

Journal of the Senate

FIFTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, April 3, 2007—9:00 a.m.

The Senate was called to order by President Stephen Morris.
The roll was called with forty senators present.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,

We call this week “Holy Week”,
When Christians everywhere
Remember all that happened
On that Friday of despair.

They cheered Christ on a Sunday,
But when the week began to close
The crowd became a mob—
His very existence was opposed.

The apostles were demoralized;
They felt that all was lost.
And that all their hopes were dashed
As He hung upon that cross.

But early on next Sunday morn
Their Master, Lord, and Friend,
Who was dead and buried,
Had come to life again!

So thanks to His resurrection,
It's generally understood
We celebrate the Sunday
That made “Good Friday” good!

I thank You, Lord, in the name of Christ,

AMEN

EXPLANATION OF VOTE

MR. PRESIDENT: I vote YES on **SB 387**, noting this is one of many steps the Kansas Legislature, Kansas Health Policy Authority and Governor can take to make healthcare insurance more available to fellow Kansans and improve the health of our citizens. **SB 387** will help low income uninsured families have a medical home. Premium assistance expands, private health insurance coverage and prepares the way for market place reforms, including a health insurance connector and insuring more Kansas children.—JIM BARNETT

Senators Journey and Petersen request the record to show they concur with the “Explanation of Vote” offered by Senator Barnett on **SB 387**.

NO—“MR. PRESIDENT: In many ways, I would like to vote for this bill. I see a great need for health insurance among those with lower incomes and have a great concern about those who use emergency rooms for what is often routine care. That said, I am not confident this bill provides the best means to achieve this very noble end. I cannot, if I am to be a good steward of our taxpayer dollars, cast a blank check for a program for which we do not even know the design. I am concerned that this may open the door to future government entitlements in the area of health care. I do believe we must seek ways to help low income Kansans purchase health insurance, but I am not confident, as yet, that this is the best way.

The price tag for any measure like this will be high, and because of that, we must be very careful in how we go forward. I vote NO on **SB 387**.—JULIA LYNN

Present and Passing: Steineger.

The bill passed, as amended.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote no on **HB 2093**. It will aggravate and amplify the disproportionate funding between school districts sowing the seeds for a new school finance dispute. Allowing some school districts the means to sway teachers to move from one Kansas school district to another. The M.A.S.I. principle stands for Mutually Assured Spending Increases. Lowering the local option budget maximum percentage distorts the original intent of enacting cost of living and declining enrollment weightings. The supplemental note originally written for **SB 69** states no fiscal note is available. The cost to the S.G.F. is undeterminable. When a teacher moves from one district to another for better pay, it is good for them, but there is no net gain for Kansas students only a net loss for taxpayers. Innovation, ideas and thinking outside the box will provide improvements in the quality of education in Kansas schools.

Allowing some districts and not others to increase their spending will distort the marketplace, stifle innovation and leave some school districts searching to replace teachers lured away to better paying districts. Increasing spending does not equate to improving the quality of education on the statewide basis we should be sensitive to.— PHILLIP B. JOURNEY

Senator Petersen requests the record to show he concurs with the “Explanation of Vote” offered by Senator Journey on **SB 2093**.

MR. PRESIDENT: **HB 2093** is very important for my district. If enacted, this bill allows my district to keep the cost of living adjustment already in effect without having the unnecessary burden of voting for the measure again. It avoids raising the LOB when it is not necessary. Because **HB 2093** avoids bureaucracy and effectuates the will of my constituents, I vote aye. — ROGER PINE.

MR. PRESIDENT: I vote No on **HB 2093**. This is a property tax increase which removes the vote of the citizens.—PEGGY PALMER

S Sub for HB 2127, An act concerning the Kansas underground utility damage prevention act; amending K.S.A. 66-1802, 66-1804, 66-1805 and 66-1806 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 36, Nays 4, Present and Passing 0, Absent or Not Voting 0.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2081**, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

"Sec. 3. K.S.A. 2006 Supp. 25-3601 is hereby amended to read as follows: 25-3601. (a) Subject to the provisions of subsection (d), if a petition is required or authorized as a part of the procedure applicable to the state as a whole or any legislative election district or to any county, city, school district or other municipality, or part thereof, the provisions of K.S.A. 25-3601 et seq., and amendments thereto, shall apply. The sufficiency of each signature and the number thereof on any such petition shall be determined in accordance with the provisions of K.S.A. 25-3601 to 25-3607, inclusive, and amendments thereto by the county election officer or such other official as designated in the applicable statute. Except as provided herein, a copy of any petition requesting an election in any political or taxing subdivision of the state shall be submitted to the office of the county attorney of the county or district attorney of the district in which all or the greater portion of the political or taxing subdivision is located. If a county counselor has been appointed in the county or district, the petition shall be submitted to the county counselor. The petition shall be submitted either by hand-delivery or by certified mail, return receipt requested. Such petition shall contain the question to be submitted at the election. Within five ~~calendar~~ *business* days following submission of the petition, the county counselor, county attorney or district attorney shall furnish a written advisory opinion as to the legality of the form of the question contained on the petition. There shall be a rebuttable presumption that the form of any question approved by the county counselor, county attorney or district attorney complies with the requirements of this act. If such opinion is not furnished within five days of submission of the question, the form of the question shall be deemed in compliance with the requirements of this act.

If the advisory opinion states that the form of the question contained in the petition does not comply with the requirements of this act, such advisory opinion shall also state specific grounds to support such determination.

Nothing in this subsection shall be construed as prohibiting the circulation of a petition for signatures or the filing of such petition with the county election officer prior to obtaining the advisory opinion required by this subsection.

(b) Any person challenging the validity of the form of a question shall have the burden of proving in the district court that the form of the question is invalid.

(c) The form of any question in a petition requesting an election on or protesting an ordinance, or resolution, adopted by the governing body of any county, city, school district or other municipality shall be presumed to be valid and in compliance with the requirements of K.S.A. 25-3601, et seq., and amendments thereto, if such petition states the title, number and exact language of the ordinance, or resolution, and the title of such petition states:

"Shall the following ordinance, or resolution, become effective?"

(d) When any other statute imposes specific requirements which are different from the requirements imposed by K.S.A. 25-3601 et seq. and amendments thereto, the provisions of the specific statute shall control. The county election officer or other official with whom the petition is required to be filed in accordance with the applicable statute shall give to persons requesting information regarding the filing of petitions a copy of K.S.A. 25-620 and article 36 of chapter 25 of the Kansas Statutes Annotated, and amendments thereto.

(e) Any action challenging the validity of the form of a question in a petition shall be filed in the district court within 20 days after such petition has been filed with the county election officer.

The court shall render an opinion in any action filed to challenge the validity of the form of a question in a petition within 20 days after the date such action is filed with the court.

The copy of the petition so filed shall be subscribed by the members of the recall committee in the presence of such county election officer. The recall committee shall represent all sponsors and subscribers in matters relating to the recall.  - (7) the application does not conform to any other requirement of this act.
- (c) In the case of a recall of the county or district attorney, a judge of the district court of such county shall designate an attorney to determine the sufficiency of the grounds stated in the petition for recall. Such attorney shall perform the duties imposed on the county or district attorney in the recall of other local officers.
- (d) All mandamus proceedings to compel a recall election and all injunction proceedings to restrain a recall election shall be commenced ~~not less than~~ *within* 30 days after the county or district attorney's decision.

Sec. 6. K.S.A. 25-2810 is hereby amended to read as follows: 25-2810. The election board shall open the polls at the time specified by the county election officer. The judges shall have charge of the ballots and the supervising judge shall designate one of their number to furnish them to voters as provided by law.

(b) Any election board of five or more members may be divided by the county election officer into a receiving board and a counting board, and the receiving board shall furnish and receive ballots and record the names of voters. The receiving board shall open and close the polls at the time specified by the county election officer.

(c) The counting board or boards, if any, shall proceed to their voting place after the opening of the polls at the hour specified by the county election officer.

They shall then exchange the first box for the second national and state box, and so continue until they have counted and tabulated all the votes cast on that election day in the national and state ballot boxes. Counting boards may, in like manner, count the ballots in other ballot boxes when only an unsubstantial number of national and state ballots have been cast and are uncounted, and likewise at elections where there are no national and state ballots. Prior to the closing of the polls, no ballots shall be counted from any ballot box containing less than 50 ballots. (e) At city and school elections, both primary and general, the counting board, if any, shall take charge of a ballot box containing one kind of ballot. Such board shall then proceed, as in national and state elections, to count and tabulate the ballots cast. When the ballots in such ballot box have been counted, the box shall be exchanged for another ballot box and so continue until all of the ballots of every kind are counted and tabulated.

(f) When the hour arrives for closing the polls, the election board, including both the receiving and counting boards if any, shall continue in the work of counting, tabulating and summarizing the votes, and making their certificates as to the result of the election.

(g) All of the judges and clerks at the same voting place *on duty when the polls close* shall unite in certifying the election results as provided in K.S.A. 25-3006 and amendments thereto.

(h) (1) *In accordance with rules and regulations adopted by the secretary of state, the county election officer may allocate staffing resources as needed at the voting place except that two members of the election board, one of which is the supervising judge, shall be on duty for the entire time the polls are open.*

(2) *The secretary of state may adopt rules and regulations to implement the provisions of this section.*

New Sec. 7. The governmental ethics commission shall prescribe and provide forms for each report required to be made under the campaign finance act. After January 10, 2008, any information required to be filed pursuant to this section may be filed electronically with the secretary of state in a method authorized by the secretary of state. If any paper ballot is damaged or defective so that it cannot properly be counted by the automatic tabulating equipment, such ballot shall be manually counted at the counting center. The totals for all such ballots or ballot cards manually counted shall be added to the totals for the respective precincts or election districts.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote No on **HB 2081** because it contains a provision that loosens campaign ethics law for legislators. By inserting “knowingly” into the statute governing solicitation of campaign contributions from lobbyists during the legislative session, **HB 2081** creates a huge loophole for legislators, allowing us to deny accountability for our actions. Every day, we tighten laws and increase penalties for other Kansans who violate the law. Yet when we don’t like a law that affects us, we just change it. I can’t do that!—LAURA KELLY and JANIS LEE

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2214**, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2283**, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 16 through 43;

By striking all on pages 2 through 7;

On page 8, by striking all in lines 1 through 18 and inserting the following:

“Section 1. K.S.A. 2006 Supp. 8-135, as amended by section 1, of 2007 House Bill No. 2373, is hereby amended to read as follows: 8-135. (a) Upon the transfer of ownership of any vehicle registered under this act, the registration of the vehicle and the right to use any license plate thereon shall expire and thereafter there shall be no transfer of any registration,

and the license plate shall be removed by the owner thereof. Except as provided in K.S.A. 8-172, and amendments thereto, and 8-1,147, and amendments thereto, it shall be unlawful for any person, other than the person to whom the license plate was originally issued, to have possession thereof. When the ownership of a registered vehicle is transferred, the original owner of the license plate may register another vehicle under the same number, upon application and payment of a fee of \$1.50, if such other vehicle does not require a higher license fee. If a higher license fee is required, then the transfer may be made upon the payment of the transfer fee of \$1.50 and the difference between the fee originally paid and that due for the new vehicle.

(b) Subject to the provisions of subsection (a) of K.S.A. 8-198, and amendments thereto, upon the transfer or sale of any vehicle by any person or dealer, or upon any transfer in accordance with K.S.A. 59-3511, and amendments thereto, the new owner thereof, within 30 days, inclusive of weekends and holidays, from date of such transfer shall make application to the division for registration or reregistration of the vehicle, but no person shall operate the vehicle on any highway in this state during the thirty-day period without having applied for and obtained temporary registration from the county treasurer or from a dealer. After the expiration of the thirty-day period, it shall be unlawful for the owner or any other person to operate such vehicle upon the highways of this state unless the vehicle has been registered as provided in this act. For failure to make application for registration as provided in this section, a penalty of \$2 shall be added to other fees. When a person has a current motorcycle or passenger vehicle registration and license plate, including any registration decal affixed thereto, for a vehicle and has sold or otherwise disposed of the vehicle and has acquired another motorcycle or passenger vehicle and intends to transfer the registration and the license plate to the motorcycle or passenger vehicle acquired, but has not yet had the registration transferred in the office of the county treasurer, such person may operate the motorcycle or passenger vehicle acquired for a period of not to exceed 30 days by displaying the license plate on the rear of the vehicle acquired. If the acquired vehicle is a new vehicle such person also must carry the assigned certificate of title or manufacturer's statement of origin when operating the acquired vehicle, except that a dealer may operate such vehicle by displaying such dealer's dealer license plate.

(c) Certificate of title: No vehicle required to be registered or any license plate or registration decal issued therefor, unless the applicant for registration shall present satisfactory evidence of ownership and apply for an original certificate of title for such vehicle. The following paragraphs of this subsection shall apply to the issuance of a certificate of title for a nonhighway vehicle, salvage vehicle or rebuilt salvage vehicle, as defined in K.S.A. 8-197, and amendments thereto, except to the extent such paragraphs are made inapplicable by or are inconsistent with K.S.A. 8-198, and amendments thereto, and to any electronic certificate of title, except to the extent such paragraphs are made inapplicable by or are inconsistent with K.S.A. 2006 Supp. 8-135d, and amendments thereto, or with rules and regulations adopted pursuant to K.S.A. 2006 Supp. 8-135d, and amendments thereto.

