

Journal of the Senate

FORTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 25, 2008—2:30 p.m.

The Senate was called to order by President Stephen Morris.
The roll was called with thirty-nine senators present.
Senator Jordan was excused.
Invocation by Chaplain Fred S. Hollomon:

Heavenly Father,
As we enter the last stages of our session, help us to be . . .
Able but not Arrogant
Articulate but not Argumentative
Confident but not Cocky
Courteous but not Chummy
Compassionate but not Condescending
Cooperative without Conforming
Courageous but not taking Chances
Inquisitive without Interfering
Personable but not Pushy
Perceptive but not Patronizing
Particular but not Picky

Most of all help us to be less concerned about what people think of us and more concerned about what You think of us.

I pray in the Name of Jesus Christ,
AMEN

The Pledge of Allegiance was led by President Stephen Morris.

REPORTS OF STANDING COMMITTEES

Committee on **Education** recommends **SB 620** be amended on page 1, in line 13, before "Section" by inserting "New"; in line 17, by striking "are eligible for" and inserting "receive"; in line 22, by striking "are"; in line 23, by striking "eligible for" and inserting "also are receiving"; in line 30, by striking "are eligible for" and inserting "also are receiving"; following line 40, by inserting:

"Sec. 2. K.S.A. 2007 Supp. 72-978 is hereby amended to read as follows: 72-978. (a) *Subject to the provisions of subsection (f)*, each year, the state board of education shall determine the amount of state aid for the provision of special education and related services each school district shall receive for the ensuing school year. The amount of such state aid shall be computed by the state board as provided in this section. The state board shall:

(1) Determine the total amount of general fund and local option budgets of all school districts;

(2) subtract from the amount determined in paragraph (1) the total amount attributable to assignment of transportation weighting, program weighting, special education weighting and at-risk pupil weighting to enrollment of all school districts;

(3) divide the remainder obtained in paragraph (2) by the total number of full-time equivalent pupils enrolled in all school districts on September 20;

(4) determine the total full-time equivalent enrollment of exceptional children receiving special education and related services provided by all school districts;

(5) multiply the amount of the quotient obtained in paragraph (3) by the full-time equivalent enrollment determined in paragraph (4);

(6) determine the amount of federal funds received by all school districts for the provision of special education and related services;

(7) determine the amount of revenue received by all school districts rendered under contracts with the state institutions for the provisions of special education and related services by the state institution;

(8) add the amounts determined under paragraphs (6) and (7) to the amount of the product obtained under paragraph (5);

(9) determine the total amount of expenditures of all school districts for the provision of special education and related services;

(10) subtract the amount of the sum obtained under paragraph (8) from the amount determined under paragraph (9); and

(11) multiply the remainder obtained under paragraph (10) by 92%.

The computed amount is the amount of state aid for the provision of special education and related services aid a school district is entitled to receive for the ensuing school year.

(b) Each school district shall be entitled to receive:

(1) Reimbursement for actual travel allowances paid to special teachers at not to exceed the rate specified under K.S.A. 75-3203, and amendments thereto, for each mile actually traveled during the school year in connection with duties in providing special education or related services for exceptional children; such reimbursement shall be computed by the state board by ascertaining the actual travel allowances paid to special teachers by the school district for the school year and shall be in an amount equal to 80% of such actual travel allowances;

(2) reimbursement in an amount equal to 80% of the actual travel expenses incurred for providing transportation for exceptional children to special education or related services; such reimbursement shall not be paid if such child has been counted in determining the transportation weighting of the district under the provisions of the school district finance and quality performance act;

(3) reimbursement in an amount equal to 80% of the actual expenses incurred for the maintenance of an exceptional child at some place other than the residence of such child for the purpose of providing special education or related services; such reimbursement shall not exceed \$600 per exceptional child per school year; and

(4) except for those school districts entitled to receive reimbursement under subsection (c) or (d), after subtracting the amounts of reimbursement under paragraphs (1), (2) and (3) of this subsection (a) from the total amount appropriated for special education and related services under this act, an amount which bears the same proportion to the remaining amount appropriated as the number of full-time equivalent special teachers who are qualified to provide special education or related services to exceptional children and are employed by the school district for approved special education or related services bears to the total number of such qualified full-time equivalent special teachers employed by all school districts for approved special education or related services.

Each special teacher who is qualified to assist in the provision of special education or related services to exceptional children shall be counted as $\frac{2}{3}$ full-time equivalent special teacher who is qualified to provide special education or related services to exceptional children.

(c) Each school district which has paid amounts for the provision of special education and related services under an interlocal agreement shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services under the interlocal agreement, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all school districts in the current school year who have entered into such interlocal agreement for provision of such special education and related services.

(d) Each contracting school district which has paid amounts for the provision of special education and related services as a member of a cooperative shall be entitled to receive reimbursement under subsection (b)(4). The amount of such reimbursement for the district shall be the amount which bears the same relation to the aggregate amount available for reimbursement for the provision of special education and related services by the cooperative, as the amount paid by such district in the current school year for provision of such special education and related services bears to the aggregate of all amounts paid by all contracting school districts in the current school year by such cooperative for provision of such special education and related services.

(e) No time spent by a special teacher in connection with duties performed under a contract entered into by the Kansas juvenile correctional complex, the Atchison juvenile correctional facility, the Beloit juvenile correctional facility, the Larned juvenile correctional facility, or the Topeka juvenile correctional facility and a school district for the provision of special education services by such state institution shall be counted in making computations under this section.

(f) (1) *In school year 2008-2009 and each school year thereafter, the amount of state aid for special education and related services paid to any school district shall not be less than the amount paid to such district in school year 2007-2008.*

(2) *In school year 2008-2009 and each school year thereafter, any amount appropriated for state aid for special education and related services which exceeds the amount appropriated in the preceding school year, shall be distributed first to those school districts which received less than 92% of the amount of the district's excess cost of providing special education and related services during the previous school year. Such moneys shall be distributed in the manner provided by subsection (a). Any amount remaining after making the distribution required by this paragraph shall be distributed to all school districts in the manner provided by subsection (a).*

(3) *Except as provided by paragraph (1), no district shall be paid an amount under subsection (a) which exceeds 92% of the district's excess costs of providing special education and related services.*

Sec. 3. K.S.A. 2007 Supp. 72-978 is hereby repealed.”;

And by renumbering the remaining section accordingly;

In the title, in line 10, before the period by inserting “and the distribution thereof; amending K.S.A. 2007 Supp. 72-978 and repealing the existing section”; and the bill be passed as amended.

