9 sections; also repealing K.S.A. 75-5160.

10  
11 *Be it enacted by the Legislature of the State of Kansas:*

12 Section 1. K.S.A. 8-132 is hereby amended to read as follows: 8-132.

13 (a) Subject to the provisions of this section and K.S.A. 8-1,125, and  
14 amendments thereto, the division of vehicles shall furnish to every owner  
15 whose vehicle shall be registered one license plate for such vehicle. Such  
16 license plate shall have displayed on it the registration number assigned to  
17 the vehicle and to the owner thereof, the name of the state, which may be  
18 abbreviated, and the year or years for which it is issued. The same type of  
19 license plates shall be issued for passenger motor vehicles, rented without  
20 a driver, as are issued for private passenger vehicles.

21 (b) During calendar year 1975 commencing on the effective date of  
22 this act, and during every fifth calendar year thereafter, the division of  
23 vehicles shall furnish one license plate for any type of vehicle an owner  
24 registers or has the registration thereof renewed, but during the succeeding  
25 four-year period following calendar year 1975 and during the succeeding  
26 four-year period following every fifth calendar year subsequent to 1975,  
27 the division of vehicles shall not furnish any license plate for the renewal  
28 of a vehicle's registration. During calendar year 1976 and during each  
29 calendar year thereafter in which a license plate is not issued for the  
30 renewal of registration of a vehicle, the division of vehicles shall furnish  
31 one decal for the license plate issued for a vehicle as provided in K.S.A. 8-  
32 134, and amendments thereto, for each registration and renewal of  
33 registration of such vehicle. Notwithstanding the foregoing provisions of  
34 this subsection, whenever, in the discretion of the director of vehicles, it is  
35 determined that the license plates currently being issued and displayed are  
36 not deteriorating to the extent that their replacement is warranted, the

1 director may adopt rules and regulations to extend the five-year issuance  
2 cycle provided for in this subsection by one year at a time, and in the same  
3 manner the director may further extend such cycle by one year at a time,  
4 successively as the director determines appropriate. If the cycle is  
5 extended at the expiration of the extended term, new license plates shall  
6 again be issued in the manner and for the term provided in such rules and  
7 regulations, except that the owner of a motor vehicle currently registered  
8 may continue to display the license plate currently being issued and  
9 displayed for a period not to exceed three registration years from the date  
10 of the expiration of the extended term. The division shall furnish one decal  
11 for each such license plate in accordance with the provisions of this  
12 subsection.

13 (c) Any license plate issued pursuant to subsection (a) or (b) may be a  
14 personalized license plate subject to the additional fee set forth in  
15 subsection (d). The division shall allow an applicant for a personalized  
16 license plate to personalize a license plate design established by subsection  
17 (a), (b) or (d).

18 (d) Two personalized license plates may be issued to any owner or  
19 lessee of a passenger vehicle or a truck licensed for a gross weight of not  
20 more than 20,000 pounds, who makes proper application to the division of  
21 vehicles not less than 60 days prior to such owner's or lessee's renewal of  
22 registration date. Such application shall be on a form prescribed by the  
23 division and accompanied by a fee of ~~\$40~~ \$39.25, which shall be in  
24 addition to any other fee required to renew the registration of such  
25 passenger vehicle under the laws of this state. One such personalized  
26 license plate shall be displayed on the rear of the vehicle and, at the option  
27 of the owner or lessee, the other license plate may be displayed on the  
28 front of the vehicle, except that no registration decal shall be issued  
29 pursuant to K.S.A. 8-134, and amendments thereto, for any such license  
30 plate displayed on the front of such vehicle. One personalized license plate  
31 may be issued to any owner of a motorcycle upon proper application in the  
32 same manner provided in this subsection for passenger vehicles and trucks.  
33 The ~~\$40~~ \$39.25 fee shall be paid only once during the registration period  
34 for which such license plates were issued, and any subsequent renewals  
35 during the registration period shall be subject only to the registration fee  
36 prescribed by K.S.A. 8-143, and amendments thereto. The division shall  
37 design distinctive, personalized license plates to be issued which shall  
38 contain not more than seven letters or numbers on truck or passenger  
39 vehicle license plates and not more than five letters or numbers on  
40 motorcycle license plates, or a combination thereof, to be designated by  
41 the applicant in lieu of the letters and numbers required by K.S.A. 8-147,  
42 and amendments thereto, other than the letters required to designate the  
43 county in which such vehicle is registered. Unless the letters or numbers

1 designated by the applicant have been assigned to another vehicle, or  
2 unless the letters or numbers designated by the applicant have a profane,  
3 vulgar, lewd or indecent meaning or connotation, as determined by the  
4 director of vehicles, the division shall assign such letters or numbers to the  
5 applicant's vehicle, and the letters or numbers, or combination thereof, so  
6 assigned shall be deemed the registration number of such vehicle. Subject  
7 to the foregoing provisions, all license plates issued under this section  
8 shall be manufactured in accordance with K.S.A. 8-147, and amendments  
9 thereto. Such license plates shall be issued for a registration period of five  
10 years commencing in 1985 and each five years thereafter.

11 (e) The secretary of revenue shall adopt rules and regulations  
12 necessary to carry out the provisions of this act, including, without  
13 limitation, rules and regulations concerning: (1) The procedure for insuring  
14 that duplicate license plates are not issued throughout the state; (2) the  
15 procedure for reserving distinctive license plates for the purpose of  
16 obtaining the same on each annual renewal of registration; (3) the  
17 procedure for allowing the transfer of personalized license plates from one  
18 vehicle to another for which such license plates were originally issued,  
19 when the title to the original vehicle has not been transferred and the name  
20 or names of the owner or owners listed on the titles to both vehicles are  
21 identical; and (4) procedures necessary to coordinate this act with other  
22 laws of this state governing registration of vehicles. The director of  
23 vehicles shall remit all moneys received by the division of vehicles under  
24 this section to the state treasurer in accordance with the provisions of  
25 K.S.A. 75-4215, and amendments thereto. Upon receipt of each such  
26 remittance, the state treasurer shall deposit the entire amount in the state  
27 treasury to the credit of the state highway fund.

