

2012 Kansas Statutes

59-1604. Distribution accounting. Within thirty days after the distribution of the trust property by the testamentary trustee he or she shall file in the court where the final account was filed a distribution account of the trust property which he or she had distributed and the receipts of the distributees.

History: L. 1939, ch. 180, § 123; July 1.
