

Washburn Board of Regents District Boundaries; HB 2092

HB 2092 changes the boundaries of member districts for the Washburn University board of regents appointees, from describing them using Topeka's Senate districts to groupings of city council districts:

- District one shall comprise city council districts two, three, and four;
- District two shall comprise city council districts one, five, and six; and
- District three shall comprise city council districts seven, eight, and nine.