The provisions of paragraphs (1) through (14) shall apply to any certificate of title issued prior to January 1, 2003, which indicates that there is a lien or encumbrance on such vehicle.

(1) An application for certificate of title shall be made by the owner or the owner's agent upon a form furnished by the division and shall state all liens or encumbrances thereon, and such other information as the division may require. Notwithstanding any other provision of this section, no certificate of title shall be issued for a vehicle having any unreleased lien or encumbrance thereon, unless the transfer of such vehicle has been consented to in writing by the holder of the lien or encumbrance. Such consent shall be in a form approved by the division. In the case of members of the armed forces of the United States while the United States is engaged at war with any foreign nation and for a period of six months next following the cessation of hostilities, such application may be signed by the owner's spouse, parents, brother or sister. The county treasurer shall use reasonable diligence in ascertaining whether the facts stated in such application are true, and if satisfied that the applicant is the lawful owner of such vehicle, or otherwise entitled to have the same registered in such applicant's name, shall so notify the division, who shall issue an appropriate certificate of title. The certificate of title shall be in a form approved by the division, and shall contain a statement

of any liens or encumbrances which the application shows, and such other information as the division determines.

(2) The certificate of title shall contain upon the reverse side a form for assignment of title to be executed by the owner. This assignment shall contain a statement of all liens or encumbrances on the vehicle at the time of assignment. The certificate of title shall also contain on the reverse side blank spaces so that an abstract of mileage as to each owner will be available. The seller at the time of each sale shall insert and certify the mileage and the purchase price on the form filed for application or reassignment of title, and the division shall insert such mileage on the certificate of title when issued to purchaser or assignee. The signature of the purchaser or assignee is required on the form filed for application or reassignment of title, acknowledging the odometer and purchase price certification made by the seller, except that vehicles which are 10 model years or older and trucks with a gross vehicle weight of more than 16,000 pounds shall be exempt from the mileage acknowledgment requirement of the purchaser or assignee. Such title shall indicate whether the vehicle for which it is issued has been titled previously as a nonhighway vehicle or salvage vehicle. In addition, the reverse side shall contain two forms for reassignment by a dealer, stating the liens or encumbrances thereon. The first form of reassignment shall be used only when a dealer sells the vehicle to another dealer. The second form of reassignment shall be used by a dealer when selling the vehicle to another dealer or the ultimate owner of the vehicle. The reassignment by a dealer shall be used only where the dealer resells the vehicle, and during the time that the vehicle remains in the dealer's possession for resale, the certificate of title shall be dormant. When the ownership of any vehicle passes by operation of law, or repossession upon default of a lease, security agreement, or executory sales contract, the person owning such vehicle, upon furnishing satisfactory proof to the county treasurer of such ownership, may procure a certificate of title to the vehicle. When a vehicle is registered in another state and is repossessed in another state, the owner of such vehicle shall not be entitled to obtain a valid Kansas title or registration, except that when a vehicle is registered in another state, but is financed originally by a financial institution chartered in the state of Kansas or when a financial institution chartered in Kansas purchases a pool of motor vehicle loans from the resolution trust corporation or a federal regulatory agency, and the vehicle is repossessed in another state, such Kansas financial institution shall be entitled to obtain a valid Kansas title or registration. In addition to any other fee required for the issuance of a certificate of title, any applicant obtaining a certificate of title for a repossessed vehicle shall pay a fee of \$3.

(3) Dealers shall execute, upon delivery to the purchaser of every new vehicle, a manufacturer's statement of origin stating the liens and encumbrances thereon. Such statement of origin shall be delivered to the purchaser at the time of delivery of the vehicle or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays. The agreement of the parties shall be executed on a form approved by the division. In the event delivery of title cannot be made personally, the seller may deliver the manufacturer's statement of origin by restricted mail to the address of purchaser shown on the purchase agreement. The manufacturer's statement of origin may include an attachment containing assignment of such statement of origin on forms approved by the division. Upon the presentation to the division of a manufacturer's statement of origin, by a manufacturer or dealer for a new vehicle, sold in this state, a certificate of title shall be issued if there is also an application for registration, except that no application for registration shall be required for a travel trailer used for living quarters and not operated on the highways.

(4) The fee for each original certificate of title shall be \$10 in addition to the fee for registration of such vehicle, trailer or semitrailer. The certificate of title shall be good for the life of the vehicle, trailer or semitrailer while owned or held by the original holder of the certificate of title.

(5) Except for a vehicle registered by a federally recognized Indian tribe, as provided in paragraph (16), upon sale and delivery to the purchaser of every vehicle subject to a purchase money security interest as provided in article 9 of chapter 84 of the Kansas Statutes Annotated, and amendments thereto, the dealer or secured party may complete a notice of security interest and when so completed, the purchaser shall execute the notice, in a form prescribed by the division, describing the vehicle and showing the name and address of the

secured party and of the debtor and other information the division requires. On and after July 1, 2007, only one lien shall be taken or accepted for vehicles with a gross vehicle weight rating of 26,000 pounds or less. As used in this section "gross vehicle weight rating" shall have the meaning ascribed thereto in K.S.A. 66-1,108, and amendments thereto. The dealer or secured party, within 30 days of the sale and delivery, may mail or deliver the notice of security interest, together with a fee of \$2.50, to the division. The notice of security interest shall be retained by the division until it receives an application for a certificate of title to the vehicle and a certificate of title is issued. The certificate of title shall indicate any security interest in the vehicle. Upon issuance of the certificate of title, the division shall mail or deliver confirmation of the receipt of the notice of security interest, the date the certificate of title is issued and the security interest indicated, to the secured party at the address shown on the notice of security interest. The proper completion and timely mailing or delivery of a notice of security interest by a dealer or secured party shall perfect a security interest in the vehicle ~~described, as referenced in K.S.A. 84-9-311, and amendments thereto~~, on the date of such mailing or delivery. The county treasurers shall mail a copy of the title application to the Kansas lienholder. Each county treasurer shall charge the Kansas lienholder a \$1.50 service fee for processing and mailing a copy of the title application to the Kansas lienholder.

(6) It shall be unlawful for any person to operate in this state a vehicle required to be registered under this act, or to transfer the title to any such vehicle to any person or dealer, unless a certificate of title has been issued as herein provided. In the event of a sale or transfer of ownership of a vehicle for which a certificate of title has been issued, which certificate of title is in the possession of the transferor at the time of delivery of the vehicle, the holder of such certificate of title shall endorse on the same an assignment thereof, with warranty of title in a form prescribed by the division and printed thereon and the transferor shall deliver the same to the buyer at the time of delivery to the buyer of the vehicle or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays, after the time of delivery. The agreement of the parties shall be executed on a form provided by the division. The requirements of this paragraph concerning delivery of an assigned title are satisfied if the transferor mails to the transferee by restricted mail the assigned certificate of title within the 30 days, and if the transferor is a dealer, as defined by K.S.A. 8-2401, and amendments thereto, such transferor shall be deemed to have possession of the certificate of title if the transferor has made application therefor to the division. The buyer shall then present such assigned certificate of title to the division at the time of making application for registration of such vehicle. A new certificate of title shall be issued to the buyer, upon payment of the fee of \$10. If such vehicle is sold to a resident of another state or country, the dealer or person making the sale shall notify the division of the sale and the division shall make notation thereof in the records of the division. When a person acquires a security interest that such person seeks to perfect on a vehicle subsequent to the issuance of the original title on such vehicle, such person shall require the holder of the certificate of title to surrender the same and sign an application for a mortgage title in form prescribed by the division. Upon such surrender such person shall immediately deliver the certificate of title, application, and a fee of \$10 to the division. *Delivery of the surrendered title, application and tender of the required fee shall perfect a security interest in the vehicle as referenced in K.S.A. 84-9-311, and amendments thereto.* On and after July 1, 2007, only one lien may be taken or accepted for security for an obligation to be secured by a lien to be shown on a certificate of title for vehicles with a gross vehicle weight rating, as defined in K.S.A. 66-1,108, and amendments thereto, of 26,000 pounds or less. A refinancing shall not be subject to the limitations of this act. A refinancing is deemed to occur when the original obligation is satisfied and replaced by a new obligation. Lien obligations created before July 1, 2007, which are of a continuing nature shall not be subject to the limitations of this act until the obligation is satisfied. A lien in violation of this provision is void. Upon receipt ~~thereof~~ *of the surrendered title, application and fee*, the division shall issue a new certificate of title showing the liens or encumbrances so created, but only one lien or encumbrance may be shown upon a title for vehicles with a gross vehicle rating of 26,000 pounds or less, and not more than two liens or encumbrances may be shown upon a title for vehicles in excess of 26,000 pounds gross vehicle weight rating. When a prior lienholder's name is removed from

the title, there must be satisfactory evidence presented to the division that the lien or encumbrance has been paid. When the indebtedness to a lienholder, whose name is shown upon a title, is paid in full, such lienholder shall comply with the provisions of K.S.A. 2006 Supp. 8-1,157, and amendments thereto.

(7) It shall be unlawful for any person to buy or sell in this state any vehicle required to be registered, unless, at the time of delivery thereof or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays, after the time of delivery, there shall pass between the parties a certificate of title with an assignment thereof. The sale of a vehicle required to be registered under the laws of this state, without assignment of the certificate of title, is fraudulent and void, unless the parties shall agree that the certificate of title with assignment thereof shall pass between them at a time other than the time of delivery, but within 30 days thereof. The requirements of this paragraph concerning delivery of an assigned title shall be satisfied if (A) the seller mails to the purchaser by restricted mail the assigned certificate of title within 30 days, or (B) if the transferor is a dealer, as defined by K.S.A. 8-2401, and amendments thereto, such seller shall be deemed to have possession of the certificate of title if such seller has made application therefor to the division, or (C) if the transferor is a dealer and has assigned a title pursuant to paragraph (9) of this subsection (c).

(8) In cases of sales under the order of a court of a vehicle required to be registered under this act, the officer conducting such sale shall issue to the purchaser a certificate naming the purchaser and reciting the facts of the sale, which certificate shall be prima facie evidence of the ownership of such purchaser for the purpose of obtaining a certificate of title to such motor vehicle and for registering the same. Any such purchaser shall be allowed 30 days, inclusive of weekends and holidays, from the date of sale to make application to the division for a certificate of title and for the registering of such motor vehicle.

(9) Any dealer who has acquired a vehicle, the title for which was issued under the laws of and in a state other than the state of Kansas, shall not be required to obtain a Kansas certificate of title therefor during the time such vehicle remains in such dealer's possession and at such dealer's place of business for the purpose of sale. The purchaser or transferee shall present the assigned title to the division of vehicles when making application for a certificate of title as provided in subsection (c)(1).

(10) Motor vehicles may be held and titled in transfer-on-death form.

(11) Notwithstanding the provisions of this act with respect to time requirements for delivery of a certificate of title, or manufacturer's statement of origin, as applicable, any person who chooses to reaffirm the sale in writing on a form approved by the division which advises them of their rights pursuant to paragraph (7) of subsection (c) and who has received and accepted assignment of the certificate of title or manufacturer's statement of origin for the vehicle in issue may not thereafter void or set aside the transaction with respect to the vehicle for the reason that a certificate of title or manufacturer's statement of origin was not timely delivered, and in such instances the sale of a vehicle shall not be deemed to be fraudulent and void for that reason alone.

(12) The owner of any vehicle assigning a certificate of title in accordance with the provisions of this section may file with the division a form indicating that such owner has assigned such certificate of title. Such forms shall be furnished by the division and shall contain such information as the division may require. Any owner filing a form as provided in this paragraph shall pay a fee of \$10. The filing of such form shall be prima facie evidence that such certificate of title was assigned and shall create a rebuttable presumption. If the assignee of a certificate of title fails to make application for registration, an owner assigning such title and filing the form in accordance with the provisions of this paragraph shall not be held liable for damages resulting from the operation of such vehicle.

(13) Application for a certificate of title on a boat trailer with a gross weight over 2,000 pounds shall be made by the owner or the owner's agent upon a form to be furnished by the division and shall contain such information as the division shall determine necessary. The division may waive any information requested on the form if it is not available. The application together with a bill of sale for the boat trailer shall be accepted as prima facie evidence that the applicant is the owner of the boat trailer, provided that a Kansas title for such trailer has not previously been issued. If the application and bill of sale are used to

obtain a certificate of title for a boat trailer under this paragraph, the certificate of title shall not be issued until an inspection in accordance with subsection (a) of K.S.A. 8-116a, and amendments thereto, has been completed.

(14) In addition to the two forms for reassignment under paragraph (2) of subsection (c), a dealer may attach one additional reassignment form to a certificate of title. The director of vehicles shall prescribe and furnish such reassignment forms. The reassignment form shall be used by a dealer when selling the vehicle to another dealer or the ultimate owner of the vehicle only when the two reassignment forms under paragraph (2) of subsection (c) have already been used. The fee for a reassignment form shall be \$6.50. A dealer may purchase reassignment forms in multiples of five upon making proper application and the payment of required fees.

(15) A first stage manufacturer, as defined in K.S.A. 8-2401, and amendments thereto, who manufactures a motor vehicle in this state, and who sells such motor vehicles to dealers located in a foreign country, may execute a manufacturers statement of origin to the division of vehicles for the purpose of obtaining an export certificate of title. The motor vehicle issued an export certificate of title shall not be required to be registered in this state. An export certificate of title shall not be used to register such vehicle in the United States.

