

SESSION OF 2006

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2595

As Recommended by House Committee
on Federal and State Affairs

Brief*

HB 2595 would designate the Anthony, Kansas 9/11 Memorial as the official Kansas 9/11 Memorial.

The bill would become effective upon publication in the statute book.

Background

Senate Resolution No. 1842 was passed in 2005 to honor and commend the Anthony, Kansas 9/11 Memorial as the official Kansas 9/11 Memorial for 2005 and 2006. This year, HB 2595 would make that designation permanent.

Proponents of the bill included Representatives Dennis McKinney and Bill McCreary, and members of the Anthony 9/11 Commission. The Anthony 9/11 Commission funded the memorial through private donations and fundraising. The Commission designed the memorial to include steel from the World Trade Center, limestone from the wall of the Pentagon and soil from the crash site in Pennsylvania.

There were no opponents to the bill.

The fiscal note from the Director of Budget states that HB 2595 would have no fiscal effect.
