

SESSION OF 2002

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 511**

As Amended by Senate Committee on  
Federal and State Affairs

**Brief\***

SB 511 would create a new position in the unclassified service of Special Assistant to the Adjutant General.

The Senate Committee amended the bill to refer to the position as "Special Assistant" rather than "Deputy Adjutant General."

**Background**

The bill was requested by the Adjutant General as a result of the increased workload of the department because of additional duties in the area of military affairs, emergency management, and anti-terrorist planning. The Adjutant General stated that the bill will reestablish a position which was eliminated in 1991.

No fiscal note is available at this time.