(16) A security interest in a vehicle registered by a federally recognized Indian tribe shall be deemed valid under Kansas law if validly perfected under the applicable tribal law and the lien is noted on the face of the tribal certificate of title.”;

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Wagle, Allen, Apple, Barnett, Barone, Betts, Brownlee, Bruce, Brungardt, Donovan, Emler, Francisco, Gilstrap, Goodwin, Haley, Hensley, Huelskamp, Jordan, Journey, Kelly, Lee, Lynn, McGinn, Morris, Ostmeyer, Palmer, Petersen, Pine, Pyle, Reitz, D. Schmidt, V. Schmidt, Schodorf, Steineger, Taddiken, Teichman, Umbarger, Vratil, Wilson and Wysong introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1865—

A RESOLUTION congratulating and commending Irene Cumming on her achievements while serving as President and CEO of The University of Kansas Hospital.

WHEREAS, On October 1, 1998, armed with only ten days worth of operating cash, no endowment, and no tax appropriations, The University of Kansas Hospital began what would become one of the most remarkable turnarounds in modern hospital history; and

WHEREAS, Armed with a dedicated and talented staff of physicians, nurses and other health care professionals; a Hospital Authority Board dedicated to patient care; and a culture throughout the hospital laser-focused on quality, the accomplishments of The University of Kansas Hospital during Irene Cumming's tenure as president and CEO are astounding; and

WHEREAS, Since 1998, patient volume has grown by 50 percent to nearly 20,000 patients, shattering all existing patient volume records in the 100-year history of the hospital; and

WHEREAS, Financial health has improved steadily every year, with revenue climbing 185 percent to more than half a billion dollars since the Hospital Authority was established; and

WHEREAS, Financial strength has allowed significant capital investment in resources and facilities, totaling nearly \$450 million in the eight years following the establishment of the Hospital Authority. In comparison, the hospital was permitted only \$33 million in capital investment in the last five years it was under university control; and

WHEREAS, This financial strength has also permitted a 340 percent increase in support provided by the hospital for the university since 1998, with \$31 million this year alone; and

WHEREAS, After purchasing the outpatient cancer program from a for-profit corporation to which the university had transferred it in the 1990's, the hospital has invested \$75 million in cancer services - including the construction of the largest outpatient cancer center in the region, opening this summer on the hospital's Westwood campus; and

WHEREAS, In 2000, the heart program at the hospital was revitalized, culminating in the 2006 opening of the \$77 million Center for Advanced Heart Care; and

WHEREAS, The hospital became, and continues to be, the region's only nationally-accredited level I Trauma Center; and

WHEREAS, The hospital's Burnett Burn Center is the only adult/pediatric burn center in Kansas City accredited by the American College of Surgeons and the American Burn Association; and

WHEREAS, The quality and safety of patient care has improved dramatically and gained national recognition during Irene's stewardship. In 2006, the hospital ranked 11th among the nation's 81 academic medical centers in overall safety and quality rankings; and

WHEREAS, The hospital ranks in the top 17 percent of institutions in the University HealthSystem Consortium database in mortality; and

WHEREAS, The hospital earned Magnet designation from the American Nurses Credentialing Center of the American Nurses Association, the first designation for a Kansas-based hospital. Only 3.5 percent of the nation's health care organizations are Magnet hospitals; and

WHEREAS, The hospital received the first Annual Performance Achievement Award from the American Heart Association for stroke care in a six-state region; and

WHEREAS, The hospital's cancer program received the 2004 Commission on Cancer Outstanding Achievement Award, achieved by only eight percent of cancer programs in the country; and

WHEREAS, The hospital is a nationally recognized leader in the Institute for Healthcare Improvement's 100,000 Lives campaign; and

WHEREAS, The hospital pioneered the creation of partnerships between physicians and hospital staff to raise quality. The model was so successful it has been adopted by many institutions across the country; and

WHEREAS, Patient satisfaction ratings have climbed more than 900 percent since 1998; and

WHEREAS, At the close of fiscal year 2006, the hospital was first in patient satisfaction in the Kansas City area; and

WHEREAS, Employee turnover has dropped from 33 percent in 1998 to 11.69 percent, the lowest among Kansas City-area hospitals; and

WHEREAS, 61 percent of the hospital's nurses have BSN degrees, compared to a 33 percent national average. The hospital has the second lowest nursing turnover rate among large hospitals in Kansas City; and

WHEREAS, The hospital's staffed beds have nearly doubled, from 275 to 508; and

WHEREAS, The hospital has achieved all of this while still providing care for those who can't afford it. Fiscal year 2007 projections are to absorb nearly \$100 million in uncompensated care charges: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate and commend Irene Cumming on her stunning list of successes and achievements while serving as President and CEO of The University of Kansas Hospital and wish her continued success and happiness in the future; and

Be it further resolved: That the Secretary of the Senate provide an enrolled copy of this resolution to Irene Cumming and The University of Kansas Hospital.

On emergency motion of Senator Wagle **SR 1865** was adopted unanimously.

Senator Wagle introduced Irene Cumming, and members of the Senate joined her in congratulating and commending her on her stunning list of successes and achievements while serving as President and CEO of the University of Kansas Hospital. Accompanying her was Dr. William Reed.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

The Committee on Ways and Means introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1866—

A RESOLUTION opposing closure of United States Department of Agriculture Farm Service and Natural Resources Conservation Service offices in 11 counties.

WHEREAS, Kansas has a strong agricultural tradition that predates its statehood, and agriculture is a significant contributor to the state's economic well-being; and

WHEREAS, Cash receipts in 2005 for farm marketing in Kansas totaled \$9.9 billion, which is 4.2% of total cash receipts for farm marketing in the United States, placing Kansas sixth in the nation, according to the Kansas Department of Agriculture; and

WHEREAS, Closure of these offices by the United States Department of Agriculture contradicts two of the Department's primary missions which are to help revitalize rural America and help farmers produce a safe and abundant food supply; and

WHEREAS, Kansas farmers have had an integral part in producing the safest, most abundant food supply in the world; and

WHEREAS, Kansas produces more wheat and grain sorghum than any other state in the nation; and

WHEREAS, Kansas grown foods contribute to the health and well-being of people worldwide; and

WHEREAS, Kansas ranks seventh in farm products exports, which were \$2.7 billion in 2005; and

WHEREAS, One out of every five Kansans is employed in a job related to farming or food production; and

WHEREAS, Agriculture provides ingredients for products used in transportation, energy, health care, construction, manufacturing, printing, personal care, education and sports: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That the Senate is opposed to the closure of the United States Department of Agriculture Farm Service and Natural Resources Conservation Service offices in 11 Kansas counties; those counties being Morton, Gove, Comanche, Barber, Geary, Wabaunsee, Chase, Elk, Woodson, Leavenworth and Johnson; and

Be it further resolved: That Kansas is a vast geographical state containing 82,282 square miles, ranking 15th in geographic size in the nation, thus, close proximity for agricultural producers to United States Department of Agriculture offices is vitally important. Closure of these offices will negatively impact rural counties already economically challenged to maintain population, employment and quality of life; and

Be it further resolved: That the Secretary of the Senate be directed to send an enrolled copy of this resolution to the President of the United States, the Secretary of the United States Department of Agriculture, the Chairman of the House Committee on Agriculture, the Chairman of the Agriculture, Nutrition, and Forestry Committee of the United States Senate, and the Kansas Congressional Delegation.

On emergency motion of Senator Teichman **SR 1866** was adopted by voice vote.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

(g) The sentence for the violation of K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer or K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer and amendments thereto which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered a departure and shall not be subject to appeal.

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory

sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, *except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.*

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies or felony violations of the uniform controlled substances act, K.S.A. 65-4101 et seq., and amendments thereto, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of the uniform controlled substances act, K.S.A. 65-4101 et seq., and amendments thereto, or any substantially similar offense from another jurisdiction.

(l) The sentence for a violation of subsection (a) of K.S.A. 21-3715 and amendments thereto when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716 and amendments thereto shall be presumed imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism, such program is

available and the offender can be admitted to such program within a reasonable period of time; or

(2) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence pursuant to this section shall not be considered a departure and shall not be subject to appeal.”;

Senator Vratil moved the Senate adopt the Conference Committee Report on **SB 55**.

Senator Journey made a substitute motion to not adopt the Conference Committee Report and a second conference committee be appointed. The motion failed.

On roll call, the vote was: Yeas 24, Nays 13, Present and Passing 2, Absent or Not Voting 1.

Yeas: Allen, Apple, Barnett, Brownlee, Brungardt, Donovan, Emler, Gilstrap, Goodwin, Jordan, Lynn, McGinn, Morris, Palmer, Pine, Pyle, Reitz, Schmidt V, Taddiken, Teichman, Vratil, Wagle, Wilson, Wysong.

Nays: Barone, Betts, Francisco, Haley, Hensley, Huelskamp, Journey, Lee, Ostmeyer, Petersen, Schmidt D, Schodorf, Umbarger.

Present and Passing: Kelly, Steineger.

Absent or Not Voting: Bruce.

The Conference Committee report was adopted.

EXPLANATION OF VOTE

MR. PRESIDENT: I abstain from voting on **SB 55** simply because I have a conflict of interest.—LAURA KELLY

MR. PRESIDENT: Leading up to this vote I was torn about this legislation as I want to give Kansas citizens adequate protection of our laws. However, I don't believe the Consumer Protection Act is the appropriate vehicle to achieve this. To allow a system that would give plaintiffs a double barreled shot gun in potentially merit less lawsuits against good providers is something I cannot support. Therefore I vote yes on **SB 55**.—JULIA LYNN

MR. PRESIDENT: I vote AYE on **SB 55**. This is a carefully limited exception to the consumer protection act, which only applies to certain private causes of action under the act. It does not shield physicians or other health care providers from being held accountable for their actions, nor does it prevent an individual from filing consumer protection act claim against a health care provider for deceptive business practices. The bill just makes it clear that negligence and standard of care claims should be addressed through the medical malpractice tort system, and deceptive billing, advertising, or business disputes are addressed through the consumer protection act. The bill also preserves the ability of the attorney general, and district attorneys, to investigate and prosecute any alleged violation of the consumer protection act in the same manner that they are able to do so today. Without this legislation, there would be increased litigation, defense cost, malpractice insurance costs for health care providers, and higher health costs for all Kansans.—VICKI SCHMIDT

Senators Allen, Barnett, McGinn, Pine, Reitz and Teichman request the record to show they concur with the "Explanation of Vote" offered by Senator Schmidt on **SB 55**.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 103**, submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with House Committee of the Whole amendments, as follows:

On page 6, after line 32, by inserting the following:

"Sec. 3. K.S.A. 2006 Supp. 22-2802 is hereby amended to read as follows: 22-2802. (1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. If the person is being bound over for a felony, the bond shall also be conditioned on the person's appearance in the district court or by way of a two-way electronic audio-video communication as provided in subsection ~~(H)~~ (14) at the time required by the court to answer the charge against such person and at any time thereafter that the court requires. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

- (a) Place the person in the custody of a designated person or organization agreeing to supervise such person;
- (b) place restrictions on the travel, association or place of abode of the person during the period of release;
- (c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;
- (d) place the person under a house arrest program pursuant to K.S.A. 21-4603b, and amendments thereto; or

(e) place the person under the supervision of a court services officer responsible for monitoring the person's compliance with any conditions of release ordered by the magistrate.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug abuser or incapacitated by drugs, to submit to treatment for such drug abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond ~~by sureties pursuant to paragraph (3)~~. *Except as provided in paragraph (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. The court may not exclude the option of posting bond pursuant to paragraph (3).*

(5) *Except as provided further, the amount of the appearance bond shall be the same whether executed as described in subsection (3) or posted with a deposit of cash as described in subsection (4). When the appearance bond has been set at \$2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or 10 nonperson felony, a drug severity level 4 felony or a violation of K.S.A. 8-1567, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:*

- (A) *Is a resident of the state of Kansas;*
- (B) *has a criminal history score category of C, H or I;*
- (C) *has no prior history of failure to appear for any court appearances;*
- (D) *has no detainer or hold from any other jurisdiction;*
- (E) *has not been extradited from, and is not awaiting extradition to, another state; and*
- (F) *has not been detained for an alleged violation of probation.*

(6) *In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.*

(7) *The court shall not impose any administrative fee.*

~~(8)~~ (8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

~~(9)~~ (9) The appearance bond shall set forth all of the conditions of release.

~~(10)~~ (10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

~~(11)~~ (11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of

release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection ~~(7)~~ (10) shall apply.

~~(9)~~ (12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

~~(10)~~ (13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

~~(11)~~ (14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

~~(12)~~ (15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed \$10 per week of such supervision.

Sec. 4. K.S.A. 22-2803 is hereby amended to read as follows: 22-2803. A person who remains in custody after review of such person's application pursuant to subsection ~~(6)~~ or ~~(7)~~ (9) or (10) of K.S.A. 22-2802 and amendments thereto by a district magistrate judge may apply to a district judge of the judicial district in which the charge is pending to modify the order fixing conditions of release. Such motion shall be determined promptly.