Committee on **Elections and Local Government** recommends **HB 2307** be amended on page 1, by striking all in lines 33 through 36 and inserting the following:

“(f) From and after January 1, 2010, the board of county commissioners of Sherman county shall be elected in accordance with section 2, and amendments thereto, upon the adoption of a resolution by the board of county commissioners regarding the method of election thereof, and the approval thereof by the voters of Sherman county, Kansas.

New Sec. 2. (a) (1) The board of county commissioners of Sherman county, Kansas, may adopt a resolution proposing to change the method of election of county commissioners in such county. The method of election of county commissioners contained in the resolution specified in paragraph (2) shall be used in Sherman county, Kansas notwithstanding any provision of law to the contrary contained in article 2 of chapter 19 of the Kansas Statutes Annotated and acts amendatory thereof or supplemental thereto.

(2) The proposed method of election shall be as follows:

(A) The board of county commissioners shall consist of three positions numbered one, two and three respectively. Each county commissioner and each candidate for the position of county commissioner shall reside in the county.

(B) Notwithstanding any other provision of law to the contrary, each registered voter in Sherman county shall be permitted to vote for each candidate for the position of county commissioner.

(C) Elections for the position of county commissioner shall be conducted in accordance with the election laws of this state which do not conflict with this provision.

(D) The resolution shall specify the order in which the existing county commissioners shall be elected for county commissioner positions one, two and three under the procedure contained in the resolution.

(E) Upon approval by the qualified electors of Sherman county, Kansas, this method of electing county commissioners shall be used in all elections from and after January 1, 2010.

(b) If adopted, the resolution referenced in paragraph (1) of subsection (a) shall be submitted to the qualified electors of Sherman county, Kansas, at the general election in 2008, for their approval or rejection.”;

And by renumbering the remaining sections accordingly; and the bill be passed as amended.

Committee on **Federal and State Affairs** recommends **SB 659** be amended on page 6, in line 35, by striking all after the period; by striking all in lines 36 and 37 and inserting “The attorney general shall receive an annual salary in an amount not less than the salary provided for district judges in K.S.A. 75-3120g and 75-3120l, and amendments thereto.”; in line 43, by striking “the attorney general.”;

"SENATE Substitute for HOUSE BILL No. 2110

By Committee on Financial Institutions and Insurance

"AN ACT concerning viatical settlements; pertaining to stranger-originated life insurance; amending K.S.A. 2007 Supp. 40-5001, 40-5002, 40-5006, 40-5008 and 40-5010 and repealing the existing sections; also repealing K.S.A. 2007 Supp. 40-5007, 40-5009 and 40-5012.";

and the substitute bill be passed.

Committee on **Judiciary** recommends **HB 2727**, as amended by House Committee, be amended on page 2, in line 21, by striking "may" and inserting "shall"; and the bill be passed as amended.

Also, **HB 2780**, as amended by House Committee of the Whole, be amended on page 13, in line 20, following the period by inserting "For offenders who may be required to serve any time for the sentence imposed or which might originally have been imposed in a state facility in the custody of the secretary of corrections pursuant to this subsection, the court upon sentencing the offender to the custody of the secretary of corrections may recommend that an offender be placed in a state substance abuse treatment facility established by the department of corrections in the custody of the secretary of corrections or, if space is not available at such facility, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

- (1) Substance addiction was an underlying factor for revocation;
- (2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
- (3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of post release supervision.";

Also on page 13, in line 36, preceding "issued" by inserting "and notice to appear"; in line 37, following "warrant" by inserting "and notice to appear"; in line 38, following "warrant" by inserting "and notice to appear"; in line 39, by striking "has", where it appears the second time, and inserting "and notice to appear have"; in line 40, following "warrant" by inserting "and notice to appear"; in line 42, by striking "has" and inserting "and notice to appear have"; also in line 42, following "warrant" by inserting "and notice to appear"; in line 43, following "warrant" by inserting "and notice to appear"; also in line 43, following the period, by inserting "A hearing shall be held within 120 days of receipt of notice given by the notifying prosecutor.";

On page 16, following line 8, by inserting the following:

“Sec. 6. K.S.A. 2007 Supp. 75-5210 is hereby amended to read as follows: 75-5210. (a) Persons committed to the institutional care of the secretary of corrections shall be dealt with humanely, with efforts directed to their rehabilitation and return to the community as safely and promptly as practicable. For these purposes, the secretary shall establish programs of classification and diagnosis, education, casework, mental health, counseling and psychotherapy, chemical dependency counseling and treatment, sexual offender counseling, pre-release programs which emphasize re-entry skills, adjustment counseling and job placement, vocational training and guidance, work, library, physical education and other rehabilitation and recreation services; the secretary may establish facilities for religious worship; and the secretary shall institute procedures for the study and classification of inmates. The secretary shall maintain a comprehensive record of the behavior of each inmate reflecting accomplishments and progress toward rehabilitation as well as charges of infractions of rules and regulations, punishments imposed and medical inspections made.

(b) Programs of work, education or training shall include a system of promotional rewards entitling inmates to progressive transfer from high security status to a lesser security status. The secretary shall have authority at any time to transfer an inmate from one level of status to another level of status. Inmates may apply to the secretary for such status privileges. The secretary shall adopt a custody classification manual establishing standards relating to the transfer of an inmate from one status to another, and in developing such standards the secretary shall take into consideration progress made by the inmate toward attaining the educational, vocational and behavioral goals set by the secretary for the individual inmate. In order to facilitate the reintegration into the community of some inmates who are scheduled for release within the next 90 days, there shall be a presumption of minimum security status for those offenders who have been returned to prison for violating conditions of their postrelease supervision not involving a new criminal conviction and whose last facility security custody status was not either special management or maximum. ~~This presumption shall be applied to the initial security custody status assigned to the offender upon readmission into a correctional facility.~~ *Inmates sentenced to a state substance abuse treatment facility established by the department of corrections, to a facility designated by the secretary for the provision of substance abuse treatment, or for whom the court has recommended intensive substance abuse treatment, shall have a presumption of minimum security status. These presumptions of minimum security status shall be applied to the initial security custody upon readmission into a correctional facility or admission into a state substance abuse treatment facility, unless the security custody status is increased pursuant to policies adopted by the secretary. The security custody status designated by the department shall not be subject to judicial review.*

(c) The secretary, with the cooperation of the department of health and environment, shall adopt rules and regulations establishing and prescribing standards for health, medical and dental services for each institution, including preventive, diagnostic and therapeutic measures on both an outpatient and a hospital basis, for all types of patients. An inmate may be taken, when necessary, to a medical facility outside the institution.

