- (d) If the juvenile is found to be incompetent, the juvenile shall remain subject to the jurisdiction of the court and shall be committed for evaluation and treatment pursuant to K.S.A. 38-2349 and 38-2350, and amendments thereto. One or both parents of the juvenile may be ordered to pay child support pursuant to the Kansas child support guidelines. Upon application of the juvenile and in the discretion of the court, the juvenile may be released to any appropriate private institution upon terms and conditions prescribed by the court.
- (e) If at any time after proceedings have been suspended under this section, there are reasonable grounds to believe that a juvenile who has

Reasonable notice of the hearings shall be given to the prosecuting attorney, the juvenile and the juvenile's attorney of record, if any. If the court, following the hearing, finds the juvenile to be competent, the pending proceedings shall be resumed.

- Sec. 18. K.S.A. 38-2360 is hereby amended to read as follows: 38-2360. (a) At any time after the juvenile has been adjudicated to be a juvenile offender, the court shall order one or more of the tools described in this subsection to be submitted to assist the court unless the court finds that adequate and current information from a risk and needs assessment is available from a previous investigation, report or other sources:
- (1) An evaluation and written report by a mental health or a qualified professional stating the psychological or emotional development or needs of the juvenile. The court also may order a report from any mental health or qualified professional who has previously evaluated the juvenile stating the psychological or emotional development needs of the juvenile. If the court orders an evaluation as provided in this section, a parent of the juvenile shall have the right to obtain an independent evaluation at—the expense of no cost to the parent. If the evaluation indicates that the juvenile requires acute inpatient mental health or substance abuse treatment, the court shall have the authority to compel an assessment by the secretary for aging and disability services. The court may use the results to inform a treatment—and—payment plan according to the same eligibility process used for non-court-involved youth. No juvenile or juvenile's parent, guardian or custodian shall be required to pay for treatment ordered by the court pursuant to this section.
- (2) A report of the medical condition and needs of the juvenile. The court also may order a report from any physician who has been attending the juvenile, stating the diagnosis, condition and treatment afforded the juvenile.
- (3) An educational needs assessment of the juvenile from the chief administrative officer of the school which the juvenile attends or attended to provide to the court information that is readily available which the school officials feel would properly indicate the educational needs of the juvenile. The educational needs assessment may include a meeting involving any of the following: (A) The juvenile's parents; (B) the juvenile's teacher or teachers; (C) the school psychologist; (D) a school special services representative; (E) a representative of the commissioner; (F) the juvenile's court appointed special advocate; (G) the juvenile's foster parents or legal guardian; and (H) other persons that the chief administrative officer of the school, or the officer's designee, deems appropriate.

 (4) Any other presentence investigation and report from a court services officer which includes: (A) The circumstances of the offense; (B) the attitude of the complainant, victim or the victim's family; (C) the record of juvenile offenses; (D) the social history of the juvenile; and (E) the present condition of the juvenile. Except where specifically prohibited by law, all local governmental public and private educational institutions and state agencies shall furnish to the officer conducting the predispositional investigation the records the officer requests. Predispositional investigations shall contain other information prescribed by the court.

- (5) The court in its discretion may direct that the parents submit a domestic relations affidavit.
- (b) A summary of the results from a risk and needs assessment shall be provided to the court post-adjudication, predisposition and used to inform supervision levels. A single, uniform risk and needs assessment shall be adopted by the office of judicial administration and the department of corrections to be used in all judicial districts. The office of judicial administration and the secretary of corrections shall establish cutoff scores determining risk levels of juveniles. Training on such risk and needs assessment shall be required for all administrators of the assessment. Data shall be collected on the results of the assessment to inform a validation study on the Kansas juvenile justice population to be conducted by June 30, 2020.
- (c) Expenses and fees for post adjudication post-adjudication tools may be waived or, including the fees described in subsections (a)(1) through (a)(4), shall not be assessed pursuant to K.S.A. 38-2314(e)(2), and amendments thereto against a juvenile or a juvenile's parent, guardian or custodian.
- (d) Except as otherwise prohibited by law or policy, the court shall make any of the reports ordered pursuant to subsection (a) available to the attorneys and shall allow the attorneys a reasonable time to review the report before ordering the sentencing of the juvenile offender.
- (e) At any time prior to sentencing, the judge, at the request of a party, shall hear additional evidence as to proposals for reasonable and appropriate sentencing of the case.
- (f) If a juvenile is being held in detention, a dispositional hearing to sentence the juvenile offender shall take place within 45 days after such juvenile offender has been adjudicated.
- Sec. 19. K.S.A. 38-2361 is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 38-2367, and amendments thereto, or violation of sentence pursuant to K.S.A. 38-2368, and amendments thereto, the court