Sec. 5. K.S.A. 2006 Supp. 22-2807 is hereby amended to read as follows: 22-2807. (1) ~~If there is a breach of condition of a defendant fails to appear as directed by the court and guaranteed by an appearance bond, the court in which the bond is deposited shall declare a forfeiture of the bail.~~

(2) *An appearance bond may only be forfeited by the court upon a failure to appear. If a defendant violates any other condition of bond, the bond may be revoked and the defendant remanded to custody. The magistrate shall forthwith set a new bond pursuant to requirements of K.S.A. 22-2802, and amendments thereto.*

(3) The court may direct that a forfeiture be set aside, upon such conditions as the court may impose, if it appears that justice does not require the enforcement of the forfeiture. *If the surety can prove that the defendant is incarcerated somewhere within the United States prior to judgment of default then the court shall set aside the forfeiture. Upon the defendant's return, the surety may be ordered to pay the costs of that return.*

~~(4)~~ (4) When a forfeiture has not been set aside, the court shall on motion enter a judgment of default and execution may issue thereon. If the forfeiture has been decreed by a district magistrate judge and the amount of the bond exceeds the limits of the civil jurisdiction prescribed by law for a district magistrate judge, the judge shall notify the chief judge in writing of the forfeiture and the matter shall be assigned to a district judge who, on motion, shall enter a judgment of default. By entering into a bond the obligors submit to the jurisdiction of any court having power to enter judgment upon default and irrevocably appoint the clerk of that court as their agent upon whom any papers affecting their liability may be served. Their liability may be enforced on motion without the necessity of an independent action. The motion and notice thereof may be served on the clerk of the court, who shall forthwith mail copies to the obligors to their last known addresses. No default judgment shall be entered against the obligor in an appearance bond until more than 10 days after notice is served as provided herein.

~~(5)~~ (5) After entry of such judgment, the court may remit it in whole or in part under the conditions applying to the setting aside of forfeiture in subsection ~~(2)~~ (3).";

established in the state treasury. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

Revenue that is received from the imposition of a local retailers' sales tax which exceeds the amount of revenue required to pay the costs of a special project for which such revenue was pledged shall be credited to the city or county general fund, as the case requires.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk or treasurer or finance officer of such city or county within a reasonable time after it has been requested from the director of taxation. The director of taxation shall be allowed to assess a reasonable fee for the issuance of such report. Information received by any city or county pursuant to this section shall be confidential, and it shall be unlawful for any officer or employee of such city or county to divulge any such information in any manner. Any violation of this paragraph by a city or county officer or employee is a class A misdemeanor, and such officer or employee shall be dismissed from office. Reports of violations of this paragraph shall be investigated by the attorney general. The district attorney or county attorney and the attorney general shall have authority to prosecute violations of this paragraph.

Sec. 8. K.S.A. 2006 Supp. 12-192 is hereby amended to read as follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) As an alternative and in lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of .75% or 1% after the effective date of this act may be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population

of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (6), (7), (8), (9), (12), (14), (15), (16) ~~or~~, (17), (18), (19) or (20) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

“Sec. 9. K.S.A. 2006 Supp. 44-717 is hereby amended to read as follows: 44-717. (a) (1) *Penalties on past-due reports, interest on past-due contributions, payments in lieu of contributions and benefit cost payments.* Any employer or any officer or agent of an employer, who fails to file any wage report or contribution return by the last day of the month following the close of each calendar quarter to which they are related shall pay a penalty as provided by this subsection (a) for each month or fraction of a month until the report or return is received by the secretary of labor. The penalty for each month or fraction of a month shall be an amount equal to .05% of the total wages paid by the employer during the quarter, except that no penalty shall be less than \$25 nor more than \$200 for each such report or return not timely filed. Contributions and benefit cost payments unpaid by the last day of the month following the last calendar quarter to which they are related and payments in lieu of contributions unpaid 30 days after the mailing of the statement of benefit charges, shall bear interest at the rate of 1% per month or fraction of a month until payment is received by the secretary of labor except that an employing unit, which is not theretofore subject to this law and which becomes an employer and does not refuse to make the reports, returns and contributions, payments in lieu of contributions and benefit cost payments required under this law, shall not be liable for such penalty or interest if the wage reports and contribution returns required are filed and the contributions, payments in lieu of contributions or benefit cost payments required are paid within 10 days following notification by the secretary of labor that a determination has been made fixing its status as an employer subject to this law. Upon written request and good cause shown, the secretary of labor may abate any penalty or interest or portion thereof provided for by this subsection (a). Interest amounting to less than \$1 shall be waived by the secretary of labor and shall not be collected. Penalties and interest collected pursuant to this subsection shall be paid into the special employment security fund. For all purposes under this section, amounts assessed as surcharges under subsection (j) or under K.S.A. 44-710a, and amendments thereto, shall be considered to be contributions and shall be subject to penalties and interest imposed under this section and to collection in the manner provided by this section. For purposes of this subsection, a wage report, a contribution return, a contribution, a payment in lieu of contribution or a benefit cost payment is deemed to be filed or paid as of the date it is placed in the United States mail.

(2) Notices of payment and reporting delinquency to Indian tribes or their tribal units shall include information that failure to make full payment within the prescribed time frame:

- (i) will cause the Indian tribe to be liable for taxes under FUTA;
- (ii) will cause the Indian tribe to lose the option to make payments in lieu of contributions;
- (iii) could cause the Indian tribe to be excepted from the definition of “employer,” as provided in paragraph (h)(3) of K.S.A. 44-703, and amendments thereto, and services in the employ of the Indian tribe, as provided in paragraph (i)(3)(E) of K.S.A. 44-703, and amendments thereto, to be excepted from “employment.”

(b) *Collection.* (1) If, after due notice, any employer defaults in payment of any penalty, contributions, payments in lieu of contributions, benefit cost payments, or interest thereon the amount due may be collected by civil action in the name of the secretary of labor and the employer adjudged in default shall pay the cost of such action. Civil actions brought under this section to collect contributions, payments in lieu of contributions, benefit cost payments, penalties, or interest thereon from an employer shall be heard by the district court at the earliest possible date and shall be entitled to preference upon the calendar of the court over all other civil actions except petitions for judicial review under this act and cases arising under the workmen’s compensation act. All liability determinations of contributions due, payments in lieu of contributions or benefit cost payments due shall be made within a period of five years from the date such contributions, payments in lieu of contri-

butions or benefit cost payments were due except such determinations may be made for any time when an employer has filed fraudulent reports with intent to evade liability.

(2) Any employing unit which is not a resident of this state and which exercises the privilege of having one or more individuals perform service for it within this state and any resident employing unit which exercises that privilege and thereafter removes from this state, shall be deemed thereby to appoint the secretary of state as its agent and attorney for the acceptance of process in any civil action under this subsection. In instituting such an action against any such employing unit the secretary of labor shall cause such process or notice to be filed with the secretary of state and such service shall be sufficient service upon such employing unit and shall be of the same force and validity as if served upon it personally within this state. The secretary of labor shall send notice immediately of the service of such process or notice, together with a copy thereof, by registered or certified mail, return receipt requested, to such employing unit at its last-known address and such return receipt, the affidavit of compliance of the secretary of labor with the provisions of this section, and a copy of the notice of service, shall be appended to the original of the process filed in the court in which such civil action is pending.

(3) Any contractor, who is or becomes an employer under the provisions of this act, who contracts with any subcontractor, who also is or becomes an employer under the provisions of this act, shall be directly liable for such contributions, penalties and interest due from the subcontractor and the secretary of labor shall have all of the remedies of collection against the contractor under the provisions of this act as though the services in question were performed directly for the contractor, unless the contractor requires the subcontractor to provide a good and sufficient bond guaranteeing payment of all contributions, penalties and interest due or to become due with respect to wages paid for employment on the contract. For the purpose of this subsection (b)(3), the words, "contractor" and "subcontractor" mean and include individuals, partnerships, firms or corporations, or other associations of persons engaged in the business of the construction, alteration, repairing, dismantling or demolition of buildings, roads, bridges, viaducts, sewers, water and gas mains, streets, disposal plants, water filters, tanks and towers, airports, dams, levees and canals, oil and gas wells, water wells, pipelines, and every other type of structure, project, development or improvement coming within the definition of real property.

~~(4)~~ The district courts of this state shall entertain, in the manner provided in subsections (b)(1), (b)(2) and ~~(b)(3)~~ and (b)(2), actions to collect contributions, payments in lieu of contributions, benefit cost payments and other amounts owed including interest thereon for which liability has accrued under the employment security law of any other state or of the federal government.

(c) *Priorities under legal dissolutions or distributions.* In the event of any distribution of employer's assets pursuant to an order of any court under the laws of this state, including but not limited to any probate proceeding, interpleader, receivership, assignment for benefit of creditors, adjudicated insolvency, composition or similar proceedings, contributions or payments in lieu of contributions then or thereafter due shall be paid in full from the moneys which shall first come into the estate, prior to all other claims, except claims for wages of not more than \$250 to each claimant, earned within six months of the commencement of the proceedings. In the event of an employer's adjudication in bankruptcy, judicially confirmed extension proposal, or composition, under the federal bankruptcy act of 1898, as amended, contributions then or thereafter due shall be entitled to such priority as is provided in that act for taxes due any state of the United States.

(d) *Assessments.* If any employer fails to file a report or return required by the secretary of labor for the determination of contributions, or payments in lieu of contributions, or benefit cost payments, the secretary of labor may make such reports or returns or cause the same to be made, on the basis of such information as the secretary may be able to obtain and shall collect the contributions, payments in lieu of contributions or benefit cost payments as determined together with any interest due under this act. The secretary of labor shall immediately forward to the employer a copy of the assessment by registered or certified mail to the employer's address as it appears on the records of the agency, and such assessment shall be final unless the employer protests such assessment and files a corrected report or return for the period covered by the assessment within 15 days after the mailing of the

copy of assessment. Failure to receive such notice shall not invalidate the assessment. Notice in writing shall be presumed to have been given when deposited as certified or registered matter in the United States mail, addressed to the person to be charged with notice at such person's address as it appears on the records of the agency.

(e) (1) *Lien.* If any employer or person who is liable to pay contributions, payments in lieu of contributions or benefit cost payments neglects or refuses to pay the same after demand, the amount, including interest and penalty, shall be a lien in favor of the state of Kansas, secretary of labor, upon all property and rights to property, whether real or personal, belonging to such employer or person. Such lien shall not be valid as against any mortgagee, pledgee, purchaser or judgment creditor until notice thereof has been filed by the secretary of labor in the office of register of deeds in any county in the state of Kansas, in which such property is located, and when so filed shall be notice to all persons claiming an interest in the property of the employer or person against whom filed. The register of deeds shall enter such notices in the financing statement record and shall also record the same in full in miscellaneous record and index the same against the name of the delinquent employer. The register of deeds shall accept, file, and record such notice without prepayment of any fee, but lawful fees shall be added to the amount of such lien and collected when satisfaction is presented for entry. Such lien shall be satisfied of record upon the presentation of a certificate of discharge by the state of Kansas, secretary of labor. Nothing contained in this subsection (e) shall be construed as an invalidation of any lien or notice filed in the name of the unemployment compensation division or the employment security division and such liens shall be and remain in full force and effect until satisfied as provided by this subsection (e).

(2) *Authority of secretary or authorized representative.* If any employer or person who is liable to pay any contributions, payments in lieu of contributions or benefit cost payments, including interest and penalty, neglects or refuses to pay the same within 10 days after notice and demand therefor, the secretary or the secretary's authorized representative may collect such contributions, payments in lieu of contributions or benefit cost payments, including interest and penalty, and such further amount as is sufficient to cover the expenses of the levy, by levy upon all property and rights to property which belong to the employer or person or which have a lien created thereon by this subsection (e) for the payment of such contributions, payments in lieu of contributions or benefit cost payments, including interest and penalty. As used in this subsection (e), "property" includes all real property and personal property, whether tangible or intangible, except such property which is exempt under K.S.A. 60-2301 *et seq.* and amendments thereto. Levy may be made upon the accrued salary or wages of any officer, employee or elected official of any state or local governmental entity which is subject to K.S.A. 60-723, and amendments thereto, by serving a notice of levy as provided in subsection (d) of K.S.A. 60-304 and amendments thereto. If the secretary or the secretary's authorized representative makes a finding that the collection of the amount of such contributions, payments in lieu of contributions or benefit cost payments, including interest and penalty, is in jeopardy, notice and demand for immediate payment of such amount may be made by the secretary or the secretary's authorized representative and, upon failure or refusal to pay such amount, immediate collection of such amount by levy shall be lawful without regard to the 10-day period provided in this subsection (e).

(3) *Seizure and sale of property.* The authority to levy granted under this subsection (e) includes the power of seizure by any means. A levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the secretary or the secretary's authorized representative may levy upon property or rights to property, the secretary or the secretary's authorized representative may seize and sell such property or rights to property.

(4) *Successive seizures.* Whenever any property or right to property upon which levy has been made under this subsection (e) is not sufficient to satisfy the claim of the secretary for which levy is made, the secretary or the secretary's authorized representative may proceed thereafter and as often as may be necessary, to levy in like manner upon any other property or rights to property which belongs to the employer or person against whom such claim exists or upon which a lien is created by this subsection (e) until the amount due from the employer or person, together with all expenses, is fully paid.