28 Sec. 2. K.S.A. 8-135 is hereby amended to read as follows: 8-135. (a)  
29 Upon the transfer of ownership of any vehicle registered under this act, the  
30 registration of the vehicle and the right to use any license plate thereon  
31 shall expire and thereafter there shall be no transfer of any registration, and  
32 the license plate shall be removed by the owner thereof. Except as  
33 provided in K.S.A. 8-172, ~~and amendments thereto,~~ and 8-1,147, and  
34 amendments thereto, it shall be unlawful for any person, other than the  
35 person to whom the license plate was originally issued, to have possession  
36 thereof. When the ownership of a registered vehicle is transferred, the  
37 original owner of the license plate may register another vehicle under the  
38 same number, upon application and payment of a fee of ~~\$1.50~~ \$0.75, if  
39 such other vehicle does not require a higher license fee. If a higher license  
40 fee is required, then the transfer may be made upon the payment of the  
41 transfer fee of ~~\$1.50~~ \$0.75 and the difference between the fee originally  
42 paid and that due for the new vehicle.

43 (b) Subject to the provisions of K.S.A. 8-198(a), and amendments

1 thereto, upon the transfer or sale of any vehicle by any person or dealer, or  
2 upon any transfer in accordance with K.S.A. 59-3511, and amendments  
3 thereto, the new owner thereof, within 60 days, inclusive of weekends and  
4 holidays, from date of such transfer shall make application to the division  
5 for registration or reregistration of the vehicle, but no person shall operate  
6 the vehicle on any highway in this state during the sixty-day period  
7 without having applied for and obtained temporary registration from the  
8 county treasurer or from a dealer. After the expiration of the sixty-day  
9 period, it shall be unlawful for the owner or any other person to operate  
10 such vehicle upon the highways of this state unless the vehicle has been  
11 registered as provided in this act. For failure to make application for  
12 registration as provided in this section, a penalty of \$2 shall be added to  
13 other fees. When a person has a current motorcycle or passenger vehicle  
14 registration and license plate, including any registration decal affixed  
15 thereto, for a vehicle and has sold or otherwise disposed of the vehicle and  
16 has acquired another motorcycle or passenger vehicle and intends to  
17 transfer the registration and the license plate to the motorcycle or  
18 passenger vehicle acquired, but has not yet had the registration transferred  
19 in the office of the county treasurer, such person may operate the  
20 motorcycle or passenger vehicle acquired for a period of not to exceed 60  
21 days by displaying the license plate on the rear of the vehicle acquired. If  
22 the acquired vehicle is a new vehicle such person also must carry the  
23 assigned certificate of title or manufacturer's statement of origin when  
24 operating the acquired vehicle, except that a dealer may operate such  
25 vehicle by displaying such dealer's dealer license plate.

26 (c) Certificate of title: No vehicle required to be registered shall be  
27 registered or any license plate or registration decal issued therefor, unless  
28 the applicant for registration shall present satisfactory evidence of  
29 ownership and apply for an original certificate of title for such vehicle.  
30 The following paragraphs of this subsection shall apply to the issuance of  
31 a certificate of title for a nonhighway vehicle, salvage vehicle or rebuilt  
32 salvage vehicle, as defined in K.S.A. 8-197, and amendments thereto,  
33 except to the extent such paragraphs are made inapplicable by or are  
34 inconsistent with K.S.A. 8-198, and amendments thereto, and to any  
35 electronic certificate of title, except to the extent such paragraphs are made  
36 inapplicable by or are inconsistent with K.S.A. 8-135d, and amendments  
37 thereto, or with rules and regulations adopted pursuant to K.S.A. 8-135d,  
38 and amendments thereto.

39 The provisions of paragraphs (1) through (14) shall apply to any  
40 certificate of title issued prior to January 1, 2003, which indicates that  
41 there is a lien or encumbrance on such vehicle.

42 (1) An application for certificate of title shall be made by the owner  
43 or the owner's agent upon a form furnished by the division and shall state

1 all liens or encumbrances thereon, and such other information as the  
2 division may require. Notwithstanding any other provision of this section,  
3 no certificate of title shall be issued for a vehicle having any unreleased  
4 lien or encumbrance thereon, unless the transfer of such vehicle has been  
5 consented to in writing by the holder of the lien or encumbrance. Such  
6 consent shall be in a form approved by the division. In the case of  
7 members of the armed forces of the United States while the United States  
8 is engaged at war with any foreign nation and for a period of six months  
9 next following the cessation of hostilities, such application may be signed  
10 by the owner's spouse, parents, brother or sister. The county treasurer shall  
11 use reasonable diligence in ascertaining whether the facts stated in such  
12 application are true, and if satisfied that the applicant is the lawful owner  
13 of such vehicle, or otherwise entitled to have the same registered in such  
14 applicant's name, shall so notify the division, who shall issue an  
15 appropriate certificate of title. The certificate of title shall be in a form  
16 approved by the division, and shall contain a statement of any liens or  
17 encumbrances which the application shows, and such other information as  
18 the division determines.

19 (2) (A) The certificate of title shall contain upon the reverse side a  
20 form for assignment of title to be executed by the owner. This assignment  
21 shall contain a statement of all liens or encumbrances on the vehicle at the  
22 time of assignment. The certificate of title shall also contain on the reverse  
23 side blank spaces so that an abstract of mileage as to each owner will be  
24 available. The seller at the time of each sale shall insert and certify the  
25 mileage and the purchase price on the form filed for application or  
26 reassignment of title, and the division shall insert such mileage on the  
27 certificate of title when issued to purchaser or assignee. The signature of  
28 the purchaser or assignee is required on the form filed for application or  
29 reassignment of title, acknowledging the odometer and purchase price  
30 certification made by the seller, except those vehicles that are exempt from  
31 odometer certification requirements pursuant to federal law shall be  
32 exempt from such requirement. Such title shall indicate whether the  
33 vehicle for which it is issued has been titled previously as a nonhighway  
34 vehicle or salvage vehicle. In addition, the reverse side shall contain two  
35 forms for reassignment by a dealer, stating the liens or encumbrances  
36 thereon. The first form of reassignment shall be used only when a dealer  
37 sells the vehicle to another dealer. The second form of reassignment shall  
38 be used by a dealer when selling the vehicle to another dealer or the  
39 ultimate owner of the vehicle. The reassignment by a dealer shall be used  
40 only where the dealer resells the vehicle, and during the time that the  
41 vehicle remains in the dealer's possession for resale, the certificate of title  
42 shall be dormant.

