39 assessed valuation per pupil determined under (1);

40 (3) identify the amount of the assessed valuation per pupil located at
41 the 81.2 percentile of the amounts ranked under (2);

42 (4) divide the assessed valuation per pupil of the district in the
43 preceding school year by the amount identified under (3);

1 (5) subtract the ratio obtained under (4) from 1.0. If the resulting ratio
2 equals or exceeds 1.0, the eligibility of the district for entitlement to
3 supplemental general state aid shall lapse. If the resulting ratio is less than
4 1.0, the district is entitled to receive supplemental general state aid in an
5 amount which shall be determined by the state board by multiplying the
6 amount of the local ~~option~~ *operating* budget of the district by such ratio.
7 The product is the amount of supplemental general state aid the district is
8 entitled to receive for the school year.

9 (b) If the amount of appropriations for supplemental general state aid
10 is less than the amount each district is entitled to receive for the school
11 year, the state board shall prorate the amount appropriated among the
12 districts in proportion to the amount each district is entitled to receive.

13 (c) The state board shall prescribe the dates upon which the
14 distribution of payments of supplemental general state aid to school
15 districts shall be due. Payments of supplemental general state aid shall be
16 distributed to districts on the dates prescribed by the state board. The state
17 board shall certify to the director of accounts and reports the amount due
18 each district, and the director of accounts and reports shall draw a warrant
19 on the state treasurer payable to the treasurer of the district. Upon receipt
20 of the warrant, the treasurer of the district shall credit the amount thereof
21 to the supplemental general fund of the district to be used for the purposes
22 of such fund.

23 (d) If any amount of supplemental general state aid that is due to be
24 paid during the month of June of a school year pursuant to the other
25 provisions of this section is not paid on or before June 30 of such school
26 year, then such payment shall be paid on or after the ensuing July 1, as
27 soon as moneys are available therefor. Any payment of supplemental
28 general state aid that is due to be paid during the month of June of a school
29 year and that is paid to school districts on or after the ensuing July 1 shall
30 be recorded and accounted for by school districts as a receipt for the
31 school year ending on the preceding June 30.

32 (e) (1) Except as provided by paragraph (2), moneys received as
33 supplemental general state aid shall be used to meet the requirements
34 under the school performance accreditation system adopted by the state
35 board, to provide programs and services required by law and to improve
36 student performance.

37 (2) Amounts of supplemental general state aid attributable to any
38 percentage over 25% of state financial aid determined for the current
39 school year may be transferred to the capital improvements fund of the
40 district and the capital outlay fund of the district if such transfers are
41 specified in the resolution authorizing the adoption of a local ~~option~~
42 *operating* budget in excess of 25%.

43 (f) For the purposes of determining the total amount of state moneys

1 paid to school districts, all moneys appropriated as supplemental general
2 state aid shall be deemed to be state moneys for educational and support
3 services for school districts.

4 Sec. 8. K.S.A. 2012 Supp. 72-6435 is hereby amended to read as
5 follows: 72-6435. (a) In each school year, the board of every district ~~that~~
6 ~~has adopted a local option budget may~~ shall levy an ad valorem tax on the
7 taxable tangible property of the district for the purpose of: (1) Financing
8 that portion of the district's local ~~option~~ *operating* budget which is not
9 financed from any other source provided by law; (2) paying a portion of
10 the principal and interest on bonds issued by cities under authority of
11 K.S.A. 12-1774, and amendments thereto, for the financing of
12 redevelopment projects upon property located within the district; and (3)
13 funding transfers to the capital improvement fund of the district and the
14 capital outlay fund of the district if such transfers are specified in the
15 resolution authorizing the adoption of a local ~~option~~ *operating* budget in
16 excess of 25% of state financial aid determined for the current school year.

17 (b) The proceeds from the tax levied by a district under authority of
18 this section, except the proceeds of such tax levied for the purpose of
19 paying a portion of the principal and interest on bonds issued by cities
20 under authority of K.S.A. 12-1774, and amendments thereto, for the
21 financing of redevelopment projects upon property located within the
22 district, shall be deposited in the supplemental general fund of the district.

23 (c) No district shall proceed under K.S.A. 79-1964, 79-1964a or 79-
24 1964b, and amendments to such sections.

