BRIDGE TO RECOVERY Capital Campaign

History of Valley Hope

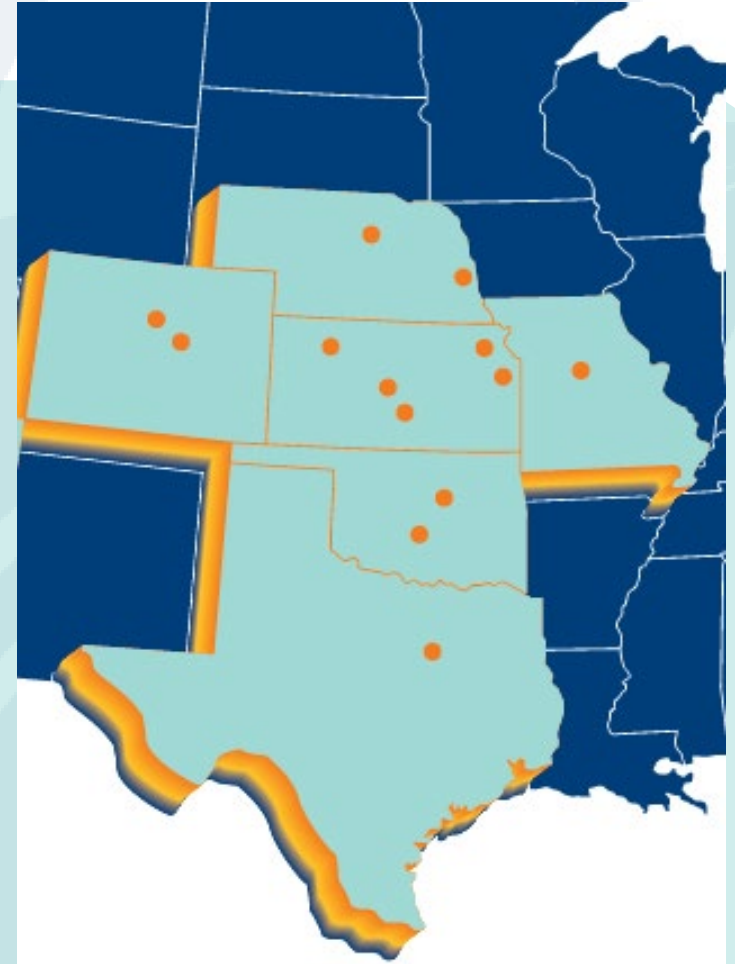

Founded in 1967 in Norton, Kansas

Nationally known trusted provider

6 States

6 Kansas locations

11 Locations outside of Kansas

Mission & Our Promise

Valley Hope's mission is it to restore lives affected by addiction & support lifelong recovery.

We understand the devastating toll addictive substances take on people, their families, and relationships.

We are steadfast in our belief and dedicated to the idea that recovery is possible.