43 (B) When the ownership of any vehicle passes by operation of law, or

1 repossession upon default of a lease, security agreement, or executory  
2 sales contract, the person owning such vehicle, upon furnishing  
3 satisfactory proof to the county treasurer of such ownership, may procure a  
4 certificate of title to the vehicle. When a vehicle is registered in another  
5 state and is repossessed in another state, the owner of such vehicle shall  
6 not be entitled to obtain a valid Kansas title or registration, except that  
7 when a vehicle is registered in another state, but is financed originally by a  
8 financial institution chartered in the state of Kansas or when a financial  
9 institution chartered in Kansas purchases a pool of motor vehicle loans  
10 from the resolution trust corporation or a federal regulatory agency, and  
11 the vehicle is repossessed in another state, such Kansas financial  
12 institution shall be entitled to obtain a valid Kansas title or registration.

13 ~~(C) In addition to any other fee required for the issuance of a~~  
14 ~~certificate of title, any applicant obtaining a certificate of title for a~~  
15 ~~repossessed vehicle shall pay a fee of \$3.~~

16 (3) Dealers shall execute, upon delivery to the purchaser of every  
17 new vehicle, a manufacturer's statement of origin stating the liens and  
18 encumbrances thereon. Such statement of origin shall be delivered to the  
19 purchaser at the time of delivery of the vehicle or at a time agreed upon by  
20 the parties, not to exceed 30 days, inclusive of weekends and holidays. The  
21 agreement of the parties shall be executed on a form approved by the  
22 division. In the event delivery of title cannot be made personally, the seller  
23 may deliver the manufacturer's statement of origin by restricted mail to the  
24 address of purchaser shown on the purchase agreement. The  
25 manufacturer's statement of origin may include an attachment containing  
26 assignment of such statement of origin on forms approved by the division.  
27 Upon the presentation to the division of a manufacturer's statement of  
28 origin, by a manufacturer or dealer for a new vehicle, sold in this state, a  
29 certificate of title shall be issued if there is also an application for  
30 registration, except that no application for registration shall be required for  
31 a travel trailer used for living quarters and not operated on the highways.

32 (4) The fee for each original certificate of title shall be ~~\$10~~ \$8 in  
33 addition to the fee for registration of such vehicle, trailer or semitrailer.  
34 The certificate of title shall be good for the life of the vehicle, trailer or  
35 semitrailer while owned or held by the original holder of the certificate of  
36 title.

37 (5) Except for a vehicle registered by a federally recognized Indian  
38 tribe, as provided in paragraph (16), upon sale and delivery to the  
39 purchaser of every vehicle subject to a purchase money security interest as  
40 provided in article 9 of chapter 84 of the Kansas Statutes Annotated, and  
41 amendments thereto, the dealer or secured party may complete a notice of  
42 security interest and when so completed, the purchaser shall execute the  
43 notice, in a form prescribed by the division, describing the vehicle and

1 showing the name and address of the secured party and of the debtor and  
2 other information the division requires. On and after July 1, 2007, only one  
3 lien shall be taken or accepted for vehicles with a gross vehicle weight  
4 rating of 26,000 pounds or less. As used in this section "gross vehicle  
5 weight rating" shall have the meaning ascribed thereto in 49 C.F.R. §  
6 390.5, as in effect on July 1, 2017, or any later version as established in  
7 rules and regulations adopted by the state corporation commission. The  
8 dealer or secured party, within 30 days of the sale and delivery, may mail  
9 or deliver the notice of security interest, together with a fee of \$2.50, to the  
10 division. The notice of security interest shall be retained by the division  
11 until it receives an application for a certificate of title to the vehicle and a  
12 certificate of title is issued. The certificate of title shall indicate any  
13 security interest in the vehicle. Upon issuance of the certificate of title, the  
14 division shall mail or deliver confirmation of the receipt of the notice of  
15 security interest, the date the certificate of title is issued and the security  
16 interest indicated, to the secured party at the address shown on the notice  
17 of security interest. The proper completion and timely mailing or delivery  
18 of a notice of security interest by a dealer or secured party shall perfect a  
19 security interest in the vehicle, as referenced in K.S.A. 2022 Supp. 84-9-  
20 311, and amendments thereto, on the date of such mailing or delivery. The  
21 county treasurers shall mail a copy of the title application to the lienholder.  
22 ~~For any vehicle subject to a lien, the county treasurer, division or~~  
23 ~~contractor shall collect from the applicant a \$1.50 service fee for~~  
24 ~~processing and mailing a copy of the title application to the lienholder.~~

25 (6) It shall be unlawful for any person to operate in this state a vehicle  
26 required to be registered under this act, or to transfer the title to any such  
27 vehicle to any person or dealer, unless a certificate of title has been issued  
28 as herein provided. In the event of a sale or transfer of ownership of a  
29 vehicle for which a certificate of title has been issued, which certificate of  
30 title is in the possession of the transferor at the time of delivery of the  
31 vehicle, the holder of such certificate of title shall endorse on the same an  
32 assignment thereof, with warranty of title in a form prescribed by the  
33 division and printed thereon and the transferor shall deliver the same to the  
34 buyer at the time of delivery to the buyer of the vehicle or at a time agreed  
35 upon by the parties, not to exceed 60 days, inclusive of weekends and  
36 holidays, after the time of delivery. The agreement of the parties shall be  
37 executed on a form provided by the division. The requirements of this  
38 paragraph concerning delivery of an assigned title are satisfied if the  
39 transferor mails to the transferee by restricted mail the assigned certificate  
40 of title within the 60 days, and if the transferor is a dealer, as defined by  
41 K.S.A. 8-2401, and amendments thereto, such transferor shall be deemed  
42 to have possession of the certificate of title if the transferor has made  
43 application therefor to the division. The buyer shall then present such