(d) Under rules and regulations adopted by the secretary, directors of institutions may authorize visits, correspondence and communication, under reasonable conditions, between inmates and appropriate friends, relatives and others.

(e) The secretary shall adopt rules and regulations under which inmates, as part of a program anticipating their release from minimum security status, may be granted temporary furloughs from a correctional institution or contract facility to visit their families or to be interviewed by prospective employers.

(f) The secretary shall adopt rules and regulations for the maintenance of good order and discipline in the correctional institutions, including procedures for dealing with violations. Disciplinary rules and regulations may provide a system of punishment including segregation, forfeitures of good time earned, fines, extra work, loss of privileges, restrictions and payment of restitution.

The secretary and any persons designated by rules and regulations of the secretary may administer oaths for the purpose of conducting investigations and disciplinary proceedings pursuant to rules and regulations adopted by the secretary under this subsection and under K.S.A. 75-5251 and amendments thereto. For this purpose, the secretary shall adopt rules

and regulations designating those persons who may administer oaths in such investigations and proceedings and the form and manner of administration of the oaths.

(g) A copy of the rules and regulations adopted pursuant to subsection (f) shall be provided to each inmate. Other rules and regulations of the secretary which are required to be published pursuant to K.S.A. 77-415 through 77-437, and amendments thereto, shall be made available to inmates by placing a copy in the inmate library at the institution or by some other means providing reasonable accessibility to inmates.

(h) Any inmate participating in work and educational release programs under the provisions of K.S.A. 75-5267 and amendments thereto shall continue to be in the legal custody of the secretary of corrections, notwithstanding the inmate's absence from a correctional institution by reason of employment, education or for any other purpose related to such work and educational release programs, and any employer or educator of that person shall be considered the representative or agent for the secretary.

(i) The secretary shall establish administrative and fiscal procedures to permit the use of regional or community institutions, local governmental or private facilities or halfway houses for the placement of inmates released for the purposes of this act and for the work and educational release programs under K.S.A. 75-5267 and amendments thereto.

(j) The secretary may establish correctional work facilities and select inmates to be assigned to such facilities.

(k) The secretary may acquire, in the name of the state, by lease, purchase or contract additional facilities as may be needed for the housing of persons in the secretary's custody.

(l) The secretary is hereby authorized to use any of the inmates assigned to the secretary's custody in the construction and repair of buildings or property on state owned or leased grounds.

(m) For the purposes of establishing and carrying out the programs provided for by subsection (a) and by K.S.A. 75-5267 and amendments thereto, the secretary may contract with qualified individuals, partnerships, corporations or organizations; with agencies of the state; or with the United States or any political subdivision of the state, or any agency thereof.

Sec. 7. K.S.A. 2007 Supp. 75-5220 is hereby amended to read as follows: 75-5220. (a) Except as provided in subsection (d), within three business days of receipt of the notice provided for in K.S.A. 75-5218 and amendments thereto, the secretary of corrections shall notify the sheriff having such offender in custody to convey such offender immediately to the department of corrections reception and diagnostic unit or if space is not available at such facility, then to some other state correctional institution until space at the facility is available, except that, in the case of first offenders who are conveyed to a state correctional institution other than the reception and diagnostic unit, such offenders shall be segregated from the inmates of such correctional institution who are not being held in custody at such institution pending transfer to the reception and diagnostic unit when space is available therein. The expenses of any such conveyance shall be charged against and paid out of the general fund of the county whose sheriff conveys the offender to the institution as provided in this subsection.

(b) Any female offender sentenced according to the provisions of K.S.A. 75-5229 and amendments thereto shall be conveyed by the sheriff having such offender in custody directly to a correctional institution designated by the secretary of corrections, subject to the provisions of K.S.A. 75-52,134 and amendments thereto. The expenses of such conveyance to the designated institution shall be charged against and paid out of the general fund of the county whose sheriff conveys such female offender to such institution.

(c) Each offender conveyed to a state correctional institution pursuant to this section shall be accompanied by the record of the offender's trial and conviction as prepared by the clerk of the district court in accordance with K.S.A. 75-5218 and amendments thereto.

(d) If the offender in the custody of the secretary is a juvenile, as described in K.S.A. 2007 Supp. 38-2366, and amendments thereto, such juvenile shall not be transferred to the state reception and diagnostic center until such time as such juvenile is to be transferred from a juvenile correctional facility to a department of corrections institution or facility.

(e) *Any offender sentenced to a state substance abuse treatment facility established by the department of corrections shall not be transferred to the state reception and diagnostic center but directly to such state substance abuse treatment facility, unless otherwise directed by*

the secretary. The secretary may transfer the housing and confinement of any offender sentenced to a state substance abuse treatment facility to any institution or facility pursuant to K.S.A. 75-5206, and amendments thereto.”;

And by renumbering the remaining sections accordingly;

Also on page 16, in line 10, following “28-176” by inserting “, 75-5210 and 75-5220”

In the title, in line 14, following “28-176” by inserting “, 75-5210 and 75-5220”; and the bill be passed as amended.

HB 2845 be amended on page 1, by striking all in lines 14 through 43;

By striking all on page 2;

On page 3, by striking all in lines 1 through 8;

And by renumbering the remaining sections accordingly;

Also on page 3, in line 9, by striking “Sec.” and inserting “Section”; in line 36, by striking “21-3701, 21-3702 and”; also in line 36, by striking “are” and inserting “is”;

In the title, in line 10, by striking “theft and”; also in line 10, by striking all following “K.S.A.”; in line 11, by striking “sections” and inserting “section”; and the bill be passed as amended.

Committee on **Transportation** recommends **HB 2119**, as amended by House Committee, be amended by substituting a new bill to be designated as “SENATE Substitute for HOUSE BILL No. 2119,” as follows:

“SENATE Substitute for HOUSE BILL No. 2119

By Committee on Transportation

“AN ACT regulating traffic; concerning micro utility trucks; relating to the regulation thereof; amending K.S.A. 8-2401 and K.S.A. 2007 Supp. 8-126, 8-128, 8-197, 8-1486, 8-1493 and 8-2118 and repealing the existing sections; also repealing K.S.A. 2007 Supp. 8-15,105.”;

and the substitute bill be passed.