(f) *Warrant.* In addition or as an alternative to any other remedy provided by this section and provided that no appeal or other proceeding for review permitted by this law shall then be pending and the time for taking thereof shall have expired, the secretary of labor or an authorized representative of the secretary may issue a warrant certifying the amount of contributions, payments in lieu of contributions, benefit cost payments, interest or penalty, and the name of the employer liable for same after giving 15 days prior notice. Upon request, service of final notices shall be made by the sheriff within the sheriff's county, by the sheriff's deputy or some person specially appointed by the secretary for that purpose, or by the secretary's designee. A person specially appointed by the secretary or the secretary's designee to serve final notices may make service any place in the state. Final notices shall be served as follows:

(1) *Individual.* Service upon an individual, other than a minor or incapacitated person, shall be made by delivering a copy of the final notice to the individual personally or by leaving a copy at such individual's dwelling house or usual place of abode with some person of suitable age and discretion then residing therein, by leaving a copy at the business establishment of the employer with an officer or employee of the establishment, or by delivering a copy to an agent authorized by appointment or by law to receive service of process, but if the agent is one designated by a statute to receive service, such further notice as the statute requires shall be given. If service as prescribed above cannot be made with due diligence, the secretary or the secretary's designee may order service to be made by leaving a copy of the final notice at the employer's dwelling house, usual place of abode or business establishment.

(2) *Corporations and partnerships.* Service upon a domestic or foreign corporation or upon a partnership or other unincorporated association, when by law it may be sued as such, shall be made by delivering a copy of the final notice to an officer, partner or resident managing or general agent thereof by leaving a copy at any business office of the employer with the person having charge thereof or by delivering a copy to any other agent authorized by appointment or required by law to receive service of process, if the agent is one authorized by law to receive service and, if the law so requires, by also mailing a copy to the employer.

(3) *Refusal to accept service.* In all cases when the person to be served, or an agent authorized by such person to accept service of petitions and summonses, shall refuse to receive copies of the final notice, the offer of the duly authorized process server to deliver copies thereof and such refusal shall be sufficient service of such notice.

(4) *Proof of service.* (A) Every officer to whom a final notice or other process shall be delivered for service within or without the state, shall make return thereof in writing stating the time, place and manner of service of such writ, and shall sign such officer's name to such return.

(B) If service of the notice is made by a person appointed by the secretary or the secretary's designee to make service, such person shall make an affidavit as to the time, place and manner of service thereof in a form prescribed by the secretary or the secretary's designee.

(5) *Time for return.* The officer or other person receiving a final notice shall make a return of service promptly and shall send such return to the secretary or the secretary's designee in any event within 10 days after the service is effected. If the final notice cannot be served it shall be returned to the secretary or the secretary's designee within 30 days after the date of issue with a statement of the reason for the failure to serve the same. The original return shall be attached to and filed with any warrant thereafter filed.

(6) *Service by mail.* (A) Upon direction of the secretary or the secretary's designee, service by mail may be effected by forwarding a copy of the notice to the employer by registered or certified mail to the employer's address as it appears on the records of the agency. A copy of the return receipt shall be attached to and filed with any warrant thereafter filed.

(B) The secretary of labor or an authorized representative of the secretary may file the warrant for record in the office of the clerk of the district court in the county in which the employer owing such contributions, payments in lieu of contributions, benefit cost payments, interest, or penalty has business property. The warrant shall certify the amount of contri-

butions, payments in lieu of contributions, benefit cost payments, interest and penalty due, and the name of the employer liable for such amount. It shall be the duty of the clerk of the district court to file such warrant of record and enter the warrant in the records of the district court for judgment and decrees under the procedure prescribed for filing transcripts of judgment.

(C) The clerk shall enter, on the day the warrant is filed, the case on the appearance docket, together with the amount and the time of filing the warrant. From the time of filing such warrant, the amount of the contributions, payments in lieu of contributions, benefit cost payments, interest, and penalty, certified therein, shall have the force and effect of a judgment of the district court until the same is satisfied by the secretary of labor or an authorized representative or attorney for the secretary. Execution shall be issuable at the request of the secretary of labor, an authorized representative or attorney for the secretary, as is provided in the case of other judgments.

(D) Postjudgment procedures shall be the same as for judgments according to the code of civil procedure.

(E) Warrants shall be satisfied of record by payment to the clerk of the district court of the contributions, payments in lieu of contributions, benefit cost payments, penalty, interest to date, and court costs. Warrants may also be satisfied of record by payment to the clerk of the district court of all court costs accrued in the case and by filing a certificate by the secretary of labor, certifying that the contributions, payments in lieu of contributions, benefit cost payments, interest and penalty have been paid.

(g) *Remedies cumulative.* The foregoing remedies shall be cumulative and no action taken shall be construed as an election on the part of the state or any of its officers to pursue any remedy or action under this section to the exclusion of any other remedy or action for which provision is made.

(h) *Refunds.* If any individual, governmental entity or organization makes application for refund or adjustment of any amount paid as contributions, benefit cost payments or interest under this law and the secretary of labor determines that such amount or any portion thereof was erroneously collected, except for amounts less than \$1, the secretary of labor shall allow such individual or organization to make an adjustment thereof, in connection with subsequent contribution payments, or if such adjustment cannot be made the secretary of labor shall refund the amount, except for amounts less than \$1, from the employment security fund, except that all interest erroneously collected which has been paid into the special employment security fund shall be refunded out of the special employment security fund. No adjustment or refund shall be allowed with respect to a payment as contributions, benefit cost payments or interest unless an application therefor is made on or before whichever of the following dates is later: (1) One year from the date on which such payment was made; or (2) three years from the last day of the period with respect to which such payment was made. For like cause and within the same period adjustment or refund may be so made on the secretary's own initiative. The secretary of labor shall not be required to refund any contributions, payments in lieu of contributions or benefit cost payments based upon wages paid which have been used as base-period wages in a determination of a claimant's benefit rights when justifiable and correct payments have been made to the claimant as the result of such determination. For all taxable years commencing after December 31, 1997, interest at the rate prescribed in K.S.A. 79-2968, and amendments thereto, shall be allowed on a contribution or benefit cost payment which the secretary has determined was erroneously collected pursuant to this section.

(i) (1) *Cash deposit or bond.* If any contributing employer is delinquent in making payments under the employment security law during any two quarters of the most recent four-quarter period, the secretary or the secretary's authorized representative shall have the discretionary power to require such contributing employer either to deposit cash or to file a bond with sufficient sureties to guarantee the payment of contributions, penalty and interest owed by such employer.

(2) The amount of such cash deposit or bond shall be not less than the largest total amount of contributions, penalty and interest reported by the employer in two of the four calendar quarters preceding any delinquency. Such cash deposit or bond shall be required

until the employer has shown timely filing of reports and payment of contributions for four consecutive calendar quarters.

(3) Failure to file such cash deposit or bond shall subject the employer to a surcharge of 2.0% which shall be in addition to the rate of contributions assigned to the employer under K.S.A. 44-710a and amendments thereto. Contributions paid as a result of this surcharge shall not be credited to the employer's experience rating account. This surcharge shall be effective during the next full calendar year after its imposition and during each full calendar year thereafter until the employer has filed the required cash deposit or bond or has shown timely filing of reports and payment of contributions for four consecutive calendar quarters.

(j) Any officer, major stockholder or other person who has charge of the affairs of an employer, which is an employing unit described in section 501(c)(3) of the federal internal revenue code of 1954 or which is any other corporate organization or association, or any member or manager of a limited liability company, or any public official, who willfully fails to pay the amount of contributions, payments in lieu of contributions or benefit cost payments required to be paid under the employment security law on the date on which such amount becomes delinquent, shall be personally liable for the total amount of the contributions, payments in lieu of contributions or benefit cost payments and any penalties and interest due and unpaid by such employing unit. The secretary or the secretary's authorized representative may assess such person for the total amount of contributions, payments in lieu of contributions or benefit cost payments and any penalties, and interest computed as due and owing. With respect to such persons and such amounts assessed, the secretary shall have available all of the collection remedies authorized or provided by this section.”;

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to **HB 2476**, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed as Senate Substitute for House Bill No. 2476, as follows:

On page 1, by striking all in lines 13 through 43;

By striking all on pages 2 through 5;

On page 6, by striking all in lines 1 through 37 and inserting:

“New Section 1. A person owning or occupying a homestead that is not rental property and for which the appraised valuation for property tax purposes exceeds \$350,000 in any year shall not be entitled to claim a refund of property taxes under the homestead property tax refund act for any such year. The provisions of this section shall be part of and supplemental to the homestead property tax refund act.

New Sec. 2. If there are delinquent property taxes on the claimant’s homestead, the refund shall be paid to the county treasurer of the county in which such homestead is located and applied first to the oldest of such delinquent property taxes and applied forward to the most recent delinquent property taxes and then to any other property taxes due on the claimant’s homestead. The provisions of this section shall be part of and supplemental to the homestead property tax refund act.

Sec. 3. K.S.A. 2006 Supp. 79-4502 is hereby amended to read as follows: 79-4502. As used in this act, unless the context clearly indicates otherwise:

(a) “Income” means the sum of adjusted gross income under the Kansas income tax act, maintenance, support money, cash public assistance and relief, not including any refund granted under this act, the gross amount of any pension or annuity, including all monetary retirement benefits from whatever source derived, including but not limited to, all payments received under the railroad retirement act, except disability payments ~~and all payments received under the federal social security act except disability payments~~, *payments received under the federal social security act, except that for determination of what constitutes income such amount shall not exceed 50% of any such social security payments*, all dividends and interest from whatever source derived not included in adjusted gross income, workers compensation and the gross amount of “loss of time” insurance. Income does not include gifts from nongovernmental sources or surplus food or other relief in kind supplied by a governmental agency, nor shall net operating losses and net capital losses be considered in the determination of income. Income does not include veterans disability pensions. *Income does not include disability payments received under the federal social security act.*

(b) “Household” means a claimant, a claimant and spouse who occupy the homestead or a claimant and one or more individuals not related as husband and wife who together occupy a homestead.

(c) “Household income” means all income received by all persons of a household in a calendar year while members of such household.

(d) "Homestead" means the dwelling, or any part thereof, whether owned or rented, which is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (1) A person having a disability; (2) a person who is 55 years of age or older or (3) a person other than a person included under (1) or (2) having one or more dependent children under 18 years of age residing at the person's homestead during the calendar year immediately preceding the year in which a claim is filed under this act.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of $\frac{20}{500}$ or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $\frac{20}{300}$ or less.

(i) "Rent constituting property taxes accrued" means ~~20%~~ 15% of the gross rent actually paid in cash or its equivalent in ~~1979~~ 2007 or any taxable year thereafter by a claimant and claimant's household solely for the right of occupancy of a Kansas homestead on which ad valorem property taxes were levied in full for that year. When a household occupies two or more different homesteads in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the household while occupied by the household as its homestead during the year.

(j) "Gross rent" means the rental paid at arm's length solely for the right of occupancy of a homestead or space rental paid to a landlord for the parking of a mobile home, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arms length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purposes of the claim.

Sec. 4. K.S.A. 2006 Supp. 79-4504 is hereby amended to read as follows: 79-4504. Subject to the limitations provided in this act or the provisions of K.S.A. 79-4530, and amendments thereto, as the case requires, a claimant may claim property tax relief under the homestead property tax refund act or the provisions of K.S.A. 79-4530, and amendments thereto, with respect to property taxes accrued, and after audit by the division of taxation with respect to homestead property tax refund act, the allowable amount of such claim shall be paid, except as otherwise provided in K.S.A. 79-4506, 79-4521 and section 2, and amendments thereto, to the claimant from the income tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation or by any person designated by the claimant, but no warrant issued hereunder shall be drawn in an amount of less than \$5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

Sec. 5. K.S.A. 79-4509 is hereby amended to read as follows: 79-4509. In the event property taxes accrued, rent constituting property taxes accrued or their sum exceeds ~~\$600~~ \$700 for a household in any one year, the amount thereof shall, for purposes of this act, be deemed to have been ~~\$600~~ \$700.

Sec. 6. K.S.A. 79-4511 is hereby amended to read as follows: 79-4511. (a) Every claimant under this act shall supply to the division, in support of a claim, reasonable proof of age or disability, and changes of homestead, household membership, household income, and size and nature of property claimed as the homestead. A claim alleging disability shall be supported by a report of the examining physician of the claimant with a statement or certificate that the applicant has a disability within the meaning of subsection (g) of K.S.A. 79-4502 and amendments thereto.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the division, in support of a claim, ~~a copy of the statement~~ the amount of property taxes levied upon the property claimed as a homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant ~~and that there are no delinquent property taxes on the homestead.~~ Upon request by the division, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) Every claimant who is a homestead renter, or whose claim is based wholly or partly upon homestead rental at some time during the calendar year, shall supply to the division, in support of a claim, a statement prescribed by the director certifying the amount of gross rent paid and that ad valorem property taxes were levied in full for that year on the property, all or a part of which was rented by the claimant. *When such claimant reports household income that is 150% or less of the homestead rental amount and such claimant has failed to provide any documentation or information requested by the division to verify such household income in support of a claim as required pursuant to subsection (a), within 30 days of such request, such homestead property tax refund claim shall be denied.*

(d) The information required to be furnished under subsections (b) or (c) shall be in addition to that required under subsection (a).