25 Sec. 9. K.S.A. 2012 Supp. 72-6441 is hereby amended to read as
26 follows: 72-6441. (a) (1) The board of any district to which the provisions
27 of this subsection apply may levy an ad valorem tax on the taxable
28 tangible property of the district each year for a period of time not to
29 exceed two years in an amount not to exceed the amount authorized by the
30 state court of tax appeals under this subsection for the purpose of financing
31 the costs incurred by the state that are directly attributable to assignment of
32 ancillary school facilities weighting to enrollment of the district. The state
33 court of tax appeals may authorize the district to make a levy which will
34 produce an amount that is not greater than the difference between the
35 amount of costs directly attributable to commencing operation of one or
36 more new school facilities and the amount that is financed from any other
37 source provided by law for such purpose, including any amount
38 attributable to assignment of school facilities weighting to enrollment of
39 the district for each school year in which the district is eligible for such
40 weighting. If the district is not eligible, or will be ineligible, for school
41 facilities weighting in any one or more years during the two-year period
42 for which the district is authorized to levy a tax under this subsection, the
43 state court of tax appeals may authorize the district to make a levy, in such

1 year or years of ineligibility, which will produce an amount that is not
2 greater than the actual amount of costs attributable to commencing
3 operation of the facility or facilities.

4 (2) The state court of tax appeals shall certify to the state board of
5 education the amount authorized to be produced by the levy of a tax under
6 subsection (a).

7 (3) The state court of tax appeals may adopt rules and regulations
8 necessary to effectuate the provisions of this subsection, including rules
9 and regulations relating to the evidence required in support of a district's
10 claim that the costs attributable to commencing operation of one or more
11 new school facilities are in excess of the amount that is financed from any
12 other source provided by law for such purpose.

13 (4) The provisions of this subsection apply to any district that: (A)
14 Commenced operation of one or more new school facilities in the school
15 year preceding the current school year or has commenced or will
16 commence operation of one or more new school facilities in the current
17 school year or any or all of the foregoing; (B) is authorized to adopt and
18 has adopted a local-~~option~~ *operating* budget which is at least equal to that
19 amount required to qualify for school facilities weighting under K.S.A.
20 2012 Supp. 72-6415b, and amendments thereto; and (C) is experiencing
21 extraordinary enrollment growth as determined by the state board of
22 education.

23 (b) The board of any district that has levied an ad valorem tax on the
24 taxable tangible property of the district each year for a period of two years
25 under authority of subsection (a) may continue to levy such tax under
26 authority of this subsection each year for an additional period of time not
27 to exceed three years in an amount not to exceed the amount computed by
28 the state board of education as provided in this subsection if the board of
29 the district determines that the costs attributable to commencing operation
30 of one or more new school facilities are significantly greater than the costs
31 attributable to the operation of other school facilities in the district. The tax
32 authorized under this subsection may be levied at a rate which will
33 produce an amount that is not greater than the amount computed by the
34 state board of education as provided in this subsection. In computing such
35 amount, the state board shall: (1) Determine the amount produced by the
36 tax levied by the district under authority of subsection (a) in the second
37 year for which such tax was levied and add to such amount the amount of
38 general state aid directly attributable to school facilities weighting that was
39 received by the district in the same year; (2) compute 75% of the amount
40 of the sum obtained under (1), which computed amount is the amount the
41 district may levy in the first year of the three-year period for which the
42 district may levy a tax under authority of this subsection; (3) compute 50%
43 of the amount of the sum obtained under (1), which computed amount is

1 the amount the district may levy in the second year of the three-year period
2 for which the district may levy a tax under authority of this subsection; and
3 (4) compute 25% of the amount of the sum obtained under (1), which
4 computed amount is the amount the district may levy in the third year of
5 the three-year period for which the district may levy a tax under authority
6 of this subsection.

7 In determining the amount produced by the tax levied by the district
8 under authority of subsection (a), the state board shall include any moneys
9 which have been apportioned to the ancillary facilities fund of the district
10 from taxes levied under the provisions of K.S.A. 79-5101 et seq. and 79-
11 5118 et seq., and amendments thereto.

12 (c) The proceeds from the tax levied by a district under authority of
13 this section shall be remitted to the state treasurer in accordance with the
14 provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of
15 each such remittance, the state treasurer shall deposit the entire amount in
16 the state treasury to the credit of the state school district finance fund.