1 assigned certificate of title to the division at the time of making application  
2 for registration of such vehicle. A new certificate of title shall be issued to  
3 the buyer; upon payment of the fee of ~~\$10~~ §8. If such vehicle is sold to a  
4 resident of another state or country, the dealer or person making the sale  
5 shall notify the division of the sale and the division shall make notation  
6 thereof in the records of the division. When a person acquires a security  
7 interest that such person seeks to perfect on a vehicle subsequent to the  
8 issuance of the original title on such vehicle, such person shall require the  
9 holder of the certificate of title to surrender the same and sign an  
10 application for a mortgage title in form prescribed by the division. Upon  
11 such surrender such person shall immediately deliver the certificate of  
12 title, application, and a fee of ~~\$10~~ §8 to the division. Delivery of the  
13 surrendered title, application and tender of the required fee shall perfect a  
14 security interest in the vehicle as referenced in K.S.A. 2022 Supp. 84-9-  
15 311, and amendments thereto. On and after July 1, 2007, only one lien  
16 may be taken or accepted for security for an obligation to be secured by a  
17 lien to be shown on a certificate of title for vehicles with a gross vehicle  
18 weight rating, as defined in 49 C.F.R. § 390.5, as in effect on July 1, 2017,  
19 or any later version as established in rules and regulations adopted by the  
20 state corporation commission, of 26,000 pounds or less. A refinancing  
21 shall not be subject to the limitations of this act. A refinancing is deemed  
22 to occur when the original obligation is satisfied and replaced by a new  
23 obligation. Lien obligations created before July 1, 2007, ~~which~~ *that* are of  
24 a continuing nature shall not be subject to the limitations of this act until  
25 the obligation is satisfied. A lien in violation of this provision is void.  
26 Upon receipt of the surrendered title, application and fee, the division shall  
27 issue a new certificate of title showing the liens or encumbrances so  
28 created, but only one lien or encumbrance may be shown upon a title for  
29 vehicles with a gross vehicle rating of 26,000 pounds or less, and not more  
30 than two liens or encumbrances may be shown upon a title for vehicles in  
31 excess of 26,000 pounds gross vehicle weight rating. When a prior  
32 lienholder's name is removed from the title, there must be satisfactory  
33 evidence presented to the division that the lien or encumbrance has been  
34 paid. When the indebtedness to a lienholder, whose name is shown upon a  
35 title, is paid in full, such lienholder shall comply with the provisions of  
36 K.S.A. 8-1,157, and amendments thereto.

37 (7) It shall be unlawful for any person to buy or sell in this state any  
38 vehicle required to be registered, unless, at the time of delivery thereof or  
39 at a time agreed upon by the parties, not to exceed 60 days, inclusive of  
40 weekends and holidays, after the time of delivery, there shall pass between  
41 the parties a certificate of title with an assignment thereof. The sale of a  
42 vehicle required to be registered under the laws of this state, without  
43 assignment of the certificate of title, is fraudulent and void, unless the

1 parties shall agree that the certificate of title with assignment thereof shall  
2 pass between them at a time other than the time of delivery, but within 60  
3 days thereof. The requirements of this paragraph concerning delivery of an  
4 assigned title shall be satisfied if: (A) The seller mails to the purchaser by  
5 restricted mail the assigned certificate of title within 60 days; or (B) if the  
6 transferor is a dealer, as defined by K.S.A. 8-2401, and amendments  
7 thereto, such seller shall be deemed to have possession of the certificate of  
8 title if such seller has made application therefor to the division; or (C) if  
9 the transferor is a dealer and has assigned a title pursuant to subsection (c)  
10 (9).

11 (8) In cases of sales under the order of a court of a vehicle required to  
12 be registered under this act, the officer conducting such sale shall issue to  
13 the purchaser a certificate naming the purchaser and reciting the facts of  
14 the sale, which certificate shall be prima facie evidence of the ownership  
15 of such purchaser for the purpose of obtaining a certificate of title to such  
16 motor vehicle and for registering the same. Any such purchaser shall be  
17 allowed 60 days, inclusive of weekends and holidays, from the date of sale  
18 to make application to the division for a certificate of title and for the  
19 registering of such motor vehicle.

20 (9) Any dealer who has acquired a vehicle, the title for which was  
21 issued under the laws of and in a state other than the state of Kansas, shall  
22 not be required to obtain a Kansas certificate of title therefor during the  
23 time such vehicle remains in such dealer's possession and at such dealer's  
24 place of business for the purpose of sale. The purchaser or transferee shall  
25 present the assigned title to the division of vehicles when making  
26 application for a certificate of title as provided in subsection (c)(1).

27 (10) Motor vehicles may be held and titled in transfer-on-death form.

28 (11) Notwithstanding the provisions of this act with respect to time  
29 requirements for delivery of a certificate of title, or manufacturer's  
30 statement of origin, as applicable, any person who chooses to reaffirm the  
31 sale in writing on a form approved by the division which advises them of  
32 their rights pursuant to subsection (c)(7) and who has received and  
33 accepted assignment of the certificate of title or manufacturer's statement  
34 of origin for the vehicle in issue may not thereafter void or set aside the  
35 transaction with respect to the vehicle for the reason that a certificate of  
36 title or manufacturer's statement of origin was not timely delivered, and in  
37 such instances the sale of a vehicle shall not be deemed to be fraudulent  
38 and void for that reason alone.

39 (12) The owner of any vehicle assigning a certificate of title in  
40 accordance with the provisions of this section may file with the division a

33 salvage title before the ownership of the motor vehicle or travel trailer is  
34 transferred. In no event shall such application be made more than 60 days  
35 after the vehicle is determined to be a salvage vehicle.

