

2023 Kansas Statutes

13-1274. Same; allocation of transferred moneys. The governing bodies of all cities as above classified shall have the power, and are hereby authorized to allocate all or any part of the moneys which have been transferred under the provisions of this act, from the gross operating revenue of their utilities, among the different funds of said cities used for governmental functions.

History: L. 1945, ch. 129, § 6; March 24.