Committee on **Utilities** recommends **HB 2681** be passed and, because the committee is of the opinion that the bill is of a noncontroversial nature, be placed on the consent calendar.

Also, **HB 2632** be amended on page 1, after line 13, by inserting the following: “Section 1. K.S.A. 65-3008 is hereby amended to read as follows: 65-3008. (a) No person shall construct, own, operate, install, alter or use any air contaminant emission stationary source which, in accordance with rules and regulations, the secretary finds may cause or contribute to air pollution, unless an appropriate approval or permit has been issued for the source by the secretary under this act. Approvals or permits issued by the secretary may be subject to conditions consistent with the purposes of this act and rules and regulations promulgated under this act.

(b) The secretary shall require that applications for approvals and permits, and renewals thereof, under this act shall be accompanied by application fees and such plans, specifications, compliance plans or other information as the secretary deems necessary. Applications shall be submitted on forms provided by the secretary and shall be signed by a responsible official of the source, who shall certify the accuracy of the information submitted.

(c) The issuance or holding of an approval or permit shall not convey any property right or exclusive privilege to the holder thereof.

(d) Without any further action on the part of the secretary, an approval or a permit shall become void and without effect on its expiration date unless a completed application form and any required fee are filed with the secretary on or before the expiration date of the approval or the permit. For purposes of this subsection, the secretary may specify by rule and regulation an amount of time prior to the expiration date of an operating permit by which a complete application form and any required fee must be filed with the secretary in order to be considered timely filed. The secretary may provide for a grace period by rule and regulation.

(e) The secretary may issue by rule and regulation a general approval or permit covering numerous similar sources. Any general approval or permit shall comply with all requirements applicable to approvals or permits under this act. Any source covered by a general approval or permit must apply to the secretary and receive authority to operate under the general approval or permit.

(f) The secretary may fix, charge and collect fees for approvals and permits, and the renewal thereof, to cover all or any part of the cost of administering the provisions of Kansas air quality act, other than K.S.A. 65-3027. The secretary shall adopt rules and regulations fixing such fees. The fees shall be deposited in the state treasury and credited to the state general fund, except that if all or any portion of the regulatory services for which a fee is collected under this section is performed by a county, city-county or multicounty health department, that portion of such fee which pertains to such services, as determined by the secretary, shall be credited to the local air quality control authority regulation services fund, which is hereby created in the state treasury, and shall be paid from such fund to such local air quality control authority.

(g) *In considering an application for issuance or renewal of any permit for an electric generating unit, other than a municipally owned or operated unit, the secretary shall consider and apply the same standards and criteria that the secretary considered in acting on the application for a construction permit for a new pulverized coal electricity generating facility to be constructed in Kansas having 1400 megawatts or more nameplate capacity and co-located with an existing coal-fired electric generating unit in western Kansas that has greater than 325 megawatts nameplate capacity. The provisions of this subsection shall not apply to nuclear generation facilities.*;

COMMITTEE OF THE WHOLE

On motion of Senator D. Schmidt, the Senate resolved itself into Committee of the Whole for consideration of bills on the calendar under the heading of General Orders with Senator Apple in the Chair.

On motion of Senator Apple the following report was adopted:

Recommended **HB 2520, HB 2714, HB 2726, HB 2740, HB 2905** be passed.

SB 544, SB 566; HB 2188, HB 2562, HB 2642, HB 2643, HB 2700, HB 2707, HB 2892 be amended by adoption of the committee amendments, and the bills be passed as amended.

S Sub HB 2529 be amended by adoption of the committee amendments, be amended by motion of Senator Lee, on page 1, in line 36, after the period, by inserting “The provisions of this act shall be part of and supplemental to the homestead property tax refund act.”, and **S Sub HB 2529** be passed as amended.

SB 675 be amended by adoption of the committee amendments and the bill be passed as amended.

Having previously voted on the prevailing side on **SB 675**, Senator Brungardt moved the Senate reconsider its action on **SB 675** and moved that **SB 675** be further amended, on page 1, in line 15, by striking “any”, and **SB 675** be passed as further amended.

HB 2018 be amended by adoption of the committee amendments, and be further amended by motion of Senator Bruce, on page 11, in line 27, after the period, by inserting “The provisions of this act shall apply only to those cases whose final order is issued after July 1, 2008.”, and **HB 2018** be passed as further amended.

HB 2750 be amended by adoption of the committee amendments, and be further amended by motion of Senator Betts, on page 11, after line 5, by inserting the following:

“Sec. 5. K.S.A. 2007 Supp. 79-3606 is hereby amended to read as follows: 79-3606. The following shall be exempt from the tax imposed by this act:

(a) All sales of motor-vehicle fuel or other articles upon which a sales or excise tax has been paid, not subject to refund, under the laws of this state except cigarettes as defined by K.S.A. 79-3301 and amendments thereto, cereal malt beverages and malt products as defined by K.S.A. 79-3817 and amendments thereto, including wort, liquid malt, malt syrup and malt extract, which is not subject to taxation under the provisions of K.S.A. 79-41a02 and amendments thereto, motor vehicles taxed pursuant to K.S.A. 79-5117, and amendments thereto, tires taxed pursuant to K.S.A. 65-3424d, and amendments thereto, drycleaning and laundry services taxed pursuant to K.S.A. 65-34,150, and amendments thereto, and gross receipts from regulated sports contests taxed pursuant to the Kansas professional regulated sports act, and amendments thereto;

(b) all sales of tangible personal property or service, including the renting and leasing of tangible personal property, purchased directly by the state of Kansas, a political subdivision thereof, other than a school or educational institution, or purchased by a public or private nonprofit hospital or public hospital authority or nonprofit blood, tissue or organ bank and used exclusively for state, political subdivision, hospital or public hospital authority or nonprofit blood, tissue or organ bank purposes, except when: (1) Such state, hospital or public hospital authority is engaged or proposes to engage in any business specifically taxable under the provisions of this act and such items of tangible personal property or service are used or proposed to be used in such business, or (2) such political subdivision is engaged or proposes to engage in the business of furnishing gas, electricity or heat to others and such items of personal property or service are used or proposed to be used in such business;