Sec. 7. K.S.A. 79-4509 and 79-4511 and K.S.A. 2006 Supp. 79-4502 and 79-4504 are hereby repealed.”;

And by renumbering section 4 as section 8;

On page 1, in the title, in line 9, by striking all after “concerning”; by striking all in line 10 and inserting the following: “taxation; relating to homestead property tax refunds; amending K.S.A. 79-4509 and 79-4511 and K.S.A. 2006 Supp. 79-4502 and 79-4504 and repealing the existing sections.”;

(E) licenses issued to persons who are less than 21 years of age shall expire on the licensee's twenty-first birthday.

(2) All renewals under: (A) Paragraph (1) (A) shall expire on every sixth anniversary of the date of birth of the licensee; (B) paragraph (1) (B) and (C) shall expire on every fourth anniversary of the date of birth of the licensee; (C) paragraph (1)(D) shall expire every year on the date of birth of the licensee; and (D) paragraph (1) (E), if a renewal license is issued, shall expire on the licensee's twenty-first birthday. (b) If the driver's license of any person expires while such person is outside of the state of Kansas and on active duty in the armed forces of the United States, the license of such

person shall be renewable, without examination, at any time prior to the end of the sixth month following the discharge of such person from the armed forces, or within 90 days after reestablished residence within the state, whichever time is sooner. ~~If the driver's license of any person expires while such person is outside the United States, the division shall provide for renewal by mail.~~

Application for renewal of a valid driver's license shall be made to the division in accordance with rules and regulations adopted by the secretary of revenue. Such application shall contain all the requirements of subsection (b) of K.S.A. 8-240, and amendments thereto. Upon satisfying the foregoing requirements of this subsection, and if the division makes the findings required by K.S.A. 8-235b, and amendments thereto, for the issuance of an original license, the license shall be renewed without examination of the applicant's driving ability. If the division finds that any of the statements relating to revocation, suspension or refusal of licenses required under subsection (b) of K.S.A. 8-240, and amendments thereto, are in the affirmative, or if it finds that the license held by the applicant is not a valid one, or if the applicant has failed to make application for renewal of such person's license on or before the expiration date thereof, the division may require the applicant to take an examination of ability to exercise ordinary and reasonable control in the operation of a motor vehicle as provided in K.S.A. 8-235d, and amendments thereto.

(e) (1) Prior to renewal of a driver's license, the applicant shall pass an examination of eyesight and a written examination of ability to read and understand highway signs regulating, warning and directing traffic and knowledge of the traffic laws of this state. Such examination shall be equivalent to the tests required for an original driver's license under K.S.A. 8-235d, and amendments thereto. A driver's license examiner shall administer the examinations without charge and shall report the results of the examinations on a form provided by the division, which shall be submitted by the applicant to the division at the time such applicant applies for license renewal.

(2) In lieu of the examination of the applicant's eyesight by the examiner, the applicant may submit a report on the examination of eyesight by a physician licensed to practice medicine and surgery or by a licensed optometrist. The report shall be based on an examination of the applicant's eyesight not more than three months prior to the date the report is submitted, and it shall be made on a form furnished the applicant with the notice of the expiration of license under subsection (c).

(3) In lieu of the driver's license examiner administering the written examination, the applicant may complete the examination furnished with the notice of the expiration of license under subsection (c) and submit the completed examination to the division.

(4) The division shall determine whether the results of the written examination and the eyesight reported are sufficient for renewal of the license and, if the results of either or both of the examinations are insufficient, the division shall notify the applicant of such fact and return the license fee. In determining the sufficiency of an applicant's eyesight, the division may request an advisory opinion of the medical advisory board, which is hereby authorized to render such opinions.

(5) An applicant who is denied a license under this subsection (e) may reapply for renewal of such person's driver's license, except that if such application is not made within 90 days of the date the division sent notice to the applicant that the license would not be renewed, the applicant shall proceed as if applying for an original driver's license. If the applicant has been denied renewal of such person's driver's license because such applicant failed to pass the written examination, the applicant shall pay an examination fee of \$1.50 to take the test again.

(6) When the division has good cause to believe that an applicant for renewal of a driver's license is incompetent or otherwise not qualified to operate a motor vehicle in accord with the public safety and welfare, the division may require such applicant to submit to such additional examinations as are necessary to determine that the applicant is qualified to receive the license applied for. Subject to paragraph (7) of this subsection, in so evaluating such qualifications, the division may request an advisory opinion of the medical advisory board which is hereby authorized to render such opinions in addition to its duties prescribed by subsection (b) of K.S.A. 8-255b, and amendments thereto. (7) Seizure disorders which are controlled shall not be considered a disability. In cases where such seizure disorders are not controlled, the director or the medical advisory board may recommend that such person be issued a driver's license to drive class C or M vehicles and restricted to operating such vehicles as the division determines to be appropriate to assure the safe operation of a motor vehicle by the licensee. Restricted licenses issued pursuant to this paragraph shall be subject to suspension or revocation. For the purpose of this paragraph, seizure disorders which are controlled means that the licensee has not sustained a seizure involving a loss of consciousness in the waking state within six months preceding the application or renewal of a driver's license and whenever a person licensed to practice medicine and surgery makes a written report to the division stating that the licensee's seizures are controlled. The report shall be based on an examination of the applicant's medical condition not more than three months prior to the date the report is submitted. Such report shall be made on a form furnished to the applicant by the division. Any physician who makes such report shall not be liable for any damages which may be attributable to the issuance or renewal of a driver's license and subsequent operation of a motor vehicle by the licensee.

(f) If the driver's license of any person expires while such person is outside the state of Kansas, the license of such person shall be extended for a period not to exceed six months and shall be renewable, without a driving examination, at any time prior to the end of the sixth month following the original expiration date of such license or within 10 days after such person returns to the state, whichever time is sooner. *This subsection (f) shall not apply to temporary drivers' licenses issued pursuant to subsection (b)(3) of K.S.A. 8-240, and amendments thereto.*

The division may forward information under this subsection by mail or by electronic means. The division shall not maintain a record of the name or address of an individual who indicates a willingness to have such person's name placed on the organ donor registry after forwarding that information to the organ donor registry under this subsection. Information about an applicant's indication of a willingness to have such applicant's name placed on the organ donor registry that is obtained by the division and forwarded under this paragraph shall be confidential and not disclosed.

(h) Notwithstanding any other provisions of law, any offender under subsection (a)(1)(D) who held a valid driver's license on the effective date of this act may continue to operate motor vehicles until the next anniversary of the date of birth of such offender. Upon such date such driver's license shall expire and the offender shall be subject to the provisions of this section.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Sec. 3. K.S.A. 2006 Supp. 12-192 is hereby amended to read as follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2) ½ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) ~~As an alternative and~~ In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of .75% ~~or, 1% or 1.25% after the effective date of this act may~~ July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the

revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (6), (7), (8), (9), (12), (14), (15), (16) or (17) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

EXPLANATION OF VOTE

MR. PRESIDENT: I vote no on **SB 112** as it represents another possible tax increase on my constituents. I understand that the Johnson County Commission would be ultimately responsible for the decision to use their authority to bring a 0.25 percent tax increase and that voter approval would be required. One copy of such statement shall be filed by the employer, payer, person or organization with the division of taxation on or before the last day of February of each year. *Except as otherwise provided*, if the employer, payer, person or organization files statements which report such withholding information for 51 or more employees or payees, the statements shall be filed by electronic means. *If filing such statements by electronic means would be a hardship for any such employer, payer, person or organization, the secretary may permit such statements to be filed other than by electronic means.* Two copies of such statement shall be given to the employee or payee concerned, one of which will be filed by the employee or payee with the tax return required by this chapter.

(b) In the case of an employee whose employment is terminated before the end of a calendar year, the statement required by subsection (a) may be mailed at the time provided in that subsection to the last known address of the employee, or issued at the time of the last payment to the employee, at the employer's option.

(c) Any employer, payer, person or organization deducting and withholding tax who intentionally fails to furnish a statement to an employee or payee as required under the provisions of subsections (a) and (b) shall be guilty of a nonperson misdemeanor and upon conviction thereof shall be punished by a fine not exceeding \$100 for each such offense.

(d) The annual statement of wages and salaries paid and amount withheld required by this section shall be in lieu of the annual information return required under K.S.A. 79-3222, and amendments thereto.

Sec. 2. K.S.A. 2006 Supp. 79-32,100e is hereby amended to read as follows: 79-32,100e.

(a) Corporations for which an election as an S corporation under subchapter S of the federal internal revenue code is in effect are required to deduct and withhold tax at a rate equal to the maximum rate imposed on individuals pursuant to subsection (a) of K.S.A. 79-32,110 and amendments thereto, from a nonresident shareholder's share of Kansas taxable income of the corporation, whether distributed or undistributed, and pay the withheld amount to the department in the manner prescribed by the department. For a taxable year beginning after 2002, the corporation shall make a return and pay over the ~~withhold~~ *withheld* funds on or before the due date of the S corporation's income tax return, including extensions. Taxes withheld in the name of the nonresident shareholder must be used as credit against taxes due at the time the nonresident files a return of income or other applicable information return for the taxable year.

(b) An S corporation required to withhold taxes on distributed or undistributed income shall file a return with each payment of tax to the department, on forms prescribed by the secretary, disclosing such information as required by the secretary pursuant to subsection (i). The S corporation shall furnish to each nonresident shareholder a written statement as required by K.S.A. 79-3299 and amendments thereto as proof of the amount of the non-

resident shareholder's share of distributed or undistributed income and of the amount that has been withheld.

(c) Partnerships are required to withhold tax at a rate equal to the maximum rate imposed on individuals pursuant to subsection (a) of K.S.A. 79-32,110 and amendments thereto, from a nonresident partner's share of Kansas taxable income of the partnership, whether distributed or undistributed, and pay the withheld amount to the department in the manner prescribed by the department. For a taxable year beginning after 2002, the partnership shall make a return and pay over the withheld funds on or before the due date of the partnership's income tax return, including extensions. Taxes withheld in the name of the nonresident partner must be used as credit against taxes due at the time the nonresident files a return of tax or other applicable information return for the taxable year. *The provisions of this subsection shall not apply to any publicly traded partnership, as defined under section 7704 of the federal internal revenue code.*

(d) A partnership required to withhold taxes on distributed or undistributed income shall file a return with each payment of tax to the department, on forms prescribed by the secretary, disclosing such information as required by the secretary pursuant to subsection (i). (g) If a nonresident shareholder, partner or member provides the S corporation, partnership or limited liability company with a statement that the shareholder or partner is an organization exempt from income taxes under section 501(a) of the federal internal revenue code, then the S corporation, partnership or limited liability company is not required to withhold with regard to that shareholder, partner or member. The statement must contain the shareholder's, partner's or member's name, federal identification number, internal revenue code section exemption number, and a copy of the internal revenue service exemption letter.

(h) (1) For purposes of computing the penalty under K.S.A. 79-32,107 and amendments thereto, the amount withheld is deemed a payment of estimated tax, and an equal part of the amount is deemed paid on each estimated tax due date for the previous taxable year.

(2) If a nonresident shareholder, partner or member files an affidavit with the department in a form acceptable to the department by which such nonresident shareholder, partner or member agrees to be subject to the personal jurisdiction of the department in courts of this state for the purpose of determining and collecting any Kansas taxes, including estimated taxes, together with any related interest and penalties, then the S corporation, partnership or limited liability company is not required to withhold with regard to that shareholder, partner or member. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2006 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xv) of subsection (c) of K.S.A. 79-32,117, and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2006 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2006 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to paragraph (xiii) of subsection (c), or if such amounts are not already included in the federal adjusted gross income.

(B) for any district that was authorized to adopt and that adopted a local option budget in the 1996-97 school year and to which the provisions of K.S.A. 72-6444, and amendments thereto, apply in the current school year, a percentage in the 2001-02 school year and each school year thereafter that is equal to the sum of the percentage of the amount of state financial aid the district was authorized to budget in the preceding school year and the percentage computed for the district by the state board under the provisions of K.S.A. 72-6444, and amendments thereto;

(C) for any district that was not authorized to adopt a local option budget in the 1996-97 school year and to which the provisions of K.S.A. 72-6444, and amendments thereto, apply in the current school year, a percentage in the 2001-02 school year and each school year

thereafter that is equal to the sum of the percentage of the amount of state financial aid the district was authorized to budget in the preceding school year and the percentage computed for the district by the state board under the provisions of K.S.A. 72-6444, and amendments thereto;

(D) for any district to which the provisions of K.S.A. 72-6444, and amendments thereto, applied in the 1997-98 school year and to which the provisions of K.S.A. 72-6444, and amendments thereto, do not apply in the current school year because an increase in the amount budgeted by the district in its local option budget as authorized by a resolution adopted under the provisions of subsection (b) causes the actual amount per pupil budgeted by the district in the preceding school year as determined for the district under provision (1) of subsection (a) of K.S.A. 72-6444, and amendments thereto, to equal or exceed the average amount per pupil of general fund budgets and local option budgets computed by the state board under whichever of the provisions (7) through (10) of subsection (a) of K.S.A. 72-6444, and amendments thereto, is applicable to the district's enrollment group, a percentage that is equal to the percentage of the amount of state financial aid the district was authorized to budget in the preceding school year if the resolution authorized the district to increase its local option budget on a continuous and permanent basis. If the resolution that authorized the district to increase its local option budget specified a definite period of time for which the district would retain its authority to increase the local option budget and such authority lapses at the conclusion of such period and is not renewed, the term district prescribed percentage means a percentage that is equal to the percentage of the amount of state financial aid the district was authorized to budget in the preceding school year less the percentage of increase that was authorized by the resolution unless the loss of the percentage of increase that was authorized by the resolution would cause the actual amount per pupil budgeted by the district to be less than the average amount per pupil of general fund budgets and local option budgets computed by the state board under whichever of the provisions (7) through (10) of subsection (a) of K.S.A. 72-6444, and amendments thereto, is applicable to the district's enrollment group, in which case, the term district prescribed percentage means a percentage that is equal to the percentage of the amount of state financial aid the district was authorized to budget in the preceding school year less the percentage of increase that was authorized by the resolution plus a percentage which shall be computed for the district by the state board in accordance with the provisions of K.S.A. 72-6444, and amendments thereto, except that, in making the determination of the actual amount per pupil budgeted by the district in the preceding school year, the state board shall exclude the percentage of increase that was authorized by the resolution.