36 (2) Every insurance company that, pursuant to a damage settlement,  
37 acquires ownership of a vehicle that has incurred damage requiring the  
38 vehicle to be designated a salvage vehicle, shall apply for a salvage title  
39 within 60 days after the title is assigned and delivered by the owner to the  
40 insurance company, with all liens released. In the event that an insurance  
41 company is unable to obtain voluntary assignment of the title after 30 days  
42 from the date the vehicle owner enters into an oral or written damage  
43 settlement agreement where the owner agrees to transfer the title, the

1 insurance company may submit an application on a form prescribed by the  
2 division for a salvage title. The form shall be accompanied by an affidavit  
3 from the insurance company stating that: (A) The insurance company is  
4 unable to obtain a transfer of the title from the owner following an oral or  
5 written acceptance of an offer of damage settlement; (B) there is evidence  
6 of the damage settlement; (C) that there are no existing liens on the vehicle  
7 or all liens on the vehicle have been released; (D) the insurance company  
8 has physical possession of the vehicle; and (E) the insurance company has  
9 provided the owner, at the owner's last known address, 30 days' prior  
10 notice of such intent to transfer and the owner has not delivered a written  
11 objection to the insurance company.

12 (3) Every insurance company that makes a damage settlement for a  
13 vehicle that has incurred damage requiring such vehicle to be designated a  
14 salvage vehicle, but does not acquire ownership of the vehicle, shall notify  
15 the vehicle owner of the owner's obligation to apply for a salvage title for  
16 the motor vehicle or travel trailer, and shall notify the division of this fact  
17 in accordance with procedures established by the division. The vehicle  
18 owner shall apply for a salvage title within 60 days after being notified by  
19 the insurance company.

20 (4) The lessee of any vehicle that incurs damage requiring the vehicle  
21 to be designated a salvage vehicle shall notify the lessor of this fact within  
22 30 days of the determination that the vehicle is a salvage vehicle.

23 (5) The lessor of any motor vehicle or travel trailer that has incurred  
24 damage requiring the vehicle to be titled as a salvage vehicle, shall apply  
25 for a salvage title within 60 days after being notified of this fact by the  
26 lessee.

27 (6) Every person acquiring ownership of a motor vehicle or travel  
28 trailer that meets the definition of a salvage vehicle, for which a salvage  
29 title has not been issued, shall apply for the required document prior to any  
30 further transfer of such vehicle, but in no event, more than 60 days after  
31 ownership is acquired.

32 (7) Every purchaser of a salvage vehicle, whether assigned a salvage  
33 title or a regular certificate of title with the form specified in subsection (b)  
34 (2) attached, shall make application to the county treasurer of the county  
35 where such person resides for a new salvage title, in the same manner and  
36 under the same condition as for an application for a certificate of title  
37 under K.S.A. 8-135, and amendments thereto. Such application shall be in  
38 the form prescribed by the director of vehicles and shall contain  
39 substantially the same provisions as required for an application under  
40 K.S.A. 8-135(c)(1), and amendments thereto. In addition, such application  
41 shall provide a place for the applicant to certify that the vehicle for which  
42 the application for salvage title is made is a salvage vehicle, and other  
43 provisions the director deems necessary. Each application for a salvage

1 title shall be accompanied by a fee of ~~\$10~~ \$8 and if the application is not  
2 made to the county treasurer within the time prescribed by K.S.A. 8-135,  
3 and amendments thereto, for making application for a certificate of title  
4 thereunder, an additional fee of \$2.

5 (8) Failure to apply for a salvage title as provided by this subsection  
6 shall be a class C nonperson misdemeanor.

7 (e) A nonhighway certificate of title or salvage title shall be in form  
8 and color as prescribed by the director of vehicles. A nonhighway  
9 certificate of title or salvage title shall indicate clearly and distinctly on its  
10 face that it is issued for a nonhighway vehicle or salvage vehicle,  
11 whichever is applicable. A nonhighway certificate of title or salvage title  
12 shall contain substantially the same information as required on a certificate  
13 of title issued under K.S.A. 8-135, and amendments thereto, and other  
14 information the director deems necessary.

15 (f) (1) A nonhighway certificate of title or salvage title may be  
16 transferred in the same manner and under the same conditions as  
17 prescribed by K.S.A. 8-135, and amendments thereto, for the transfer of a  
18 certificate of title, except as otherwise provided in this section. A  
19 nonhighway certificate of title or salvage title may be assigned and  
20 transferred only while the vehicle remains a nonhighway vehicle or  
21 salvage vehicle.

22 (2) Upon transfer or sale of a nonhighway vehicle in a condition that  
23 will allow the registration of such vehicle, the owner shall assign the  
24 nonhighway certificate of title to the purchaser, and the purchaser shall  
25 obtain a certificate of title and register such vehicle as provided in K.S.A.  
26 8-135, and amendments thereto. No regular certificate of title shall be  
27 issued for a vehicle for which there has been issued a nonhighway  
28 certificate of title until there has been compliance with K.S.A. 8-116a, and  
29 amendments thereto.

30 (3) (A) Upon transfer or sale of a salvage vehicle that has been rebuilt  
31 or restored or is otherwise in a condition that will allow the registration of  
32 such vehicle, the owner shall assign the salvage title to the purchaser, and  
33 the purchaser shall obtain a rebuilt salvage title and register such vehicle  
34 as provided in K.S.A. 8-135, and amendments thereto. No rebuilt salvage  
35 title shall be issued for a vehicle for which there has been issued a salvage  
36 title until there has been compliance with K.S.A. 8-116a, and amendments  
37 thereto, and the notice required in subsection (f)(3)(B) has been attached to  
38 such vehicle.

39 (B) As part of the inspection for a rebuilt salvage title conducted  
40 under K.S.A. 8-116a, and amendments thereto, the Kansas highway patrol  
41 shall attach a notice affixed to the left door frame of the rebuilt salvage  
42 vehicle indicating the vehicle identification number of such vehicle and  
43 that such vehicle is a rebuilt salvage vehicle. In addition to any fee allowed

1 under K.S.A. 8-116a, and amendments thereto, a fee of \$5 shall be  
2 collected from the owner of such vehicle requesting the inspection for the  
3 notice required under this paragraph. All moneys received under this  
4 paragraph shall be remitted in accordance with K.S.A. 8-116a(e), and  
5 amendments thereto.

6 (C) Failure to apply for a rebuilt salvage title as provided by this  
7 paragraph shall be a class C nonperson misdemeanor.