Placement of juvenile offenders to community corrections for probation supervision shall be limited to offenders adjudicated for an offense that are determined to be moderate-risk, highrisk or very high-risk on a risk and needs assessment using the cutoff scores established by the secretary pursuant to K.S.A. 38-2360, and amendments thereto

This alternative shall not be ordered with the alternative in paragraph (11) (9). Requirements pertaining to child support may apply if custody is vested with other than a parent.
- (3) Place the juvenile in the custody of a parent or other suitable person, which is not a group home or other facility licensed pursuant to article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto, subject to terms and conditions consistent with juvenile justice programs in the community. This alternative shall not be ordered with the alternative in paragraph—(11) (9). Requirements pertaining to child support may apply if custody is vested with other than a parent.
- (4) Order the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug evaluation pursuant to subsection (b).
- (5) Suspend or restrict the juvenile's driver's license or privilege to 36 operate a motor vehicle on the streets and highways of this state pursuant 37 to subsection (c).
 - (6) Order the juvenile to perform charitable or community service work

 - (8) Order the juvenile to pay a fine not exceeding \$1,000 pursuant to subsection (e).

(9) Place the juvenile under a house arrest program administered by the court pursuant to K.S.A. 21-6609, and amendments thereto, except that K.S.A. 21-6609(g), and amendments thereto, shall not apply. The juvenile and the juvenile's parent, guardian or custodian shall not be required to pay any costs or fees associated with house arrest, electronic monitoring or remote alcohol monitoring.

(10) Place the juvenile in the custody of the secretary of corrections as provided in K.S.A. 38-2365, and amendments thereto. This alternative shall not be ordered with the alternative in paragraph (3) or (12). Except for mandatory drug and alcohol evaluation, when this alternative is ordered with alternatives in paragraphs (2), (4) and (9), such orders shall constitute a recommendation by the court. Requirements pertaining to child support shall apply under this alternative. The provisions of this paragraph shall expire on January 1, 2018.

(11)(9) Upon a violation of a condition of sentence, other than a technical violation pursuant to K.S.A. 38-2368, and amendments thereto, commit the juvenile to detention for a period no longer than 30 days subject to the provisions of subsection (g).

 $\frac{(12)}{(10)}$ If the judge finds and enters into the written record that the juvenile poses a significant risk of harm to another or damage to property, and the juvenile is otherwise eligible for commitment pursuant to K.S.A. 38-2369, and amendments thereto, commit the juvenile directly to the custody of the secretary of corrections for placement in a juvenile correctional facility or a youth residential facility. Placement in a youth residential facility shall only be permitted as authorized in K.S.A. 38-2369(e), and amendments thereto. If the court elects, a period of conditional release pursuant to K.S.A. 38-2369, and amendments thereto, may also be ordered. The period of conditional release shall be limited to a maximum of six months and shall be subject to graduated responses. Twenty-one days prior to the juvenile's release from a juvenile correctional facility, the secretary of corrections or designee shall notify the court of the juvenile's anticipated release date. This alternative may be ordered with the alternative in paragraph (7). Requirements pertaining to child support shall apply under this alternative.

(13)(11) Upon a finding by the trier of fact during adjudication that a firearm was used in the commission of an offense by the accused which, if committed by an adult, would constitute a felony, a judge may commit the juvenile directly to the custody of the secretary of corrections for placement in a juvenile correctional facility or youth residential facility for a minimum term of six months and up to a maximum term of 18 months, regardless of the risk level of such juvenile as determined by a risk and needs assessment. If the juvenile is committed to the custody of the secretary, and the court elects, a period of conditional release, pursuant to

K.S.A. 38-2369, and amendments thereto, may also be ordered. The period of conditional release shall be limited to a maximum of six months and shall be subject to graduated responses. Twenty-one days prior to the juvenile's release from a juvenile correctional facility or youth residential facility, the secretary of corrections or the secretary's designee shall notify the court of the juvenile's anticipated release date.