(2) (A) Subject to the provisions of subpart (B), the adoption of a local option budget under authority of this subsection shall require a majority vote of the members of the board and shall require no other procedure, authorization or approval.

(B) In lieu of utilizing the authority granted by subpart (A) for adoption of a local option budget, the board of a district may pass a resolution authorizing adoption of such a budget and publish such resolution once in a newspaper having general circulation in the district. The resolution shall be published in substantial compliance with the following form:

Unified School District No. _____,
_____ County, Kansas.

RESOLUTION

Be It Resolved that:

The board of education of the above-named school district shall be authorized to adopt a local option budget in each school year for a period of time not to exceed _____ years in an amount not to exceed _____% of the amount of state financial aid determined for the current school year. The local option budget authorized by this resolution may be adopted, unless a petition in opposition to the same, signed by not less than 5% of the qualified electors of the school district, is filed with the county election officer of the home county of the school district within 30 days after publication of this resolution. In the event a petition is filed, the county election officer shall submit the question of whether adoption of the local option budget shall be authorized to the electors of the school district at an election called for the purpose or at the next general election, as is specified by the board of education of the school district.

CERTIFICATE

This is to certify that the above resolution was duly adopted by the board of education of Unified School District No. _____, _____ County, Kansas, on the _____ day of _____.

Clerk of the board of education.

All of the blanks in the resolution shall be appropriately filled. The blank preceding the word "years" shall be filled with a specific number, and the blank preceding the percentage symbol shall be filled with a specific number. No word shall be inserted in either of the blanks. The percentage specified in the resolution shall not exceed the district prescribed percentage. The resolution shall be published once in a newspaper having general circulation in the school district. If no petition as specified above is filed in accordance with the provisions of the resolution, the board may adopt a local option budget. If a petition is filed as provided in the resolution, the board may notify the county election officer of the date of an election to be held to submit the question of whether adoption of a local option budget shall be authorized. If the board fails to notify the county election officer within 30 days after a petition is filed, the resolution shall be deemed abandoned and no like resolution shall be adopted by the board within the nine months following publication of the resolution. If any district is authorized to adopt a local option budget under this subpart, but the board of such district chooses, in any school year, not to adopt such a budget or chooses, in any school year, to adopt such budget in an amount less than the amount of the district prescribed percentage of the amount of state financial aid in any school year, such board of education may so choose. If the board of any district refrains from adopting a local option budget in any one or more school years or refrains from budgeting the total amount authorized for any one or more school years, the authority of such district to adopt a local option budget shall not be extended by such refrainment beyond the period specified in the resolution authorizing adoption of such budget, nor shall the amount authorized to be budgeted in any succeeding school year be increased by such refrainment. Whenever an initial resolution has been adopted under this subpart, and such resolution specified a lesser percentage than the district prescribed percentage, the board of the district may adopt one or more subsequent resolutions under the same procedure as provided for the initial resolution and subject to the same conditions, and shall be authorized to increase the percentage as specified in any such subsequent resolution for the remainder of the period of time specified in the initial resolution. Any percentage specified in a subsequent resolution or in subsequent resolutions shall be limited so that the sum of the percentage authorized in the initial resolution and the percentage authorized in the subsequent resolution or in subsequent resolutions is not in excess of the district prescribed percentage in any school year. The board of any district that has been authorized to adopt a local option budget under this subpart and levied a tax under authority of K.S.A. 72-6435, and amendments thereto, may initiate, at any time after the final levy is certified to the county clerk under any current authorization, procedures to renew its authority to adopt a local option budget in the manner specified in this subpart or may utilize the authority granted by subpart (A). As used in this subpart, the term "authorized to adopt a local option budget" means that a district has adopted a resolution under this subpart, has published the same, and either that the resolution was not protested or that it was protested and an election was held by which the adoption of a local option budget was approved.

(3) The provisions of this subsection are subject to the provisions of subsections (b) and (c).

(b) (1) The board of any district that adopts a local option budget under subsection (a) may increase the amount of such budget in each school year in an amount which together with the percentage of the amount of state financial aid budgeted under subsection (a) does not exceed the state prescribed percentage of the amount of state financial aid determined for the district in the school year if the board of the district determines that an increase in such budget would be in the best interests of the district.

(2) No district may increase a local option budget under authority of this subsection until: (A) A resolution authorizing such an increase is passed by the board and published once in a newspaper having general circulation in the district; or (B) the question of whether the

board shall be authorized to increase the local option budget has been submitted to and approved by the qualified electors of the district at a special election called for the purpose. Any such election shall be noticed, called and held in the manner provided by K.S.A. 10-120, and amendments thereto, for the noticing, calling and holding of elections upon the question of issuing bonds under the general bond law. The notice of such election shall state the purpose for and time of the election, and the ballot shall be designed with the question of whether the board of education of the district shall be continuously and permanently authorized to increase the local option budget of the district in each school year by a percentage which together with the percentage of the amount of state financial aid budgeted under subsection (a) does not exceed the state prescribed percentage in any school year. If a majority of the qualified electors voting at the election approve authorization of the board to increase the local option budget, the board shall have such authority. If a majority of the qualified electors voting at the election are opposed to authorization of the board to increase the local option budget, the board shall not have such authority and no like question shall be submitted to the qualified electors of the district within the nine months following the election.

(3) (A) Subject to the provisions of subpart (B), a resolution authorizing an increase in the local option budget of a district shall state that the board of education of the district shall be authorized to increase the local option budget of the district in each school year in an amount not to exceed _____% of the amount of state financial aid determined for the current school year and that the percentage of increase may be reduced so that the sum of the percentage of the amount of state financial aid budgeted under subsection (a) and the percentage of increase specified in the resolution does not exceed the state prescribed percentage in any school year. The blank preceding the percentage symbol shall be filled with a specific number. No word shall be inserted in the blank. The resolution shall specify a definite period of time for which the board shall be authorized to increase the local option budget and such period of time shall be expressed by the specific number of school years for which the board shall retain its authority to increase the local option budget. No word shall be used to express the number of years for which the board shall be authorized to increase the local option budget.

(B) In lieu of the requirements of subpart (A) and at the discretion of the board, a resolution authorizing an increase in the local option budget of a district may state that the board of education of the district shall be continuously and permanently authorized to increase the local option budget of the district in each school year by a percentage which together with the percentage of the amount of state financial aid budgeted under subsection (a) does not exceed the state prescribed percentage in any school year.

(4) A resolution authorizing an increase in the local option budget of a district shall state that the amount of the local option budget may be increased as authorized by the resolution unless a petition in opposition to such increase, signed by not less than 5% of the qualified electors of the school district, is filed with the county election officer of the home county of the school district within 30 days after publication. If no petition is filed in accordance with the provisions of the resolution, the board is authorized to increase the local option budget of the district. If a petition is filed as provided in the resolution, the board may notify the county election officer of the date of an election to be held to submit the question of whether the board shall be authorized to increase the local option budget of the district. If the board fails to notify the county election officer within 30 days after a petition is filed, the resolution shall be deemed abandoned and no like resolution shall be adopted by the board within the nine months following publication of the resolution.

(5) The requirements of provision (2) do not apply to any district that is continuously and permanently authorized to increase the local option budget of the district. An increase in the amount of a local option budget by such a district shall require a majority vote of the members of the board and shall require no other procedure, authorization or approval.

(6) If any district is authorized to increase a local option budget, but the board of such district chooses, in any school year, not to adopt or increase such budget or chooses, in any school year, to adopt or increase such budget in an amount less than the amount authorized, such board of education may so choose. If the board of any district refrains from adopting or increasing a local option budget in any one or more school years or refrains from budg-

eting the total amount authorized for any one or more school years, the amount authorized to be budgeted in any succeeding school year shall not be increased by such refrainment, nor shall the authority of the district to increase its local option budget be extended by such refrainment beyond the period of time specified in the resolution authorizing an increase in the local option budget if the resolution specified such a period of time.

(7) Whenever an initial resolution has been adopted under this subsection, and such resolution specified a percentage which together with the percentage of the amount of state financial aid budgeted under subsection (a) is less than the state prescribed percentage, the board of the district may adopt one or more subsequent resolutions under the same procedure as provided for the initial resolution and shall be authorized to increase the percentage as specified in any such subsequent resolution. If the initial resolution specified a definite period of time for which the district is authorized to increase its local option budget, the authority to increase such budget by the percentage specified in any subsequent resolution shall be limited to the remainder of the period of time specified in the initial resolution. Any percentage specified in a subsequent resolution or in subsequent resolutions shall be limited so that the sum of the percentage authorized in the initial resolution and the percentage authorized in the subsequent resolution or in subsequent resolutions together with the percentage of the amount of state financial aid budgeted under subsection (a) is not in excess of the state prescribed percentage in any school year.

(8) (A) Subject to the provisions of subpart (B), the board of any district that has adopted a local option budget under subsection (a), has been authorized to increase such budget under a resolution which specified a definite period of time for retention of such authorization, and has levied a tax under authority of K.S.A. 72-6435, and amendments thereto, may initiate, at any time after the final levy is certified to the county clerk under any current authorization, procedures to renew the authority to increase the local option budget subject to the conditions and in the manner specified in provisions (2) and (3) of this subsection.

(B) The provisions of subpart (A) do not apply to the board of any district that is continuously and permanently authorized to increase the local option budget of the district.

(9) As used in this subsection:

(A) "Authorized to increase a local option budget" means either that a district has held a special election under provision (2)(B) by which authority of the board to increase a local option budget was approved, or that a district has adopted a resolution under provision (2) (A), has published the same, and either that the resolution was not protested or that it was protested and an election was held by which the authority of the board to increase a local option budget was approved.

(B) "State prescribed percentage" means 30% for school year 2006-2007 and ~~31%~~ 32% for school year 2007-2008 and each school year thereafter.

(c) To the extent the provisions of the foregoing subsections conflict with this subsection, this subsection shall control. Any district that is authorized to adopt a local option budget in the 1997-98 school year under a resolution which authorized the adoption of such budget in accordance with the provisions of this section prior to its amendment by this act may continue to operate under such resolution for the period of time specified in the resolution or may abandon the resolution and operate under the provisions of this section as amended by this act. Any such district shall operate under the provisions of this section as amended by this act after the period of time specified in the resolution has expired.

(d) (1) There is hereby established in every district that adopts a local option budget a fund which shall be called the supplemental general fund. The fund shall consist of all amounts deposited therein or credited thereto according to law.

(2) Subject to the limitation imposed under provision (3), and subsection (e) of K.S.A. 72-6434, and amendments thereto, amounts in the supplemental general fund may be expended for any purpose for which expenditures from the general fund are authorized or may be transferred to the general fund of the district or to any program weighted fund or categorical fund of the district. Amounts in the supplemental general fund attributable to any percentage over 25% of state financial aid determined for the current school year may be transferred to the capital improvements fund of the district and the capital outlay fund of the district if such transfers are specified in the resolution authorizing the adoption of a local option budget in excess of 25%.

(3) Amounts in the supplemental general fund may not be expended nor transferred to the general fund of the district for the purpose of making payments under any lease-purchase agreement involving the acquisition of land or buildings which is entered into pursuant to the provisions of K.S.A. 72-8225, and amendments thereto.

(4) Any unexpended and unencumbered cash balance remaining in the supplemental general fund of a district at the conclusion of any school year in which a local option budget is adopted shall be disposed of as provided in this subsection. If the district did not receive supplemental general state aid in the school year and the board of the district determines that it will be necessary to adopt a local option budget in the ensuing school year, the total amount of the cash balance remaining in the supplemental general fund shall be maintained in such fund or transferred to the general fund of the district. If the board of such a district determines that it will not be necessary to adopt a local option budget in the ensuing school year, the total amount of the cash balance remaining in the supplemental general fund shall be transferred to the general fund of the district. If the district received supplemental general state aid in the school year, transferred or expended the entire amount budgeted in the local option budget for the school year, and determines that it will be necessary to adopt a local option budget in the ensuing school year, the total amount of the cash balance remaining in the supplemental general fund shall be maintained in such fund or transferred to the general fund of the district. If such a district determines that it will not be necessary to adopt a local option budget in the ensuing school year, the total amount of the cash balance remaining in the supplemental general fund shall be transferred to the general fund of the district. If the district received supplemental general state aid in the school year, did not transfer or expend the entire amount budgeted in the local option budget for the school year, and determines that it will not be necessary to adopt a local option budget in the ensuing school year, the total amount of the cash balance remaining in the supplemental general fund shall be transferred to the general fund of the district. If the district received supplemental general state aid in the school year, did not transfer or expend the entire amount budgeted in the local option budget for the school year, and determines that it will be necessary to adopt a local option budget in the ensuing school year, the state board shall determine the ratio of the amount of supplemental general state aid received to the amount of the local option budget of the district for the school year and multiply the total amount of the cash balance remaining in the supplemental general fund by such ratio. An amount equal to the amount of the product shall be transferred to the general fund of the district. The amount remaining in the supplemental general fund may be maintained in such fund or transferred to the general fund of the district.