8 (g) The owner of a salvage vehicle that has been issued a salvage title  
9 and has been assembled, reconstructed, reconstituted or restored or  
10 otherwise placed in an operable condition may make application to the  
11 county treasurer for a permit to operate such vehicle on the highways of  
12 this state over the most direct route from the place such salvage vehicle is  
13 located to a specified location named on the permit and to return to the  
14 original location. No such permit shall be issued for any vehicle unless the  
15 owner has motor vehicle liability insurance coverage or an approved self-  
16 insurance plan under K.S.A. 40-3104, and amendments thereto. Such  
17 permit shall be on a form furnished by the director of vehicles and shall  
18 state the date the vehicle is to be taken to the other location, the name of  
19 the insurer, as defined in K.S.A. 40-3103, and amendments thereto, and the  
20 policy number or a statement that the vehicle is included in a self-  
21 insurance plan approved by the commissioner of insurance, a statement  
22 attesting to the correctness of the information concerning financial  
23 security, the vehicle identification number and a description of the vehicle.  
24 Such permit shall be signed by the owner of the vehicle. The permit shall  
25 be carried in the vehicle for which it is issued and shall be displayed so  
26 that it is visible from the rear of the vehicle. The fee for such permit shall  
27 be ~~\$4~~ \$10 and shall be retained by the county treasurer.

28 (h) A nonhighway vehicle or salvage vehicle for which a nonhighway  
29 certificate of title or salvage title has been issued pursuant to this section  
30 shall not be deemed a motor vehicle for the purposes of K.S.A. 40-3101  
31 through 40-3121, and amendments thereto, except when such vehicle is  
32 being operated pursuant to subsection (g). Any person who knowingly  
33 makes a false statement concerning financial security in obtaining a permit  
34 pursuant to subsection (g), or who fails to obtain a permit when required  
35 by law to do so is guilty of a class C misdemeanor.

36 (i) Any person who, on July 1, 1996, is the owner of an all-terrain  
37 vehicle, as defined in K.S.A. 8-126, and amendments thereto, shall not be  
38 required to file an application for a nonhighway certificate of title under  
39 the provisions of this section for such all-terrain vehicle, unless the person  
40 transfers an interest in such all-terrain vehicle.

41 (j) Any person who, on July 1, 2006, is the owner of a work-site  
42 utility vehicle, as defined in K.S.A. 8-126, and amendments thereto, shall  
43 not be required to file an application for a nonhighway certificate of title

1 under the provisions of this section for such work-site utility vehicle,  
2 unless the person transfers an interest in such work-site utility vehicle.

3 (k) (1) A salvage vehicle pool, or a salvage vehicle dealer, as both are  
4 defined and licensed to operate in this state pursuant to K.S.A. 8-2401 et  
5 seq., and amendments thereto, may apply for an ownership document with  
6 the division of vehicles without forwarding the certificate of title to the  
7 division for a vehicle that is the subject of an insurance claim when:

8 (A) At the request of an insurance company, the salvage vehicle pool  
9 or salvage vehicle dealer obtains possession of the vehicle;

10 (B) the insurance claim for the vehicle has been closed without  
11 payment or denied by the insurance company; and

12 (C) the vehicle has remained unclaimed at the salvage vehicle pool's  
13 or salvage vehicle dealer's facility for more than 30 days.

14 (2) An application made pursuant to this subsection shall provide  
15 sufficient evidence that at least two written notices were delivered by  
16 certified mail to the address provided by the division of vehicles'  
17 ownership verification, or through another courier service that provides  
18 proof of delivery, to the owner of the vehicle and any lienholder of the  
19 vehicle identified in the division of vehicles' records requesting that the  
20 vehicle be removed from the salvage vehicle pool's or salvage vehicle  
21 dealer's facility. A salvage vehicle dealer shall also provide sufficient  
22 evidence to the division of the request by the insurance company to obtain  
23 possession of the vehicle. Such written notice shall specify that the owner  
24 of the vehicle and any lienholder of the vehicle identified in the division of  
25 vehicles' records has at least 30 days from the receipt of the notice to  
26 remove the vehicle. If the salvage vehicle pool or salvage vehicle dealer  
27 does not receive proof of delivery for the notices, the salvage vehicle pool  
28 or salvage vehicle dealer shall cause notice of the application for an  
29 ownership document to be published in a newspaper of general circulation  
30 in the county where the vehicle is located.

31 (3) If the most recent ownership document for the vehicle was not  
32 issued by this state, the application shall also include evidence of an  
33 inspection of the vehicle completed pursuant to K.S.A. 8-116a, and  
34 amendments thereto. The application shall also indicate whether a salvage  
35 title or a nonrepairable vehicle certificate shall be issued for the vehicle.

36 (4) Upon receipt of the application and all information required by  
37 this subsection, the division shall issue to the salvage vehicle pool or  
38 salvage vehicle dealer a salvage title or a nonrepairable vehicle certificate  
39 free and clear of all liens, security interests and encumbrances.

40 Sec. 14. K.S.A. 2022 Supp. 58-4204 is hereby amended to read as  
41 follows: 58-4204. (a) For purposes of this section, a manufactured home or  
42 mobile home shall be considered to be personal property.

43 (b) The provisions of this section shall apply to any electronic

1 certificate of title, except to the extent such provisions are made  
2 inapplicable by or are inconsistent with K.S.A. 58-4204a, and amendments  
3 thereto, or with rules and regulations adopted pursuant to K.S.A. 58-  
4 4204a, and amendments thereto.

5 (c) The provisions of this section shall apply to any certificate of title  
6 issued prior to January 1, 2003, ~~which~~ *that* indicates that there is a lien or  
7 encumbrance on such manufactured home or mobile home.