- (b) If the court orders the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug and alcohol evaluation pursuant to subsection (a)(4), the following provisions apply:

No mental health center shall charge a fee for court-ordered counseling greater than what the center would have charged the person receiving the counseling if the person had requested counseling on the person's own initiative. No mediator shall charge a fee for court-ordered mediation greater than what the mediator would have charged the person participating in the mediation if the person had requested mediation on the person's own initiative. Mediation may include the victim but shall not be mandatory for the victim; and
- (2) if the juvenile has been adjudicated to be a juvenile by reason of a violation of a statute that makes such a requirement, the court shall order and, if adjudicated for any other offense, the court may order the juvenile to submit to and complete a drug and alcohol evaluation by a communitybased drug and alcohol safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. The court may waive the mandatory evaluation if the court finds that the juvenile completed a drug and alcohol evaluation, approved by the community-based alcohol and drug safety action program, within 12 months before sentencing. If the evaluation occurred more than 12 months before sentencing, the courtshall order the juvenile to resubmit to and complete the evaluation and program as provided herein. If the court finds that the juvenile and those legally liable for the juvenile's support are indigent, the court may waive the fee. In no event shall The fee shall not be assessed against the secretary of corrections or the department of corrections nor shall the fee be assessed against the secretary of the department for children and families or the Kansas department for children and families if the juvenile is in the secretary's care, custody and control. (c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

- (1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by mean the same as defined in K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and
- (2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a nonresident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of issuance. The court shall furnish to any juvenile offender whose driver's

license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the juvenile offender may apply to the division for the return of the license previously surrendered by the juvenile offender. In the event the license has expired, the juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions

- (d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):
- (1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and
- (2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.
- (e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:
- (1) The amount of the fine may not exceed \$1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to pay. Payment of a fine may be required in a lump sum or installments;
 - (2) in determining whether to impose a fine and the amount to be-

imposed, the court shall consider that imposition of a fine is most-appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

- (3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.
- (f) Before the court sentences a juvenile offender pursuant to subsection (a), the court shall administer a risk assessment tool, as described in K.S.A. 38-2360, and amendments thereto, or review a risk assessment tool that was administered within the past six months to the juvenile and use the results of that assessment to inform orders made pursuant to K.S.A. 38-2369 and 38-2391, and amendments thereto.
- $\frac{(g)}{(g)}(f)$ If the court commits the juvenile to detention pursuant to subsection $\frac{(a)(11)}{(a)(9)}$, the following provisions shall apply:
- (1) The court shall only order commitment to detention upon violation of sentencing conditions where all other alternatives have been exhausted. The court shall not order commitment to detention for nonpayment of any fine, fee, cost or restitution, including in cases where nonpayment constitutes a violation of sentencing conditions.
- (2) In order to commit a juvenile to detention upon violation of sentencing conditions, the court shall find that the juvenile poses a significant risk of harm to another or damage to property, is charged with a new felony offense; or violates conditional release. *No such finding shall be based in whole or in part on:*
- (A) Nonpayment of fines, fees, costs or other financial obligations by the juvenile or the juvenile's parent, guardian or custodian; or
- (B) a juvenile's noncompliance with any sentencing condition that would require a juvenile or a juvenile's parent, guardian or custodian to pay money in order to comply.
- (3) The court shall not order commitment to detention upon adjudication as a juvenile offender pursuant to K.S.A. 38-2356, and amendments thereto, for solely technical violations of probation, contempt, a violation of a valid court order, to protect from self-harm or due to any state or county failure to find adequate alternatives.
- (4) Cumulative detention use shall be limited to a maximum of 45 days over the course of a juvenile offender's case pursuant to K.S.A. 38-2391, and amendments thereto. The court shall review any detention commitment every seven days and may shorten the initial commitment or extend the commitment. In no case, however, may the term of detention or any extension thereof exceed the cumulative detention limit of 45 days or the overall case length limit.

