

SESSION OF 2006

**SUPPLEMENTAL NOTE ON SENATE BILL NO. 582**

As Recommended by Senate Committee  
on Ways and Means

**Brief\***

SB 582 would require expenditures for the 2010 Commission and the At-Risk Education Council be from the budget of Legislature. Current law requires expenditures for the Commission and the Council be made from the budget of the Legislative Coordinating Council.

**Background**

There were no proponents or opponents who testified on the bill. The fiscal note stated that there was no net fiscal effect.

The shift of expenditures from the Legislative Coordinating Council would place the funding for all councils and commissions, except for the Legislative Coordinating Council, in the budget of the Legislature.