8 ~~(e)~~(d) Upon the transfer or sale of any manufactured home or mobile  
9 home by any person or dealer, the new owner thereof, within 30 days,  
10 inclusive of weekends and holidays, from the date of such transfer or sale,  
11 shall make application to the division for the issuance of a certificate of  
12 title evidencing the new owner's ownership of such manufactured home or  
13 mobile home. An application for certificate of title shall be made by the  
14 owner of the manufactured home or mobile home, or the owner's agent,  
15 upon a form furnished by the division, and it shall state all liens or  
16 encumbrances thereon and such other information as the director may  
17 require. Notwithstanding any other provision of this section, no certificate  
18 of title shall be issued for a manufactured home or mobile home having  
19 any unreleased lien or encumbrance thereon, unless the transfer of such  
20 manufactured home or mobile home has been consented to in writing by  
21 the holder of the lien or encumbrance. Such consent shall be in a form  
22 approved by the director. The county treasurer shall use reasonable  
23 diligence in ascertaining whether the facts stated in such application are  
24 true, and if satisfied that the applicant is the lawful owner of the  
25 manufactured home or mobile home, or otherwise entitled to have the  
26 certificate of title therefor issued in such applicant's name, shall so notify  
27 the division, who shall issue an appropriate certificate of title.

28 ~~(d)~~(e) The director shall design a distinctive certificate of title to be  
29 issued to owners of manufactured homes and mobile homes, so as to be  
30 distinguishable from certificates of title issued to owners of vehicles. The  
31 certificate of title shall contain a statement of any liens or encumbrances  
32 which the application discloses and shall provide such other information as  
33 the director determines necessary and appropriate. The certificate of title  
34 shall contain upon the reverse side a form for assignment of title to be  
35 executed by the owner. This assignment shall contain a statement of all  
36 liens or encumbrances on the manufactured home or mobile home at the  
37 time of assignment. When the ownership of any manufactured home or  
38 mobile home passes by operation of law or by repossession upon default  
39 of a lease, security agreement or executory sales contract, the person  
40 owning such manufactured home or mobile home, upon furnishing  
41 satisfactory proof to the county treasurer of such ownership, may procure a  
42 certificate of title to the manufactured home or mobile home.

43 ~~(e)~~(f) Dealers shall execute, upon delivery to the purchaser of every

1 new manufactured home, a manufacturer's statement of origin stating the  
2 liens and encumbrances thereon. Such statement of origin shall be  
3 delivered to the purchaser at the time of delivery of the manufactured  
4 home or at a time agreed upon by the parties, not to exceed 30 days,  
5 inclusive of weekends and holidays. The agreement of the parties shall be  
6 executed on a form approved by the director. In the event delivery of title  
7 cannot be made personally, the seller may deliver the manufacturer's  
8 statement of origin by restricted mail to the address of the purchaser  
9 shown on the purchase agreement. The manufacturer's statement of origin  
10 may include an attachment containing assignment of such statement of  
11 origin on forms approved by the director. Upon the presentation to the  
12 division of a manufacturer's statement of origin, by a manufacturer or  
13 dealer for a new manufactured home, sold in this state, a certificate of title  
14 shall be issued.

15 ~~(f)~~(g) The fee for each original certificate of title shall be ~~\$10~~ \$8. The  
16 certificate of title shall be good for the life of the manufactured home or  
17 mobile home while owned or held by the original holder of the certificate  
18 of title.

19 ~~(g)~~(h) Upon sale and delivery to the purchaser of every manufactured  
20 home or mobile home subject to a purchase money security interest, as  
21 provided for in article 9 of chapter 84 of the Kansas Statutes Annotated,  
22 and amendments thereto, the dealer or secured party may complete a  
23 notice of security interest and, when so completed, the purchaser shall  
24 execute the notice, in a form prescribed by the director, describing the  
25 manufactured home or mobile home and showing the name and address of  
26 the secured party and of the debtor and such other information as the  
27 director may require. The dealer or secured party may, within 30 days of  
28 the sale and delivery, mail or deliver the notice of security interest,  
29 together with a fee of \$2.50, to the division. The notice of security interest  
30 shall be retained by the division, until it receives an application for a  
31 certificate of title to the manufactured home or mobile home and a  
32 certificate of title is issued. The certificate of title shall indicate any  
33 security interest in the manufactured home or mobile home. Upon issuance  
34 of the certificate of title, the division shall mail or deliver confirmation of  
35 the receipt of the notice of security interest, the date the certificate of title  
36 is issued and the security interest indicated, to the secured party at the  
37 address shown on the notice of security interest. The proper completion  
38 and timely mailing or delivery of a notice of security interest by a dealer or  
39 secured party shall perfect a security interest in the manufactured home or  
40 mobile home, as referenced in K.S.A. 2022 Supp. 84-9-311, and  
41 amendments thereto, on the date of such mailing or delivery.

42 ~~(h)~~(i) (I) In the event of a sale or transfer of ownership of a  
43 manufactured home or mobile home for which a certificate of title has

1 been issued, which certificate of title is in the possession of the transferor  
2 at the time of delivery of the manufactured home or mobile home, the  
3 holder of such certificate of title shall endorse on the same an assignment  
4 thereof, with warranty of title in a form prescribed by the director and  
5 printed thereon, and the transferor shall deliver the same to the buyer at the  
6 time of delivery to the buyer of the manufactured home or mobile home,  
7 or at a time agreed upon by the parties, not to exceed 30 days, inclusive of  
8 weekends and holidays, after the time of delivery. The sale of a mobile  
9 home or manufactured home by a manufactured home dealer without such  
10 delivery of an assigned certificate of title is fraudulent and void, and it  
11 shall constitute a violation of the Kansas manufactured housing act. The  
12 agreement of the parties shall be executed on a form provided by the  
13 division. The requirements of this subsection concerning delivery of an  
14 assigned title are satisfied, if the transferor mails to the transferee, by  
15 restricted mail, the assigned certificate of title within the 30 days, and if  
16 the transferor is a dealer, as defined by K.S.A. 58-4202, and amendments  
17 thereto, such transferor shall be deemed to have possession of the  
18 certificate of title, if the transferor has made application therefor to the  
19 division.

20 (2) The buyer shall then present such assigned certificate of title to  
21 the division, and a new certificate of title shall be issued to the buyer upon  
22 payment of the fee of ~~\$10~~ \$8. If such manufactured home or mobile home  
23 is sold to a resident of another state or country, the dealer or person  
24 making the sale shall notify the division of the sale and the division shall  
25 make notation thereof in the records of the division. If any manufactured  
26 home or mobile home is destroyed, dismantled or sold as junk, the owner  
27 shall immediately notify the division by surrendering the original or  
28 assigned certificate of title.

