

Classifications of Adult Care Homes

Adult Day Care - ADC

Means any place or facility operating less than 24 hours a day caring for individuals not related within the third degree of relationship to the operator or owner by blood or marriage and who, due to functional impairment need supervision of or assistance with activities of daily living.

Assisted Living Facility - ALF

Means any place or facility caring for six or more individuals not related within the third degree of relationship to the administrator, operator or owner by blood or marriage and who, by choice or due to functional impairments, may need personal care and may need supervised nursing care to compensate for activities of daily living limitations and in which the place or facility includes apartments for residents and provides or coordinates a range of services including personal care or supervised nursing care available 24 hours a day, seven days a week for the support of resident independence. The provision of skilled nursing procedures to a resident in an assisted living facility is not prohibited by Kansas law. Generally, the skilled services provided in an assisted living facility shall be provided on an intermittent or limited term basis, or if limited in scope, a regular basis.

Home Plus - HP

Means any residence or facility caring for not more than twelve individuals not related within the third degree of relationship to the operator or owner by blood or marriage unless the resident in need of care is approved for placement by the Kansas Secretary of the Department of Children and Families, and who, due to functional impairment, needs personal care and may need supervised nursing care to compensate for activities of daily living limitations. The level of care provided residents shall be determined by preparation of the staff and rules and regulations developed by the Kansas Department for Aging and Disability Service.

Long Term Care Units in Hospitals - LTCU

Long term care unit means a unit that provides physician services and continuous nursing supervision for patients who are not in an acute phase of illness and who currently require nursing care that is primarily of a convalescent, restorative or long term nature. Medicare-certified, distinct-part, long term care units are included.

Nursing Facility for Mental Health - NFMH

Means any place or facility operating 24 hours a day, seven days a week caring for six or more individuals not related within the third degree of relationship to the administrator or owner by blood or marriage and who, due to functional impairments, need skilled nursing care and special mental health services to compensate for activities of daily living limitations.

Residential Health Care Facility - RHCF

Means any place or facility caring for six or more individuals not related within the third degree of relationship to the administrator, operator or owner by blood or marriage and who, by choice or due to functional impairments, may need personal care and may need supervised nursing care to compensate for activities of daily living limitations and in which the place or facility includes individual living units and provides or coordinates personal care or supervised nursing care available on a 24 hour, seven day a week basis for the support of resident independence. The provision of skilled nursing procedures to a resident in a residential health facility is not prohibited by Kansas law. Generally the skilled services provided in a residential health care facility shall be provided on an intermittent or limited term basis, or if limited in scope, a regular basis.

Skilled Nursing Facility - SNF or NF

Means any place or facility operating 24 hours a day, seven days a week, caring for six or more individuals not related within the third degree of relationship to the administrator or owner by blood or marriage and who, due to functional impairments, need skilled nursing care to compensate for activities of daily living limitations.