(c) all sales of tangible personal property or services, including the renting and leasing of tangible personal property, purchased directly by a public or private elementary or secondary school or public or private nonprofit educational institution and used primarily by such

school or institution for nonsectarian programs and activities provided or sponsored by such school or institution or in the erection, repair or enlargement of buildings to be used for such purposes. The exemption herein provided shall not apply to erection, construction, repair, enlargement or equipment of buildings used primarily for human habitation;

(d) all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any public or private nonprofit hospital or public hospital authority, public or private elementary or secondary school, a public or private nonprofit educational institution, state correctional institution including a privately constructed correctional institution contracted for state use and ownership, which would be exempt from taxation under the provisions of this act if purchased directly by such hospital or public hospital authority, school, educational institution or a state correctional institution; and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any political subdivision of the state or district described in subsection (s), the total cost of which is paid from funds of such political subdivision or district and which would be exempt from taxation under the provisions of this act if purchased directly by such political subdivision or district. Nothing in this subsection or in the provisions of K.S.A. 12-3418 and amendments thereto, shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any political subdivision of the state or any such district. As used in this subsection, K.S.A. 12-3418 and 79-3640, and amendments thereto, "funds of a political subdivision" shall mean general tax revenues, the proceeds of any bonds and gifts or grants-in-aid. Gifts shall not mean funds used for the purpose of constructing, equipping, reconstructing, repairing, enlarging, furnishing or remodeling facilities which are to be leased to the donor. When any political subdivision of the state, district described in subsection (s), public or private nonprofit hospital or public hospital authority, public or private elementary or secondary school, public or private nonprofit educational institution, state correctional institution including a privately constructed correctional institution contracted for state use and ownership shall contract for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or department of corrections concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. As an alternative to the foregoing procedure, any such contracting entity may apply to the secretary of revenue for agent status for the sole purpose of issuing and furnishing project exemption certificates to contractors pursuant to rules and regulations adopted by the secretary establishing conditions and standards for the granting and maintaining of such status. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials which will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20th day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or the contractor contracting with the department of corrections for a correctional institution concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise

dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto;

(e) all sales of tangible personal property or services purchased by a contractor for the erection, repair or enlargement of buildings or other projects for the government of the United States, its agencies or instrumentalities, which would be exempt from taxation if purchased directly by the government of the United States, its agencies or instrumentalities. When the government of the United States, its agencies or instrumentalities shall contract for the erection, repair, or enlargement of any building or other project, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificates to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the government of the United States, its agencies or instrumentalities concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. As an alternative to the foregoing procedure, any such contracting entity may apply to the secretary of revenue for agent status for the sole purpose of issuing and furnishing project exemption certificates to contractors pursuant to rules and regulations adopted by the secretary establishing conditions and standards for the granting and maintaining of such status. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615 and amendments thereto;

(f) tangible personal property purchased by a railroad or public utility for consumption or movement directly and immediately in interstate commerce;

(g) sales of aircraft including remanufactured and modified aircraft sold to persons using directly or through an authorized agent such aircraft as certified or licensed carriers of persons or property in interstate or foreign commerce under authority of the laws of the United States or any foreign government or sold to any foreign government or agency or instrumentality of such foreign government and all sales of aircraft for use outside of the United States and sales of aircraft repair, modification and replacement parts and sales of services employed in the remanufacture, modification and repair of aircraft;

(h) all rentals of nonsectarian textbooks by public or private elementary or secondary schools;

(i) the lease or rental of all films, records, tapes, or any type of sound or picture transcriptions used by motion picture exhibitors;

(j) meals served without charge or food used in the preparation of such meals to employees of any restaurant, eating house, dining car, hotel, drugstore or other place where meals or drinks are regularly sold to the public if such employees' duties are related to the furnishing or sale of such meals or drinks;

(k) any motor vehicle, semitrailer or pole trailer, as such terms are defined by K.S.A. 8-126 and amendments thereto, or aircraft sold and delivered in this state to a bona fide resident of another state, which motor vehicle, semitrailer, pole trailer or aircraft is not to be registered or based in this state and which vehicle, semitrailer, pole trailer or aircraft will not remain in this state more than 10 days;

(l) all isolated or occasional sales of tangible personal property, services, substances or things, except isolated or occasional sale of motor vehicles specifically taxed under the provisions of subsection (o) of K.S.A. 79-3603 and amendments thereto;

(m) all sales of tangible personal property which become an ingredient or component part of tangible personal property or services produced, manufactured or compounded for

ultimate sale at retail within or without the state of Kansas; and any such producer, manufacturer or compounder may obtain from the director of taxation and furnish to the supplier an exemption certificate number for tangible personal property for use as an ingredient or component part of the property or services produced, manufactured or compounded;

(n) all sales of tangible personal property which is consumed in the production, manufacture, processing, mining, drilling, refining or compounding of tangible personal property, the treating of by-products or wastes derived from any such production process, the providing of services or the irrigation of crops for ultimate sale at retail within or without the state of Kansas; and any purchaser of such property may obtain from the director of taxation and furnish to the supplier an exemption certificate number for tangible personal property for consumption in such production, manufacture, processing, mining, drilling, refining, compounding, treating, irrigation and in providing such services;

(o) all sales of animals, fowl and aquatic plants and animals, the primary purpose of which is use in agriculture or aquaculture, as defined in K.S.A. 47-1901, and amendments thereto, the production of food for human consumption, the production of animal, dairy, poultry or aquatic plant and animal products, fiber or fur, or the production of offspring for use for any such purpose or purposes;

(p) all sales of drugs dispensed pursuant to a prescription order by a licensed practitioner or a mid-level practitioner as defined by K.S.A. 65-1626, and amendments thereto. As used in this subsection, "drug" means a compound, substance or preparation and any component of a compound, substance or preparation, other than food and food ingredients, dietary supplements or alcoholic beverages, recognized in the official United States pharmacopoeia, official homeopathic pharmacopoeia of the United States or official national formulary, and supplement to any of them, intended for use in the diagnosis, cure, mitigation, treatment or prevention of disease or intended to affect the structure or any function of the body;

(q) all sales of insulin dispensed by a person licensed by the state board of pharmacy to a person for treatment of diabetes at the direction of a person licensed to practice medicine by the board of healing arts;