29 ~~(i)~~(j) When a person acquires a security agreement on a manufactured  
30 home or mobile home subsequent to the issuance of the original title on  
31 such manufactured home or mobile home, such person shall require the  
32 holder of the certificate of title to surrender the same and sign an  
33 application for a mortgage title in such form as prescribed by the director.  
34 Upon such surrender, the person shall immediately deliver the certificate  
35 of title, application and a fee of ~~\$10~~ \$8 to the division. Upon receipt  
36 thereof, the division shall issue a new certificate of title, showing the liens  
37 or encumbrances so created, but not more than two liens or encumbrances  
38 may be shown upon a title. The delivery of the certificate of title,  
39 application and fee to the division shall perfect such person's security  
40 interest in the manufactured home or mobile home described in the  
41 certificate of title, as referenced in K.S.A. 2022 Supp. 84-9-311, and  
42 amendments thereto. When a prior lienholder's name is removed from the  
43 title, there must be satisfactory evidence presented to the division that the

1 lien or encumbrance has been paid. When the indebtedness to a lienholder,  
2 whose name is shown upon a title, is paid in full, such lienholder, within  
3 10 days after written demand by restricted mail, shall furnish to the holder  
4 of the title a release of lien or execute such a release in the space provided  
5 on the title. For failure to comply with such a demand, the lienholder shall  
6 be liable to the holder of the title for \$100 and also shall be liable for any  
7 loss caused to the holder by such failure. When the indebtedness to a  
8 lienholder, whose name is shown upon a title, is collected in full, such  
9 lienholder, within 30 days, shall furnish notice to the holder of title that  
10 such indebtedness has been paid in full and that such title may be  
11 presented to the lienholder at any time for release of lien.

12 ~~(j)~~(k) In the event of the sale of a manufactured home or mobile home  
13 under the order of a court, the officer conducting such sale shall issue to  
14 the purchaser a certificate naming the purchaser and reciting the facts of  
15 the sale, which certificate shall be prima facie evidence of the ownership  
16 of such purchaser for the purpose of obtaining a certificate of title to such  
17 manufactured home or mobile home. Any such purchaser shall be allowed  
18 30 days, inclusive of weekends and holidays, from the date of sale to make  
19 application to the division for a certificate of title.

20 ~~(k)~~(l) Any dealer who has acquired a manufactured home or mobile  
21 home, the title for which was issued under the laws of and in a state other  
22 than the state of Kansas, shall not be required to retain a Kansas certificate  
23 of title therefor during the time such manufactured home or mobile home  
24 remains in such dealer's possession and at such dealer's established or  
25 supplemental place of business for the purpose of sale. Upon the sale of  
26 any such manufactured home or mobile home, the dealer immediately  
27 shall deliver to the purchaser or transferee the certificate of title issued by  
28 the other state, properly endorsed and assigned to the purchaser or  
29 transferee, together with an affidavit executed by the dealer setting forth:

30 (1) That the dealer warrants to the purchaser or transferee and all  
31 other persons who claim through the purchaser or transferee that, at the  
32 time of the sale transfer and delivery by the dealers, the manufactured  
33 home or mobile home was free and clear of all liens, mortgages and other  
34 encumbrances, except those otherwise appearing on the title;

35 (2) the information shown on the title relating to all previous  
36 assignments, including the names of all previous titleholders shown  
37 thereon; and

38 (3) that the dealer has the right to sell and transfer the manufactured  
39 home or mobile home.

40 Sec. 15. K.S.A. 74-2013 is hereby amended to read as follows: 74-  
41 2013. Upon application signed by the owner or the owner's agent and  
42 payment of a fee of ~~\$10~~ \$8 and surrender of the original title together with  
43 satisfactory evidence that the lien has been paid, the department is hereby

1 authorized to grant a reissue of a certificate of title showing the vehicle to  
2 be clear of any lien.

3 Sec. 16. K.S.A. 79-3604 is hereby amended to read as follows: 79-  
4 3604. (a) The tax levied under the Kansas retailers' sales tax act shall be  
5 paid by the consumer or user to the retailer and it shall be the duty of each  
6 and every retailer in this state to collect from the consumer or user, the full  
7 amount of the tax imposed or an amount equal as nearly as possible or  
8 practicable to the average equivalent thereof. Such tax shall be a debt from  
9 the consumer or user to the retailer, when so added to the original purchase  
10 price, and shall be recoverable at law in the same manner as other debts,  
11 except that the tax levied on isolated or occasional sales of motor vehicles  
12 or trailers within the state and upon the sales of taxable tangible personal  
13 property or services when the director shall determine the same to be  
14 necessary as hereinafter provided shall be paid and collected as herein  
15 provided for.

16 (b) The tax on such isolated or occasional sales shall be paid to the  
17 director of taxation by the purchaser of the motor vehicle or trailer or to  
18 the county treasurer upon application for certificate of registration or  
19 ownership. The purchaser shall sign and present to the county treasurer or  
20 director of taxation a statement specifying the true and correct selling price  
21 of the motor vehicle or trailer and containing a warning to the purchaser of  
22 the consequences of making false statements or information or presenting  
23 falsified documents related thereto. Such statement shall be in a form  
24 promulgated by the director of taxation. If payment is made to the director  
25 of taxation, the director shall issue a receipt therefor. If the sales tax is not  
26 paid to the director of taxation, the county treasurer, upon application for  
27 certificate of registration or ownership, shall collect such sales tax  
28 payment from the applicant. The county treasurer shall ~~charge the~~  
29 ~~applicant a collection service fee of \$ .50, and shall~~ give the applicant a  
30 receipt showing the tax ~~and fee~~ paid in full. The county treasurer shall  
31 transmit monthly all such sales tax moneys collected to the director of  
32 taxation and shall place the fees collected in the special fund provided in  
33 K.S.A. 8-145, and amendments thereto, to be used for the purpose of  
34 paying necessary extra help and expenses.

35 (c) Whenever the director of taxation determines that in the retail sale