- $\frac{\text{(h)}(g)}{\text{(m)}}$ Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

After such hearing, the court may issue an order 37 prohibiting the juvenile from attending the attendance center that the 38 victim of the offense attends.
 - (k)(j) The court may order a short-term alternative placement of a juvenile pursuant to subsection (a)(3) in an emergency shelter, therapeutic foster home or community integration program if:

- (C) there are no relevant child in need of care issues that would permit a case to be filed under the Kansas code for care of children.

The presumptive term of commitment shall not extend beyond the overall case length limit but may be modified pursuant to K.S.A. 38-2367 and 38-2397, and amendments thereto. (a) Except as provided in subsection (e) and K.S.A. 38-2361(a)(13) (a)(11), for the purpose of committing juvenile offenders to a juvenile correctional facility, upon a finding by the judge entered into the written order that the juvenile poses a significant risk of harm to another or damage to property, the following placements shall be applied by the judge in the cases specified in this subsection. If used, the court shall establish a specific term of commitment as specified in this subsection. The term of commitment established by the court shall not exceed the overall case length limit. Before a juvenile offender is committed to a juvenile correctional facility pursuant to this section, the court shall administer a risk assessment tool, as described in K.S.A. 38-2360, and amendments thereto, or review a risk assessment tool that was administered within the past six months to the juvenile.
- (1) Violent Offenders. (A) The violent offender I is defined as an offender adjudicated as a juvenile offender for an offense which, if committed by an adult, would constitute an off-grid felony. Offenders in this category may be committed to a juvenile correctional facility for a minimum term of 60 months and up to a maximum term of the offender reaching the age of 22 years, six months. The aftercare term for this offender is set at a minimum term of six months and up to a maximum term of the offender reaching the age of 23 years.

The aftercare term for this offender is set at a minimum term of six months and up to a maximum term of the offender reaching the age of 23 years.
- (2) Serious Offenders. (A) The serious offender I is defined as an offender adjudicated as a juvenile offender for an offense which, if committed by an adult, would constitute a nondrug severity level 4, person felony.

Offenders in this category may be committed to a juvenile correctional facility for a minimum term of 18 months and up to a maximum term of 36 months. The aftercare term for this offender is set at a minimum term of six months and up to a maximum term of 24 months.

(B) The serious offender II is defined as an offender adjudicated as a juvenile offender for an offense:

- (i) Committed prior to July 1, 2012, which, if committed by an adult prior to July 1, 2012, would constitute a drug severity level 1 or 2 felony; or
- (ii) committed on or after July 1, 2012, which, if committed by an adult on or after July 1, 2012, would constitute a drug severity level 1, 2 or 3 felony or a nondrug severity level 5 or 6 person felony.

Offenders in this category may be committed to a juvenile correctional facility for a minimum term of nine months and up to a maximum term of 18 months.

- (C) The serious offender III is defined as an offender adjudicated as a juvenile offender for an offense which, if committed by an adult, would constitute a nondrug severity level 7, 8, 9 or 10 person felony with one prior felony adjudication. Offenders in this category may only be committed to a juvenile correctional facility if such offenders are assessed as high-risk on a risk and needs assessment. Offenders in this category may be committed to a juvenile correctional facility for a minimum term of six months and up to a maximum term of 12 months.
- (3) *Chronic Offenders.* (A) The chronic offender I, chronic felon is defined as an offender adjudicated as a juvenile offender for an offense:

- (iii) committed on or after July 1, 2012, which, if committed by an adult on or after July 1, 2012, would constitute one present drug severity level 4 felony adjudication and two prior felony adjudications.

Offenders in this category may only be committed to a juvenile correctional facility if such offenders are assessed as high-risk on a risk and needs assessment. Offenders in this category may be committed to a juvenile correctional facility for a minimum term of six months and up to a maximum term of 12 months.