17 Sec. 10. K.S.A. 72-6444 is hereby amended to read as follows: 72-
18 6444. (a) In each school year, commencing with the 1997-98 school year,
19 the state board shall compute a district prescribed percentage for the
20 purpose of determining the amount of a local-~~option~~ *operating* budget the
21 board of a district to which the provisions of this section apply may adopt
22 for the school year. The district prescribed percentage for each district to
23 which the provisions of this section apply shall be computed by the state
24 board as provided in this section. The state board shall:

25 (1) Determine the actual amount per pupil for the preceding school
26 year of the general fund budget and the local-~~option~~ *operating* budget, if
27 any, of each district;

28 (2) compute the average amount per pupil for the preceding school
29 year of general fund budgets and local-~~option~~ *operating* budgets of
30 districts with 75-125 enrollment in such school year;

31 (3) compute the average amount per pupil for the preceding school
32 year of general fund budgets and local-~~option~~ *operating* budgets of
33 districts with 200-399 enrollment in such school year;

34 (4) compute the average amount per pupil for the preceding school
35 year of general fund budgets and local-~~option~~ *operating* budgets of
36 districts with 1,800 or over enrollment in such school year;

37 (5) compute an average amount per pupil for the preceding school
38 year of general fund budgets and local-~~option~~ *operating* budgets of
39 districts with 100-299.9 enrollment in such school year by preparing a
40 schedule based upon an accepted mathematical formula and deriving an
41 amount for each such district from a linear transition between the average
42 amount per pupil computed under (2) and the average amount per pupil
43 computed under (3);

1 (6) compute an average amount per pupil for the preceding school
2 year of general fund budgets and local ~~option~~ *operating* budgets of
3 districts with 300-1,799.9 enrollment in such school year by preparing a
4 schedule based upon an accepted mathematical formula and deriving an
5 amount for each such district from a linear transition between the average
6 amount per pupil computed under (3) and the average amount per pupil
7 computed under (4);

8 (7) for districts with 0-99.9 enrollment, compare the amount
9 determined for the district under (1) to the average amount computed
10 under (2). If the amount determined under (1) is equal to or greater than
11 the average amount computed under (2), the provisions of this section do
12 not apply to the district. If the amount determined under (1) is less than
13 the average amount computed under (2), subtract the amount determined
14 under (1) from the amount computed under (2), multiply the remainder by
15 enrollment of the district in the preceding school year, and divide the
16 product by the amount of state financial aid determined for the district in
17 the preceding school year. The quotient is the district prescribed
18 percentage of the district;

19 (8) for districts with 100-299.9 enrollment, compare the amount
20 determined for the district under (1) to the average amount computed
21 under (5). If the amount determined under (1) is equal to or greater than
22 the average amount computed under (5), the provisions of this section do
23 not apply to the district. If the amount determined under (1) is less than
24 the average amount computed under (5), subtract the amount determined
25 under (1) from the amount computed under (5), multiply the remainder by
26 enrollment of the district in the preceding school year, and divide the
27 product by the amount of state financial aid determined for the district in
28 the preceding school year. The quotient is the district prescribed
29 percentage of the district;

30 (9) for districts with 300-1,799.9 enrollment, compare the amount
31 determined for the district under (1) to the average amount computed
32 under (6). If the amount determined under (1) is equal to or greater than
33 the average amount computed under (6), the provisions of this section do
34 not apply to the district. If the amount determined under (1) is less than
35 the average amount computed under (6), subtract the amount determined
36 under (1) from the amount computed under (6), multiply the remainder by
37 enrollment of the district in the preceding school year, and divide the
38 product by the amount of state financial aid determined for the district in
39 the preceding school year. The quotient is the district prescribed
40 percentage of the district;

41 (10) for districts with 1,800 or over enrollment, compare the amount
42 determined for the district under (1) to the average amount computed
43 under (4). If the amount determined under (1) is equal to or greater than

1 the average amount computed under (4), the provisions of this section do
2 not apply to the district. If the amount determined under (1) is less than
3 the average amount computed under (4), subtract the amount determined
4 under (1) from the amount computed under (4), multiply the remainder by
5 enrollment of the district in the preceding school year, and divide the
6 product by the amount of state financial aid determined for the district in
7 the preceding school year. The quotient is the district prescribed
8 percentage of the district.

9 (b) The provisions of this section apply to any district that budgeted
10 an amount per pupil in the preceding school year, as determined under
11 provision (1) of subsection (a), that was less than the average amount per
12 pupil of general fund budgets and local ~~option~~ *operating* budgets
13 computed by the state board under whichever of the provisions (7) through
14 (10) of subsection (a) is applicable to the district's enrollment group.

