TWENTY-NINTH DAY

---

HALL OF THE HOUSE OF REPRESENTATIVES,  
TOPEKA, KS, Friday, February 19, 2010, 9:00 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair.  
The roll was called with 122 members present.  
Reps. Donohoe and Johnson were excused on verified illness.  
Rep. Bethell was excused on legislative business.

Prayer by Chaplain Brubaker:

Our Heavenly Father,  
We read in the Gospels how you multiplied  
the five loaves of bread and two fish  
to feed the five thousand men,  
plus the women and children.  
It was a miracle indeed.  
Today as our representatives work  
to meet the needs of what must seem to be  
5,000+ agencies and departments—  
each with legitimate needs—  
it seems as though they are trying  
to fulfill the needs with  
five loaves and two fish.  
We either need a miracle . . .  
or Your wisdom to guide us.  
As we enter into a long weekend,  
we ask that You give us clear minds  
and a clear direction of how to resolve  
these needs and issues . . .  
or nicer weather so we can go fishing!  
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Maloney.

## EXPLANATIONS OF VOTE

MR. SPEAKER: In all good conscience, I can't vote for a bill that is a mandate on schools when we continue to cut funding, aid to schools is continually mailed out late, and we have a \$350 to \$400 million dollar budget shortfall. Amendments were continually being drawn at the well to get votes without knowing what the financial impact will be to either the districts or the budget. I vote NO on **HB 2239**.—CINDY NEIGHBOR

MR. SPEAKER: On **HB 2239**, no one can tell us how many questions are to be asked, how many categories of questions they have or even what categories are to be included. What we have is not a law but merely a concept. Concept as law equals chaos. I vote no.—SHERYL SPALDING, PAT COLLOTON

MR. SPEAKER: I was against this but we took the penalties out, and it will not burden schools to make them account for money so that everyone can understand where they spend it. Mr. Speaker, I vote yes on **HB 2239**.—BILL OTTO

MR. SPEAKER: I vote yes on **HB 2239**. Kansas taxpayers, businesses and families are continuing to make tremendous sacrifices in order to fund our schools, which constitute the dominant portion of our state budget. This is a basic step to ensure this investment is being spent efficiently. It's constructed in a fashion that provides a minimal impact to our schools, and represents a measured remedy to the stunning reality that we currently have no consistent accounting of a three billion dollar investment.—ARLEN SIEGFREID, VIRGIL PECK, JR., TOM J. MOXLEY

MR. SPEAKER: **HB 2239** establishes uniform reporting and accounting standards for the largest portion of our State budget. Using a uniform chart of accounts, K-12 expenditure data becomes comparable across the state. By consistently identifying where the districts are directing money, and which districts are doing so efficiently, we will enable them to focus on the best way to impact our students. By voting in favor of this bill we are demanding government accountability and transparency on behalf of our constituents. For this reason, I vote YES on **HB 2239**.—PEGGY MAST, PHIL HERMANSON, MARVIN G. KLEEB, AARON JACK, CONNIE O'BRIEN, DAN KERSCHEN, WILLIAM R. PRESCOTT, MITCH HOLMES, JOE SEIWERT, GENE SUELLENTROP, STEVE HUEBERT

**HB 2280**. An act concerning school districts; relating to state aid for capital improvements and capital outlay; amending K.S.A. 72-8804 and K.S.A. 2009 Supp. 72-8814 and 75-2319 and repealing the existing sections, was considered on final action.

#### EXPLANATION OF VOTE

MR. SPEAKER: A particularly onerous portion of this bill would force districts of less than 400 students and 200 square miles to seek and receive permission to receive *any* assistance for stand aid toward building projects. This treats these rural school boards differently than all other districts in the state.

Having always strongly believed in local control, this is absolutely taking that away from many of our smallest districts. Local taxpayers have trusted their decisions to locally elected officials who will now have to go hat-in-hand to state authorities.

Based on principles of fairness and local control, I vote no on **HB 2280**.—STEVE LUKERT

#### PROTEST

MR. SPEAKER: Pursuant to Article 2, Section 10, of the constitution of the State of Kansas, we protest the passage of **HB 2280**.

The Legislature has begun to make cumulative changes to the school financing formula which the Legislature had enacted when the Montoy case was dismissed, moving further

and further away from making suitable provision for finance of public schools. **HB 2280** is another step away from constitutionality. As the Kansas Supreme Court has stated, The ultimate State purpose in offering a system of public schools is to provide an environment where quality education can be afforded to all. *Provance v. Shawnee Mission* U.S. D. No. 512, 231 Kan. 636, 643 (1982). When the provision of school facilities is more costly for the taxpayers of one district than for those of another, there is inequity in funding. **HB 2280** recreates just that disparity. The general theory of our educational system is that every child in the state, without regard to race, creed, or wealth shall have the facilities for a free education. (Emphasis added.) *State v. Smith*, 155 Kan. 588, 595 (1942). Constitutionality is lacking when there are concentrations of resources in property-rich school districts that are taxing low while property-poor districts that are taxing high cannot generate sufficient revenues to meet even minimum standards. This bill moves back toward the time when school districts were required to raise capital outlay expenses locally allowing wealthier districts ever greater access to capital outlay expenditures than poorer districts and thus increasing funding. — MARTI CROW, DELIA GARCIA, VALDENIA WINN, DON SVATY, JERRY WILLIAMS, ANNIE KUETHER, TOM HAWK, JUDITH LOGANBILL, JULIE MENGhini, ANN MAH, ANNIE TIETZE, DOLORES FURTADO, LOUIS E. #### EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **HB 2515**. I am in favor of local governments being able to require fire protection sprinkler systems in public buildings such as schools and even apartment buildings, but when there's the potential of such a requirement being extended to family residences, I must question that local control should trump individual control. Opponents and proponents couldn't agree on the cost of such a system, another reason why the decision should be made by individual homeowners rather than a governmental entity. Education regarding the importance of sprinklers seems to be a better approach for firefighters and governmental officials to take instead of code requirements.—DEENA HORST
