

SESSION OF 2010

SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2387

As Recommended by House Committee on
Transportation and Public Safety Budget

Brief*

HB 2387 would adjust the assessment of the administrative services fee across the three agencies it supports, rather than being solely charged to the State Fire Marshal. K.S.A. 75-1514 requires that 20.0 percent of the receipts received by the State Fire Marshal be remitted to the State General Fund with a cap of \$200,000 on such transfers. The bill would assess the statutory fee to the pool of levy funds, and would distribute the \$200,000 across the three agencies by the proportion of the levy each agency receives. Amounts would be charged as follows: \$128,000 from the State Fire Marshal, \$40,000 from the Emergency Medical Services Board, and \$32,000 from the University of Kansas Fire and Rescue Training Institute.