- (b) Conditional Release. If the court elects, a period of conditional release may also be ordered pursuant to K.S.A. 38-2361, and amendments thereto. The period of conditional release shall be limited to a maximum of six months and shall be subject to graduated responses. The presumption upon release shall be a return to the juvenile's home, unless the case plan developed pursuant to K.S.A. 38-2373, and amendments thereto, recommends a different reentry plan.
- (1) Upon finding the juvenile violated a requirement or requirements of conditional release, the court may enter one or more of the following

orders:

- (A) Recommend additional conditions be added to those of the existing conditional release.
- (B) Order the offender to serve a period of detention pursuant to K.S.A. 38-2361(g)(f), and amendments thereto.
- (C) Revoke or restrict the juvenile's driving privileges as described in K.S.A. 38-2361(c), and amendments thereto.
- (2) Discharge the offender from the custody of the secretary of corrections, release the secretary of corrections from further responsibilities in the case and enter any other appropriate orders.
- (c) As used in this section "adjudication" includes out-of-state juvenile adjudications. An out-of-state offense, which if committed by an adult would constitute the commission of a felony or misdemeanor, shall be classified as either a felony or a misdemeanor according to the adjudicating jurisdiction. If an offense which if committed by an adult would constitute the commission of a felony is a felony in another state, it will be deemed a felony in Kansas. The state of Kansas shall classify the offense, which if committed by an adult would constitute the commission of a felony or misdemeanor, as person or nonperson. In designating such offense as person or nonperson, reference to comparable offenses shall be made. If the state of Kansas does not have a comparable offense, the out-of-state adjudication shall be classified as a nonperson offense.
- (d) The secretary of corrections shall work with the community to provide on-going support and incentives for the development of additional evidence-based community practices and programs to ensure that the juvenile correctional facility is not frequently utilized.
- (e) There shall be a rebuttable presumption that all offenders in the chronic offender category and offenders at least 10 years of age but less than 14 years of age in the serious offender II or III category, shall be placed in the custody of the secretary for placement in a youth residential facility in lieu of placement in the juvenile correctional facility. This presumption may be rebutted by a finding on the record that the juvenile offender poses a significant risk of physical harm to another.
- Sec. 22. K.S.A. 38-2373 is hereby amended to read as follows: 38-2373. (a) *Actions by the court*. (1) When a juvenile offender has been committed to a juvenile correctional facility, the clerk of the court shall promptly notify the secretary of corrections of the commitment and provide the secretary with a certified copy of the complaint, the journal entry of the adjudication and sentencing. The court shall provide those items from the social file which could relate to a rehabilitative program. If the court wishes to recommend placement of the juvenile offender in a specific juvenile correctional facility, the recommendation shall be included in the sentence. After the court has received notice of the juvenile

correctional facility designated as provided in subsection (b), it shall be the duty of the court or the sheriff of the county to deliver the juvenile offender to the facility at the time designated by the secretary.

- (2) When a juvenile offender is residing in a juvenile correctional facility and is required to go back to court for any reason, the county demanding the juvenile's presence shall be responsible for transportation, detention, custody and control of such offender. In these cases, the county sheriff shall be responsible for all transportation, detention, custody and control of such offender.
- (b) Actions by the secretary. (1) Within three days, excluding Saturdays, Sundays and legal holidays, after receiving notice of commitment as provided in subsection (a), the secretary shall notify the committing court of the facility to which the juvenile offender should be conveyed, and when to effect the immediate transfer of custody and control to the department of corrections. The date of admission shall be no more than five days, excluding Saturdays, Sundays and legal holidays, after the notice to the committing court. Until received at the designated facility, the continuing detention, custody, and control of and transport for a juvenile offender sentenced to a direct commitment to a juvenile correctional facility shall be the responsibility of the committing county.
- (2) Except as provided by K.S.A. 38-2332, and amendments thereto, the secretary may make any temporary out-of-home placement the secretary deems appropriate pending placement of the juvenile offender in a juvenile correctional facility, and the secretary shall notify the court, local law enforcement agency and school district in which the juvenile will be residing if the juvenile is still required to attend a secondary school of that placement.
- (c) *Transfers*. During the time a juvenile offender remains committed to a juvenile correctional facility, the secretary may transfer the juvenile offender from one juvenile correctional facility to another.
- (d) Case planning. For all juveniles committed to a juvenile correctional facility pursuant to K.S.A. 38-2361(a)(11)(a)(10), and amendments thereto, a case plan shall be developed with input from the juvenile and the juvenile's family. For all those committed upon violation of a condition of sentence pursuant to K.S.A. 38-2368, and amendments thereto, the case plan developed with the juvenile's community supervision officer shall be revised to reflect the new disposition. The department for children and families, the local school district in which the juvenile offender will be residing and community supervision officers may also participate in the development or revision of the case plan when appropriate. The case plan shall incorporate the results of the risk and needs assessment, the programs and education to complete while in custody and shall clearly define the role of each person or agency working

