

SESSION OF 2006

SUPPLEMENTAL NOTE ON SENATE BILL NO. 550

As Recommended by Senate Committee
on Judiciary

Brief*

SB 550 would delete forms that are in the following: the Code for the Enforcement of County Codes and Resolutions; the notice forms in the Eminent Domain Procedure Act; and consent to medical care form in Chapter 38 dealing with minors. The bill would place the responsibility for development of these forms with the Kansas Judicial Council and would state that forms in substantial compliance with the Judicial Council forms shall be deemed sufficient.

Background

The bill was supported by the Kansas Judicial Council as part of an ongoing effort to delete forms from the statute books since these forms often are not kept up to date.

The bill has no fiscal effect.
