual works reduced hours under an approved shared work plan.

(9) “Shared work plan” means a program for reducing unemployment under which employees who are members of an affected unit share the work remaining after a reduction in their normal weekly hours of work.

(10) “Shared work unemployment compensation program” means a program designed to reduce unemployment and stabilize the work force by allowing certain employees to collect unemployment compensation benefits if the employees share the work remaining after a reduction in the total number of hours of work and a corresponding reduction in wages.

(b) The secretary shall establish a voluntary shared work unemployment compensation program as provided by this section. The secretary may adopt rules and regulations and establish procedures necessary to administer the shared work unemployment compensation program.

(c) An employer who wishes to participate in the shared work unemployment compensation program must submit a written shared work plan to the secretary for the secretary's approval. As a condition for approval, a participating employer must agree to furnish the secretary with reports relating to the operation of the shared work plan as requested by the secretary. The employer shall monitor and evaluate the operation of the established shared work plan as requested by the secretary and shall report the findings to the secretary.

(d) The secretary may approve a shared work plan if:

(1) The shared work plan applies to and identifies a specific affected unit;

(2) the employees in the affected unit are identified by name and social security number;

(3) the shared work plan reduces the normal weekly hours of work for an employee in the affected unit by not less than 20% and not more than 40%;

(4) the shared work plan applies to at least 10% of the employees in the affected unit;

(5) the shared work plan describes the manner in which the participating employer treats the fringe benefits of each employee in the affected unit;

(6) the employer certifies that the implementation of a shared work plan and the resulting reduction in work hours is in lieu of temporary layoffs that would affect at least 10% of the employees in the affected unit and that would result in an equivalent reduction in work hours;

(7) the employer has filed all reports required to be filed under the employment security law for all past and current periods and has paid all contributions, benefit cost payments, or if a reimbursing employer has made all payments in lieu of contributions due for all past and current periods; and

(8) (A) a contributing employer must be eligible for a rate computation under subsection (a)(2) of K.S.A. 44-710a, and amendments thereto, and is not a negative account employer as defined by subsection (d) of K.S.A. 44-710a and amendments thereto; (B) a rated governmental employer must be eligible for a rate computation under subsection (g) of K.S.A. 44-710d and amendments thereto.

(e) If any of the employees who participate in a shared work plan under this section are covered by a collective bargaining agreement, the shared work plan must be approved in writing by the collective bargaining agent.

(f) A shared work plan may not be implemented to subsidize seasonal employers during the off-season or to subsidize employers who have traditionally used part-time employees.

(g) The secretary shall approve or deny a shared work plan no later than the 30th day after the day the shared work plan is received by the secretary. The secretary shall approve or deny a shared work plan in writing. If the secretary denies a shared work plan, the secretary shall notify the employer of the reasons for the denial.

(h) A shared work plan is effective on the date it is approved by the secretary, except for good cause a shared work plan may be effective at any time within a period of 14 days prior to the date such plan is approved by the secretary. The shared work plan expires on the last day of the 12th full calendar month after the effective date of the shared work plan.

(i) An employer may modify a shared work plan created under this section to meet changed conditions if the modification conforms to the basic provisions of the shared work plan as approved by the secretary. The employer must report the changes made to the shared work plan in writing to the secretary before implementing the changes. If the original shared work plan is substantially modified, the secretary shall reevaluate the shared work plan and may approve the modified shared work plan if it meets the requirements for approval under subsection (d). The approval of a modified shared work plan does not affect the expiration date originally set for that shared work plan. If substantial modifications cause the shared work plan to fail to meet the requirements for approval, the secretary shall deny approval to the modifications as provided by subsection (g).

(j) Notwithstanding any other provisions of the employment security law, an individual is unemployed and is eligible for shared work benefits in any week in which the individual, as an employee in an affected unit, works for less than the individual's normal weekly hours of work in accordance with an approved shared work plan in effect for that week. The secretary may not deny shared work benefits for any week to an otherwise eligible individual by reason of the application of any provision of the employment security law that relates to availability for work, active search for work or refusal to apply for or accept work with an employer other than the participating employer.

(k) An individual is eligible to receive shared work benefits with respect to any week in which the secretary finds that:

(1) The individual is employed as a member of an affected unit subject to a shared work plan that was approved before the week in question and is in effect for that week;

(2) the individual is able to work and is available for additional hours of work or full-time work with the participating employer;

(3) the individual's normal weekly hours of work have been reduced by at least 20% but not more than 40%, with a corresponding reduction in wages; and

(4) the individual's normal weekly hours of work and wages have been reduced as described in paragraph (3) of this subsection (k) for a waiting period of one week which occurs within the period the shared work plan is in effect, which period includes the week for which the individual is claiming shared work benefits. *The waiting week requirement of this subsection (k)(4) shall not apply to new claims filed during the period commencing July 1, 2007, and ending on June 30, 2009.*

(l) The secretary shall pay an individual who is eligible for shared work benefits under this section a weekly shared work benefit amount equal to the individual's regular weekly benefit amount for a period of total unemployment multiplied by the nearest full percentage

of reduction of the individual's hours as set forth in the employer's shared work plan. If the shared benefit amount is not a multiple of \$1, the secretary shall reduce the amount to the next lowest multiple of \$1. All shared work benefits under this section shall be payable from the fund.

(m) The secretary may not pay an individual shared work benefits for any week in which the individual performs paid work for the participating employer in excess of the reduced hours established under the shared work plan.

(n) An individual may not receive shared work benefits and regular unemployment compensation benefits in an amount that exceeds the maximum total amount of benefits payable to that individual in a benefit year as provided by subsection (f) of K.S.A. 44-704 and amendments thereto.

(o) An individual who has received all of the shared work benefits and regular unemployment compensation benefits available in a benefit year is an exhaustee under K.S.A. 44-704a and 44-704b, and amendments thereto, and is entitled to receive extended benefits under such statutes if the individual is otherwise eligible under such statutes.

(p) The secretary may terminate a shared work plan for good cause if the secretary determines that the shared work plan is not being executed according to the terms and intent of the shared work unemployment compensation program.

(q) Notwithstanding any other provisions of this section, an individual shall not be eligible to receive shared work benefits for more than 26 calendar weeks during the 12-month period of the shared work plan, except that two weeks of additional benefits shall be payable to claimants who exhaust regular benefits and any benefits under any other federal or state extended benefits program during the period July 1, 2003 through June 30, 2004. No week shall be counted as a week for which an individual is eligible for shared work benefits for the purposes of this section unless the week occurs within the 12-month period of the shared work plan.

(r) No shared work benefit payment shall be made under any shared work plan or this section for any week which commences before April 1, 1989.

(s) This section shall be construed as part of the employment security law.”;

EXPLANATION OF VOTE

MR. SPEAKER: **HB 2390** was introduced in Committee as Real ID Act, and though we are not calling it that anymore, this still contains measures of the Real ID Act. **HB 2390** adopts requirements from Real ID Act, and took out some problematic pieces, and took

out any reference to Real ID Act. While at least 22 other states have filed legislation to denounce Real ID, we are moving the opposite direction. I find it hard to believe there was no fiscal note for the new training and implementation measures. I believe it is good policy to have people with Drivers Licenses, and Fraud Prevention legislation separate from Real ID. I vote No.—DELIA GARCIA