with the juvenile. The case plan shall include a reentry section, detailing services, education, supervision or any other elements necessary for a successful transition. The reentry section of the case plan shall also include information on reintegration of the juvenile into such juvenile's family or, if reintegration is not a viable alternative, another viable release option. If the juvenile is to be placed on conditional release pursuant to K.S.A. 38-2369, the case plan shall be developed with the community supervision officer

Sec. 23. K.S.A. 38-2384 is hereby amended to read as follows: 38-2384. When an appeal is taken pursuant to this code, fees of an attorney appointed to represent the juvenile offender shall be fixed by the district court. The fees, together with the costs of transcripts and records on appeal, shall be taxed as expenses on appeal paid from the county general fund and shall not be subject to reimbursement by the juvenile or the juvenile's parent, guardian or custodian. The court on appeal may assess the fees and expenses against the appealing party or order that they be paid from the county general fund. When the court orders the fees and expenses assessed against the appealing party:

- (a) The fees and expenses shall be paid from the county general fund, subject to reimbursement by the appealing party; and
- (b) the county may enforce the order as a civil judgment, except the county shall not be required to pay the docket fee or fee for execution.
- Sec. 24. K.S.A. 38-2389 is hereby amended to read as follows: 38-2389. (a) *Findings and purpose*. The following findings and declaration of purpose apply to this section.
- (1) The legislature finds that personal and familial circumstances may contribute to the commission of offenses by juveniles who represent a minimal threat to public safety and that in such cases it would further the interests of society and the juvenile to take an approach to adjudication that combines less formal procedures, appropriate disciplinary sanctions for misconduct and the provision of necessary services.
- (2) It is the purpose of this section to provide prosecutors with an alternative means of adjudication for juvenile offenders who present a minimal threat to public safety and both the juvenile and society would benefit from such approach.
- (b) *Designation*. A county or district attorney with jurisdiction over the offense who believes that proceedings under this section are appropriate may, in such county or district attorney's discretion, designate any alleged juvenile offender for adjudication under this section and not seek application of a placement within the placement matrix pursuant to K.S.A. 38-2369, and amendments thereto, if the alleged juvenile has fewer than two prior adjudications.
 - (1) The county or district attorney shall make such designation in the

original complaint or by written notice filed with the court and served on the juvenile, the juvenile's counsel and the juvenile's parent or legal guardian within 14 days after the filing of the complaint.