(r) all sales of oxygen delivery equipment, kidney dialysis equipment, enteral feeding systems, prosthetic devices and mobility enhancing equipment prescribed in writing by a person licensed to practice the healing arts, dentistry or optometry, and in addition to such sales, all sales of hearing aids, as defined by subsection (c) of K.S.A. 74-5807, and amendments thereto, and repair and replacement parts therefor, including batteries, by a person licensed in the practice of dispensing and fitting hearing aids pursuant to the provisions of K.S.A. 74-5808, and amendments thereto. For the purposes of this subsection: (1) "Mobility enhancing equipment" means equipment including repair and replacement parts to same, but does not include durable medical equipment, which is primarily and customarily used to provide or increase the ability to move from one place to another and which is appropriate for use either in a home or a motor vehicle; is not generally used by persons with normal mobility; and does not include any motor vehicle or equipment on a motor vehicle normally provided by a motor vehicle manufacturer; and (2) "prosthetic device" means a replacement, corrective or supportive device including repair and replacement parts for same worn on or in the body to artificially replace a missing portion of the body, prevent or correct physical deformity or malfunction or support a weak or deformed portion of the body;

(s) except as provided in K.S.A. 2007 Supp. 82a-2101, and amendments thereto, all sales of tangible personal property or services purchased directly or indirectly by a groundwater management district organized or operating under the authority of K.S.A. 82a-1020 et seq. and amendments thereto, by a rural water district organized or operating under the authority of K.S.A. 82a-612, and amendments thereto, or by a water supply district organized or operating under the authority of K.S.A. 19-3501 et seq., 19-3522 et seq. or 19-3545, and amendments thereto, which property or services are used in the construction activities, operation or maintenance of the district;

(t) all sales of farm machinery and equipment or aquaculture machinery and equipment, repair and replacement parts therefor and services performed in the repair and maintenance of such machinery and equipment. For the purposes of this subsection the term "farm machinery and equipment or aquaculture machinery and equipment" shall include a work-site utility vehicle, as defined in K.S.A. 8-126, and amendments thereto, and is equipped

with a bed or cargo box for hauling materials, and shall also include machinery and equipment used in the operation of Christmas tree farming but shall not include any passenger vehicle, truck, truck tractor, trailer, semitrailer or pole trailer, other than a farm trailer, as such terms are defined by K.S.A. 8-126 and amendments thereto. "Farm machinery and equipment" includes precision farming equipment that is portable or is installed or purchased to be installed on farm machinery and equipment. "Precision farming equipment" includes the following items used only in computer-assisted farming, ranching or aquaculture production operations: Soil testing sensors, yield monitors, computers, monitors, software, global positioning and mapping systems, guiding systems, modems, data communications equipment and any necessary mounting hardware, wiring and antennas. Each purchaser of farm machinery and equipment or aquaculture machinery and equipment exempted herein must certify in writing on the copy of the invoice or sales ticket to be retained by the seller that the farm machinery and equipment or aquaculture machinery and equipment purchased will be used only in farming, ranching or aquaculture production. Farming or ranching shall include the operation of a feedlot and farm and ranch work for hire and the operation of a nursery;

(u) all leases or rentals of tangible personal property used as a dwelling if such tangible personal property is leased or rented for a period of more than 28 consecutive days;

(v) all sales of tangible personal property to any contractor for use in preparing meals for delivery to homebound elderly persons over 60 years of age and to homebound disabled persons or to be served at a group-sitting at a location outside of the home to otherwise homebound elderly persons over 60 years of age and to otherwise homebound disabled persons, as all or part of any food service project funded in whole or in part by government or as part of a private nonprofit food service project available to all such elderly or disabled persons residing within an area of service designated by the private nonprofit organization, and all sales of tangible personal property for use in preparing meals for consumption by indigent or homeless individuals whether or not such meals are consumed at a place designated for such purpose, and all sales of food products by or on behalf of any such contractor or organization for any such purpose;

(w) all sales of natural gas, electricity, heat and water delivered through mains, lines or pipes: (1) To residential premises for noncommercial use by the occupant of such premises; (2) for agricultural use and also, for such use, all sales of propane gas; (3) for use in the severing of oil; and (4) to any property which is exempt from property taxation pursuant to K.S.A. 79-201b *Second* through *Sixth*. As used in this paragraph, "severing" shall have the meaning ascribed thereto by subsection (k) of K.S.A. 79-4216, and amendments thereto. For all sales of natural gas, electricity and heat delivered through mains, lines or pipes pursuant to the provisions of subsection (w)(1) and (w)(2), the provisions of this subsection shall expire on December 31, 2005;

(x) all sales of propane gas, LP-gas, coal, wood and other fuel sources for the production of heat or lighting for noncommercial use of an occupant of residential premises occurring prior to January 1, 2006;

(y) all sales of materials and services used in the repairing, servicing, altering, maintaining, manufacturing, remanufacturing, or modification of railroad rolling stock for use in interstate or foreign commerce under authority of the laws of the United States;

(z) all sales of tangible personal property and services purchased directly by a port authority or by a contractor therefor as provided by the provisions of K.S.A. 12-3418 and amendments thereto;

(aa) all sales of materials and services applied to equipment which is transported into the state from without the state for repair, service, alteration, maintenance, remanufacture or modification and which is subsequently transported outside the state for use in the transmission of liquids or natural gas by means of pipeline in interstate or foreign commerce under authority of the laws of the United States;

(bb) all sales of used mobile homes or manufactured homes. As used in this subsection: (1) "Mobile homes" and "manufactured homes" shall have the meanings ascribed thereto by K.S.A. 58-4202 and amendments thereto; and (2) "sales of used mobile homes or manufactured homes" means sales other than the original retail sale thereof;

(cc) all sales of tangible personal property or services purchased for the purpose of and in conjunction with constructing, reconstructing, enlarging or remodeling a business or retail business which meets the requirements established in K.S.A. 74-50,115 and amendments thereto, and the sale and installation of machinery and equipment purchased for installation at any such business or retail business. When a person shall contract for the construction, reconstruction, enlargement or remodeling of any such business or retail business, such person shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials, machinery and equipment for incorporation in such project. The contractor shall furnish the number of such certificates to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the owner of the business or retail business a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials, machinery or equipment purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed thereon, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615 and amendments thereto. As used in this subsection, "business" and "retail business" have the meanings respectively ascribed thereto by K.S.A. 74-50,114 and amendments thereto;