(e) To the extent the provisions of the foregoing section conflict with this subsection, this subsection shall control. Any resolution authorizing the adoption of a local option budget in excess of 30% of the state financial aid of the district in the current school year shall not become effective unless such resolution has been submitted to and approved by a majority of the qualified electors of the school district voting at an election called and held thereon. Such resolution shall specify how the moneys will be expended and shall be published in the manner provided by this section. The election shall be called and held in the manner provided by this section.

Sec. 207. On July 1, 2007, K.S.A. 2006 Supp. 72-6433 is hereby repealed.

Sec. 208. If any provision or clause of this act or application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 209. *Appeals to exceed position limitations.* (a) The limitations imposed by this act on the number of full-time and regular part-time positions equated to full-time, excluding seasonal and temporary positions, paid from appropriations for the fiscal years ending June 30, 2007, or ending June 30, 2008, made in chapter 142 or chapter 216 of the 2006 Session Laws of Kansas or in this act or in any other appropriation act of the 2007 regular session of the legislature may be exceeded upon approval of the state finance council.

(b) The limitations imposed by this act on the number of full-time and regular part-time positions equated to full-time, excluding seasonal and temporary positions, paid from appropriations for the fiscal year ending June 30, 2009, made in this act or in any other

Sec. 218. During the fiscal year ending June 30, 2008, each state agency named in this act that has a cost reduction for which an employee suggestion bonus is paid pursuant to subsection (f) of K.S.A. 2006 Supp. 75-37,105, and amendments thereto, shall transfer (1) from each state general fund appropriation or reappropriation account for fiscal year 2008 from which all or part of such cost reduction has been realized to the state general fund, in accordance with subsection (f) of K.S.A. 2006 Supp. 75-37,105, and amendments thereto, the amount equal to 80% of the cost reduction which is attributed to such account, and (2) from each special revenue fund, excluding federal funds, for fiscal year 2008 from which all or part of such cost reduction has been realized to the state general fund, in accordance with subsection (f) of K.S.A. 2006 Supp. 75-37,105, and amendments thereto, the amount equal to 80% of the cost reduction which is attributed to such special revenue fund, excluding federal funds.”;

EXPLANATION OF VOTE

MR. PRESIDENT: The Kansas Legislature has overstepped its bounds with the inclusion of provisos affecting the University of Kansas Medical Center. As legislators, we are ill-equipped to interfere in these sensitive and important negotiations. We cannot foresee the consequences of our actions in these medical affiliation negotiations and have no business “micro-managing” this process. We’re also setting a dangerous precedent in agreeing to these provisos in this budget bill, as they clearly could be used to tie the hands of the KU Medical Center at the negotiating table. That’s a terrible disservice to those who are working to enhance medical education and research for our state. My fear is these provisos will be used as a threat during the affiliation negotiations, putting our state’s efforts to achieve an NCI-designated comprehensive career center at risk. I reluctantly vote yes.—BARBARA P. ALLEN

Senators Betts, Kelly, Francisco, V. Schmidt and Vratil request the record to show they concur with the “Explanation of Vote” offered by Senator Allen on **HB 2368**.

MR. PRESIDENT: I vote yes on **HB 2368** but would express my concerns about the KU Medical Center proviso.

The Kansas Legislature is ill-advised in interfering in the serious negotiations taking place in the Kansas City area to enhance medical education and research.

This proviso could have the unintended consequences of tying the University of Kansas Medical Center's hands in their current negotiations and create an unfair advantage for others at the bargaining table.

KUMC and the KU Hospital have both agreed to negotiate in good faith and those negotiations should be allowed to proceed without unfairly giving one party unilateral control over the outcome.

The proviso leads the Legislature down a slippery slope of what our Governor has termed "micro-managing" a negotiations process about which we know practically nothing.

While I vote yes on the bill, I wanted to express my concerns for the record.—ANTHONY HENSLEY

Senators Allen, Betts, Francisco, Kelly, V. Schmidt and Vratil request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **HB 2368**.

MR. PRESIDENT: **HB 2368** provides for the University of Kansas Hospital a vote at the table where affiliation agreements are being negotiated. No other entity understands the marketplace dynamics of hospitals in the area than the hospital itself. To not allow them a seat at the table could result in an agreement that is not in their best interest.—SUSAN WAGLE

Senator Jordan requests the record to show he concurs with the "Explanation of Vote" offered by Senator Wagle on **HB 2368**.

"Section 1. K.S.A. 2006 Supp. 23-495 is hereby amended to read as follows: 23-495.

The court trustee shall have the responsibility:

(a) For collection of support or restitution from the obligor upon the written request of the obligee or upon the order of the court; and

(b) *to compile a list of individuals who owe arrearages under a support order or have failed, after appropriate notice, to comply with a subpoena issued pursuant to a duty of support. The court trustee shall deliver such list to the secretary of social and rehabilitation services on a quarterly basis or more frequently as requested by the secretary.*

Sec. 2. K.S.A. 23-4,119 is hereby amended to read as follows: 23-4,119. (a) Whether or not a medical child support order has previously been entered, the court ~~may~~ shall address the medical needs of the child, and if necessary, enter a medical child support order. Subject to any requirements in child support guidelines adopted by the supreme court pursuant to K.S.A. 20-165, and amendments thereto, the medical child support order may require either parent or both parents to furnish coverage under any health benefit plan as provided in this section, allocate between the parents responsibility for deductibles and copayments, allocate between the parents responsibility for medical costs not covered by any health benefit plan, include costs of coverage under a health benefit plan in the calculation of a current child support order, require cash medical support as an adjustment to a current support order, and make any other provision that justice may require. Before requiring either parent to provide coverage under any health benefit plan available to the parent after consideration of the court shall consider whether the benefits of the plan are accessible to the child and the cost of coverage, including deductibles and copayments, in relation to the overall financial circumstances. In no event shall the court consider as a factor the availability of medical assistance to any person. Nothing in this section shall prevent the court from prospectively ordering a parent to provide coverage under any health benefit plan which may become available to the parent.

(b) Except for good cause shown, if more than one health benefit plan is available for *and accessible* to a child, the court shall give preference to the plan: (1) Designated by court order or agreement of the parties, or, if none, then (2) in which the child already has benefits, or, if none, then (3) with terms closest to those designated by court order or agreement of the parties, or, if none, then (4) in which the parent or members of the parent's household have benefits, or, if none, then (5) in which the child will receive the greatest benefits.

(c) When a medical child support order has been entered, the obligor shall be deemed to have granted by operation of law a limited power of attorney to submit claims to a health benefit plan on the child's behalf and to endorse and negotiate any check or other negotiable instrument issued in full or partial payment of the child's claim. Except as otherwise provided in this subsection, the limited power of attorney shall be held by the obligee. If the child is receiving medical assistance from the secretary of social and rehabilitation services, the secretary of social and rehabilitation services shall be deemed the sole holder of the limited power of attorney with respect to payments subject to the secretary's claim for reimbursement. Upon termination of medical assistance in this state for the child, the secretary of social and rehabilitation services shall retain the limited power of attorney with respect to medical assistance already provided until the claim of the secretary for reimbursement is satisfied. If the child is receiving medical assistance under Title XIX of the federal social security act in another state or jurisdiction, the agency or official responsible for administering the Title XIX program in that state or jurisdiction shall be deemed the sole holder of the limited power of attorney with respect to payments subject to the claim of that agency or official for reimbursement. Upon termination of medical assistance in that state or jurisdiction for the child the agency or official administering the Title XIX program shall retain the limited power of attorney with respect to medical assistance already provided until the claim of that agency or official for reimbursement is satisfied.

(d) In any case in which a participating parent is required by a court or administrative order to provide health coverage for a child, the participating parent is eligible for family health coverage, and the child is otherwise eligible for family health coverage, without regard to any enrollment season restrictions the employer, sponsor or other administrator of a health benefit plan: (1) Shall permit the participating parent to enroll the child for coverage; or (2) if the participating parent is enrolled but has not applied for coverage for the child, shall permit the holder of a limited power of attorney pursuant to subsection (c) to enroll the child. A child enrolled under this subsection shall be treated, with regard to any pre-existing condition, as though enrollment occurred during the normal open enrollment period.

(e) When a child has been enrolled for coverage pursuant to subsection (d), the employer, sponsor or other administrator of a health benefit plan shall not disenroll or eliminate coverage of the child unless the employer, sponsor or administrator is provided: (1) Satisfactory written evidence that the court or administrative order requiring the parent to provide health coverage is no longer in effect for the child and either the participating parent has requested a change or discontinuance of the child's coverage, or the child is otherwise ineligible for continued coverage; or (2) satisfactory written evidence, signed by all holders of a limited power of attorney pursuant to subsection (c), that the child is or will be enrolled in comparable health coverage through another insurer or health benefit plan which will take effect no later than the effective date of the disenrollment. An employer may also disenroll or eliminate coverage for the child if the employer has eliminated family health coverage for all of its employees.

(f) The provisions of this section and the income withholding act and amendments thereto shall apply to all orders for support, including all medical child support orders, entered in this state regardless of the date the order was entered.

This limited power of attorney shall be effective from the date support rights are assigned and shall remain in effect until the assignment is terminated in full.

(3) Nothing in this subsection shall affect or limit any existing assignment or claim for repayment of any unreimbursed portion of assistance pursuant to K.S.A. 39-709 and amendments thereto or affect or limit any subsequent assignment of support rights.

(b) (1) Upon discontinuance of all public assistance ~~in accordance with a plan under which federal moneys are expended on behalf of the applicant, recipient or child for: (A) Aid to families with dependent children, (B) medical assistance, or (C) the expenses of a child in the secretary's care or custody pursuant to K.S.A. 39-1501 et seq., and amendments thereto, or K.S.A. 2006 Supp. 39-2301 et seq., and amendments thereto, giving rise to an assignment of support rights pursuant to K.S.A. 39-709, and amendments thereto,~~ the secretary shall continue to provide all appropriate support enforcement services required under title IV-D of the federal social security act for the persons who were receiving assistance, unless the recipient requests that support enforcement services be discontinued.

(2) When support enforcement services are provided pursuant to subsection (b)(1), the assignment of support rights and limited power of attorney pursuant to K.S.A. 39-709 and amendments thereto shall remain in full force and effect. When the secretary is no longer providing support enforcement services related to support obligations accruing after the date assistance was discontinued, the assignment of support rights shall remain in effect to the extent provided in K.S.A. 39-756a, *and amendments thereto*.

(3) Nothing in this subsection shall affect or limit any existing assignment or claim for repayment of any unreimbursed portion of assistance pursuant to K.S.A. 39-709 and amendments thereto or affect or limit any subsequent assignment of support rights.

(c) The secretary shall fix by rules and regulations ~~a fee or fees for services rendered pursuant to this section as required by federal law or federal regulations, or both. Except as otherwise provided in subsection (g) of K.S.A. 39-709 and amendments thereto if such an assignment is retained by the secretary, current support payments shall be paid to the obligee and the secretary may retain any support arrearage to which social and rehabilitation services has a claim. Any support arrearage collected in excess of the amount assigned to social and rehabilitation services shall be paid to the obligee distributed as required by title IV-D of the federal social security act. If federal law authorizes the secretary to elect to distribute more~~

support to any families than would otherwise be permitted, the secretary may make such election by adopting rules and regulations for that purpose.

(e) ~~In any action brought pursuant to this section or pursuant to subsection (g) of K.S.A. 39-709 and amendments thereto, or any action brought by a governmental agency or contractor, to establish paternity or to establish or enforce a support obligation, the social and rehabilitation services attorney or the attorneys with whom such agency contracts to provide such services shall represent the state department of social and rehabilitation services. If any attorney provides legal services on behalf of the secretary in any case in which the secretary is furnishing title IV-D services, such attorney shall have an attorney-client relationship only with the secretary. The provisions of this subsection shall apply whether the attorney is an employee of the state, a contractor subject to the requirements of K.S.A. 75-5365, and amendments thereto, or an employee of such a contractor. Nothing in this section subsection shall be construed to modify any statutory mandate, authority or confidentiality required by any governmental agency. EXPLANATION OF VOTE

MR. PRESIDENT: The murder of any person is a heinous crime that not only ends the life of the victim but destroys the innocent lives of their family. The stature in which pregnant women are held makes the murder an even more tragic crime that pulls at the heartstrings of society. I support strong laws that punish anyone who is convicted of murdering any person. And I believe that punishment should be to the fullest extent of the law. Unfortunately, abortion politics are fueling this bill, and the unintended consequences far outreach its honorable intent. Therefore, I vote no on **HB 2062**. — GRETA GOODWIN