- (2) The filing of a written application for immediate intervention under K.S.A. 38-2346, and amendments thereto, shall toll the running of the 14-day period and shall resume upon the issuance of a written denial of diversion.
- (3) If the county or district attorney makes such designation, the juvenile may be referred to an immediate intervention program established pursuant to K.S.A. 38-2346, and amendments thereto, and in compliance with the standards and procedures developed pursuant to K.S.A. 38-2396, and amendments thereto.
- (c) *Exceptions*. Except as provided in this subsection, the provisions of the revised Kansas juvenile justice code, K.S.A. 38-2301 et seq., and amendments thereto, shall apply in any adjudication under this section.
- (1) If during the proceedings the court determines that there is probable cause to believe that the juvenile is a child in need of care as defined by K.S.A. 38-2202, and amendments thereto, the court shall refer the matter to the county or district attorney, who shall file a petition as provided in K.S.A. 38-2234, and amendments thereto, and refer the family to the Kansas department for children and families for services. If the child in need of care case is presided over by a different judge, the county or district attorney shall notify the court presiding over the proceedings under this section of pertinent orders entered in the child in need of care case.
- (2) Notwithstanding any other provision of law, no juvenile shall be committed to a juvenile correctional facility pursuant to K.S.A. 38-2361 (a) (11)(a)(10), and amendments thereto, for an offense adjudicated under this section or for the violation of a term or condition of the disposition for such an offense.
- (3) Notwithstanding any other provision of law, no adjudication under this section or violation of the terms and conditions of the disposition shall be used against the juvenile in a proceeding on a subsequent offense committed as a juvenile or as an adult. For purposes of this section, "used against the juvenile" includes, but is not limited to, establishing an element of a subsequent offense, raising the severity level of a subsequent offense or enhancing the sentence for a subsequent offense.
- (4) Upon completion of the case and the termination of the court's jurisdiction, the court shall order the adjudication expunged, and the provisions of K.S.A. 38-2312(a), (b), (c), (d), (e), (i), (k) and (l), and amendments thereto, shall not apply to such expungement.
- (5) Notwithstanding any other provision of law, a juvenile shall not be required to register as an offender under the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, as a

result of adjudication under this section.

- (6) The provisions of K.S.A. 38-2309 and 38-2310, and amendments thereto, shall not apply to proceedings under this section.
- (7) The provisions of K.S.A. 38-2347, and amendments thereto, shall not apply to proceedings under this section.
- (8) The provisions of K.S.A. 38-2304(g)(1), and amendments thereto, shall not apply to proceedings under this section.
- (9) The trial of offenses under this section shall be to the court and the right to a trial by jury under K.S.A. 38-2357, and amendments thereto, shall not apply.
- (d) Withdrawal. At any time prior to the beginning of a hearing at which the court may enter an order adjudicating the child as a juvenile offender, the county or district attorney may withdraw the designation for proceedings under this section by providing notice to the court, the juvenile, the juvenile's attorney and guardian ad litem, if any, and the juvenile's parent or legal guardian. Upon withdrawal of the designation, this section shall no longer apply and the case shall proceed and the court shall grant a continuance upon request.
- (e) *Appeal*. An adjudication under this section is an appealable order pursuant to K.S.A. 38-2380, and amendments thereto.
- (f) This section shall be part of and supplemental to the revised Kansas juvenile justice code.
- Sec. 25. K.S.A. 38-2396 is hereby amended to read as follows: 38-2396. (a) When a juvenile is placed outside the juvenile's home at a dispositional hearing pursuant to K.S.A. 38-2361(k)(j), and amendments thereto, and no reintegration plan is made a part of the record of the hearing, a written reintegration plan shall be prepared and submitted to the court within 15 days of the initial order of the court.
- (b) The plan shall be prepared by the person who has custody or, if directed by the court, by a community supervision officer.
- (c) If there is a lack of agreement among persons necessary for the success of the plan, the person or entity having custody of the child shall notify the court, and the court shall set a hearing pursuant to K.S.A. 38-2367, and amendments thereto.
- (d) This section shall be a part of and supplemental to the revised Kansas juvenile justice code.

 - (b) When contracting for services, the secretary shall:

(1) Contract with facilities that have high success rates and decrease recidivism rates for juvenile offenders;

- (2) consider contracting for bed space across the entire state to lower the cost of transportation of juvenile offenders; and
- (3) give priority to existing facilities that are able to meet the requirements of the secretary for providing residential services to juvenile offenders.
 - (c) This section shall take effect on and after January 1, 2018.
- Sec. 27. K.S.A. 75-724 is hereby amended to read as follows: 75-724. - (b) The court shall order such fees regardless of whether the person's DNA sample was already on file with the Kansas bureau of investigation at the time such person was arrested, charged or placed in custody, unless the person can prove to the court that the person: (1) Has paid such fees in connection with a prior conviction or adjudication; and (2) did not submit specimens of blood or an oral or other biological sample authorized by the Kansas bureau of investigation to the Kansas bureau of investigation for the current offense of conviction or adjudication.
- (c) The court shall not lessen or waive such fees unless the court has determined such person is indigent and the basis for the court's determination is reflected in the court's order.