(dd) all sales of tangible personal property purchased with food stamps issued by the United States department of agriculture;

(ee) all sales of lottery tickets and shares made as part of a lottery operated by the state of Kansas;

(ff) on and after July 1, 1988, all sales of new mobile homes or manufactured homes to the extent of 40% of the gross receipts, determined without regard to any trade-in allowance, received from such sale. As used in this subsection, "mobile homes" and "manufactured homes" shall have the meanings ascribed thereto by K.S.A. 58-4202 and amendments thereto;

(gg) all sales of tangible personal property purchased in accordance with vouchers issued pursuant to the federal special supplemental food program for women, infants and children;

(hh) all sales of medical supplies and equipment, including durable medical equipment, purchased directly by a nonprofit skilled nursing home or nonprofit intermediate nursing care home, as defined by K.S.A. 39-923, and amendments thereto, for the purpose of providing medical services to residents thereof. This exemption shall not apply to tangible personal property customarily used for human habitation purposes. As used in this subsection, "durable medical equipment" means equipment including repair and replacement parts for such equipment, which can withstand repeated use, is primarily and customarily used to serve a medical purpose, generally is not useful to a person in the absence of illness or injury and is not worn in or on the body, but does not include mobility enhancing equipment as defined in subsection (r), oxygen delivery equipment, kidney dialysis equipment or enteral feeding systems;

(ii) all sales of tangible personal property purchased directly by a nonprofit organization for nonsectarian comprehensive multidiscipline youth development programs and activities provided or sponsored by such organization, and all sales of tangible personal property by or on behalf of any such organization. This exemption shall not apply to tangible personal property customarily used for human habitation purposes;

(jj) all sales of tangible personal property or services, including the renting and leasing of tangible personal property, purchased directly on behalf of a community-based mental retardation facility or mental health center organized pursuant to K.S.A. 19-4001 et seq., and amendments thereto, and licensed in accordance with the provisions of K.S.A. 75-3307b and amendments thereto and all sales of tangible personal property or services purchased by contractors during the time period from July, 2003, through June, 2006, for the purpose of constructing, equipping, maintaining or furnishing a new facility for a community-based

mental retardation facility or mental health center located in Riverton, Cherokee County, Kansas, which would have been eligible for sales tax exemption pursuant to this subsection if purchased directly by such facility or center. This exemption shall not apply to tangible personal property customarily used for human habitation purposes;

(kk) (1) (A) all sales of machinery and equipment which are used in this state as an integral or essential part of an integrated production operation by a manufacturing or processing plant or facility;

(B) all sales of installation, repair and maintenance services performed on such machinery and equipment; and

(C) all sales of repair and replacement parts and accessories purchased for such machinery and equipment.

(2) For purposes of this subsection:

(A) "Integrated production operation" means an integrated series of operations engaged in at a manufacturing or processing plant or facility to process, transform or convert tangible personal property by physical, chemical or other means into a different form, composition or character from that in which it originally existed. Integrated production operations shall include: (i) Production line operations, including packaging operations; (ii) preproduction operations to handle, store and treat raw materials; (iii) post production handling, storage, warehousing and distribution operations; and (iv) waste, pollution and environmental control operations, if any;

(B) "production line" means the assemblage of machinery and equipment at a manufacturing or processing plant or facility where the actual transformation or processing of tangible personal property occurs;

(C) "manufacturing or processing plant or facility" means a single, fixed location owned or controlled by a manufacturing or processing business that consists of one or more structures or buildings in a contiguous area where integrated production operations are conducted to manufacture or process tangible personal property to be ultimately sold at retail. Such term shall not include any facility primarily operated for the purpose of conveying or assisting in the conveyance of natural gas, electricity, oil or water. A business may operate one or more manufacturing or processing plants or facilities at different locations to manufacture or process a single product of tangible personal property to be ultimately sold at retail;

(D) "manufacturing or processing business" means a business that utilizes an integrated production operation to manufacture, process, fabricate, finish, or assemble items for wholesale and retail distribution as part of what is commonly regarded by the general public as an industrial manufacturing or processing operation or an agricultural commodity processing operation. (i) Industrial manufacturing or processing operations include, by way of illustration but not of limitation, the fabrication of automobiles, airplanes, machinery or transportation equipment, the fabrication of metal, plastic, wood, or paper products, electricity power generation, water treatment, petroleum refining, chemical production, wholesale bottling, newspaper printing, ready mixed concrete production, and the remanufacturing of used parts for wholesale or retail sale. Such processing operations shall include operations at an oil well, gas well, mine or other excavation site where the oil, gas, minerals, coal, clay, stone, sand or gravel that has been extracted from the earth is cleaned, separated, crushed, ground, milled, screened, washed, or otherwise treated or prepared before its transmission to a refinery or before any other wholesale or retail distribution. (ii) Agricultural commodity processing operations include, by way of illustration but not of limitation, meat packing, poultry slaughtering and dressing, processing and packaging farm and dairy products in sealed containers for wholesale and retail distribution, feed grinding, grain milling, frozen food processing, and grain handling, cleaning, blending, fumigation, drying and aeration operations engaged in by grain elevators or other grain storage facilities. (iii) Manufacturing or processing businesses do not include, by way of illustration but not of limitation, nonindustrial businesses whose operations are primarily retail and that produce or process tangible personal property as an incidental part of conducting the retail business, such as retailers who bake, cook or prepare food products in the regular course of their retail trade, grocery stores, meat lockers and meat markets that butcher or dress livestock or poultry in the regular course of their retail trade, contractors who alter, service, repair or improve real

property, and retail businesses that clean, service or refurbish and repair tangible personal property for its owner;

(E) "repair and replacement parts and accessories" means all parts and accessories for exempt machinery and equipment, including, but not limited to, dies, jigs, molds, patterns and safety devices that are attached to exempt machinery or that are otherwise used in production, and parts and accessories that require periodic replacement such as belts, drill bits, grinding wheels, grinding balls, cutting bars, saws, refractory brick and other refractory items for exempt kiln equipment used in production operations;

(F) "primary" or "primarily" mean more than 50% of the time.

