

2012 Kansas Statutes

8-1548. Turning movements and required signals. (a) No person shall turn a vehicle or move right or left upon a roadway unless and until such movement can be made with reasonable safety, nor without giving an appropriate signal in the manner hereinafter provided.

(b) A signal of intention to turn or move right or left when required shall be given continuously during not less than the last one hundred (100) feet traveled by the vehicle before turning.

(c) No person shall stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal, in the manner provided herein, to the driver of any vehicle immediately to the rear when there is opportunity to give such signal.

(d) The signals required on vehicles by subsection (b) of K.S.A. 8-1549 shall not be flashed on one side only on a disabled vehicle, flashed as a courtesy or "do pass" signal to operators of other vehicles approaching from the rear, nor be flashed on one side only of a parked vehicle except as may be necessary for compliance with this section.