(3) For purposes of this subsection, machinery and equipment shall be deemed to be used as an integral or essential part of an integrated production operation when used:

(A) To receive, transport, convey, handle, treat or store raw materials in preparation of its placement on the production line;

(B) to transport, convey, handle or store the property undergoing manufacturing or processing at any point from the beginning of the production line through any warehousing or distribution operation of the final product that occurs at the plant or facility;

(C) to act upon, effect, promote or otherwise facilitate a physical change to the property undergoing manufacturing or processing;

(D) to guide, control or direct the movement of property undergoing manufacturing or processing;

(E) to test or measure raw materials, the property undergoing manufacturing or processing or the finished product, as a necessary part of the manufacturer's integrated production operations;

(F) to plan, manage, control or record the receipt and flow of inventories of raw materials, consumables and component parts, the flow of the property undergoing manufacturing or processing and the management of inventories of the finished product;

(G) to produce energy for, lubricate, control the operating of or otherwise enable the functioning of other production machinery and equipment and the continuation of production operations;

(H) to package the property being manufactured or processed in a container or wrapping in which such property is normally sold or transported;

(I) to transmit or transport electricity, coke, gas, water, steam or similar substances used in production operations from the point of generation, if produced by the manufacturer or processor at the plant site, to that manufacturer's production operation; or, if purchased or delivered from offsite, from the point where the substance enters the site of the plant or facility to that manufacturer's production operations;

(J) to cool, heat, filter, refine or otherwise treat water, steam, acid, oil, solvents or other substances that are used in production operations;

(K) to provide and control an environment required to maintain certain levels of air quality, humidity or temperature in special and limited areas of the plant or facility, where such regulation of temperature or humidity is part of and essential to the production process;

(L) to treat, transport or store waste or other byproducts of production operations at the plant or facility; or

(M) to control pollution at the plant or facility where the pollution is produced by the manufacturing or processing operation.

(4) The following machinery, equipment and materials shall be deemed to be exempt even though it may not otherwise qualify as machinery and equipment used as an integral or essential part of an integrated production operation: (A) Computers and related peripheral equipment that are utilized by a manufacturing or processing business for engineering of the finished product or for research and development or product design; (B) machinery and equipment that is utilized by a manufacturing or processing business to manufacture or rebuild tangible personal property that is used in manufacturing or processing operations, including tools, dies, molds, forms and other parts of qualifying machinery and equipment; (C) portable plants for aggregate concrete, bulk cement and asphalt including cement mixing drums to be attached to a motor vehicle; (D) industrial fixtures, devices, support facilities and special foundations necessary for manufacturing and production operations, and materials and other tangible personal property sold for the purpose of fabricating such fixtures,

devices, facilities and foundations. An exemption certificate for such purchases shall be signed by the manufacturer or processor. If the fabricator purchases such material, the fabricator shall also sign the exemption certificate; and (E) a manufacturing or processing business' laboratory equipment that is not located at the plant or facility, but that would otherwise qualify for exemption under subsection (3)(E).

(5) "Machinery and equipment used as an integral or essential part of an integrated production operation" shall not include:

(A) Machinery and equipment used for nonproduction purposes, including, but not limited to, machinery and equipment used for plant security, fire prevention, first aid, accounting, administration, record keeping, advertising, marketing, sales or other related activities, plant cleaning, plant communications, and employee work scheduling;

(B) machinery, equipment and tools used primarily in maintaining and repairing any type of machinery and equipment or the building and plant;

ation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, and which such property and services are used for the purpose of providing for the prevention and treatment of child abuse and maltreatment as well as meeting additional critical needs for children, juveniles and family, and all sales of any such property by or on behalf of KCSL for any such purpose; and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for the operation of services for KCSL for any such purpose which would be exempt from taxation under the provisions of this section if purchased directly by KCSL. Nothing in this subsection shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, maintaining, repairing, enlarging, furnishing or remodeling such facilities for KCSL. When KCSL contracts for the purpose of constructing, maintaining, repairing, enlarging, furnishing or remodeling such facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to KCSL a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials which will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20th day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, KCSL shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto;

(vvv) all sales of tangible personal property or services, including the renting and leasing of tangible personal property or services, *purchased* by Jazz in the Woods, Inc., a Kansas corporation which is exempt from federal income taxation pursuant to section 501 (c)(3) of the federal internal revenue code, for the purpose of providing Jazz in the Woods, an event benefiting children-in-need and other nonprofit charities assisting such children, and all sales of any such property by or on behalf of such organization for such purpose;

(www) all sales of tangible personal property purchased by or on behalf of the Frontenac Education Foundation, which is exempt from federal income taxation pursuant to section 501 (c)(3) of the federal internal revenue code, for the purpose of providing education support for students, and all sales of any such property by or on behalf of such organization for such purpose;

(xxx) all sales of personal property and services purchased by the booth theatre foundation, inc., an organization which is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, and which such personal property and services are used by any such organization in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling of the booth theatre, and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling the booth theatre for such organization, which would be exempt from taxation under the provisions of this section if purchased directly by such organization. Nothing in this subsection shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any such organization. When any

such organization shall contract for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to such organization concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in such facilities or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials which will not be so incorporated in such facilities reported and paid by such contractor to the director of taxation not later than the 20th day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, such organization concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto. Sales tax paid on and after January 1, 2007, but prior to the effective date of this act upon the gross receipts received from any sale which would have been exempted by the provisions of this subsection had such sale occurred after the effective date of this act shall be refunded. Each claim for a sales tax refund shall be verified and submitted to the director of taxation upon forms furnished by the director and shall be accompanied by any additional documentation required by the director. The director shall review each claim and shall refund that amount of sales tax paid as determined under the provisions of this subsection. All refunds shall be paid from the sales tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director or the director's designee;

(yyy) all sales of tangible personal property and services purchased by TLC charities foundation, inc., hereinafter referred to as TLC charities, which is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, and which such property and services are used for the purpose of encouraging private philanthropy to further the vision, values, and goals of TLC for children and families, inc.; and all sales of such property and services by or on behalf of TLC charities for any such purpose and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for the operation of services for TLC charities for any such purpose which would be exempt from taxation under the provisions of this section if purchased directly by TLC charities. Nothing in this subsection shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, maintaining, repairing, enlarging, furnishing or remodeling such facilities for TLC charities. When TLC charities contracts for the purpose of constructing, maintaining, repairing, enlarging, furnishing or remodeling such facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to TLC charities a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project

or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials which will not be incorporated into the building or other project reported and paid by such contractor to the director of taxation not later than the 20th day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, TLC charities shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in subsection (g) of K.S.A. 79-3615, and amendments thereto;