15 (c) *For the purposes of this section, the term "local operating*
16 *budget" means "local option budget" as that term was used prior to the*
17 *amendment of this section by this act.*

18 Sec. 11. K.S.A. 2012 Supp. 72-6449 is hereby amended to read as
19 follows: 72-6449. (a) As used in this section, "school district" or "district"
20 means a school district authorized to make a levy under this section.

21 (b) The board of education of any district may levy a tax on the
22 taxable tangible property within the district for the purpose of financing
23 the costs incurred by the state that are attributable directly to assignment of
24 the cost of living weighting to the enrollment of the district. There is
25 hereby established in every school district a fund which shall be called the
26 cost of living fund, which fund shall consist of all moneys deposited
27 therein or transferred thereto in accordance with law. All moneys derived
28 from a tax imposed pursuant to this section shall be credited to the cost of
29 living fund. The proceeds from the tax levied by a district credited to the
30 cost of living fund shall be remitted to the state treasurer in accordance
31 with the provisions of K.S.A. 75-4215, and amendments thereto. Upon
32 receipt of each such remittance, the state treasurer shall deposit the entire
33 amount in the state treasury to the credit of the state school district finance
34 fund.

35 (c) The state board of education shall determine whether a district
36 may levy a tax under this section as follows:

37 (1) Determine the statewide average appraised value of single family
38 residences for the calendar year preceding the current school year;

39 (2) multiply the amount determined under (1) by 1.25;

40 (3) determine the average appraised value of single family residences
41 in each school district for the calendar year preceding the current school
42 year; and

43 (4) (A) subtract the amount determined under (2) from the amount

1 determined under (3). If the amount determined for the district under this
 2 paragraph is a positive number and the district is authorized to adopt and
 3 has adopted a local ~~option~~ *operating* budget in an amount equal to at least
 4 ~~34%~~ 28% of the state financial aid for the school district, the district
 5 qualifies for assignment of cost of living weighting and may levy a tax on
 6 the taxable tangible property of the district for the purpose of financing the
 7 costs that are attributable directly to assignment of the cost of living
 8 weighting to enrollment of the district; or

9 (B) as an alternative to the authority provided in paragraph (4)(A), if
 10 a district was authorized to make a levy pursuant to this section in school
 11 year 2006-2007, such district shall remain authorized to levy such tax at a
 12 rate necessary to generate revenue in the same amount generated in school
 13 year 2006-2007 if: (i) The amount determined under paragraph (4)(A) is a
 14 positive number; and (ii) the district continues to adopt a local ~~option~~
 15 *operating* budget in an amount equal to the state prescribed percentage in
 16 effect in school year 2006-2007.

17 (d) No tax may be levied under this section unless the board of
 18 education adopts a resolution authorizing such a tax levy and publishes the
 19 resolution at least once in a newspaper having general circulation in the
 20 district. Except as provided by subsection (e), the resolution shall be
 21 published in substantial compliance with the following form:

22 Unified School District No. _____,

 27 authorized to levy an ad valorem tax in an amount not to exceed the
 28 amount necessary to finance the costs attributable directly to the
 29 assignment of cost of living weighting to the enrollment of the district. The
 30 ad valorem tax authorized by this resolution may be levied unless a
 31 petition in opposition to the same, signed by not less than 5% of the
 32 qualified electors of the school district, is filed with the county election
 33 officer of the home county of the school district within 30 days after the
 34 publication of this resolution. If a petition is filed, the county election
 35 officer shall submit the question of whether the levy of such a tax shall be
 36 authorized in accordance with the provisions of this resolution to the
 37 electors of the school district at the next general election of the school
 38 district, as is specified by the board of education of the school district.

39 CERTIFICATE

40 This is to certify that the above resolution was duly adopted by the
 41 board of education of Unified School District No. _____,
 42 County, Kansas, on the ____ day of _____, (year) ____.

Clerk of the board of education.

1
2 All of the blanks in the resolution shall be filled. If no petition as
3 specified above is filed in accordance with the provisions of the resolution,
4 the resolution authorizing the ad valorem tax levy shall become effective.
5 If a petition is filed as provided in the resolution, the board may notify the
6 county election officer to submit the question of whether such tax levy
7 shall be authorized. If the board fails to notify the county election officer
8 within 30 days after a petition is filed, the resolution shall be deemed
9 abandoned and of no force and effect and no like resolution shall be
10 adopted by the board within the nine months following publication of the
11 resolution. If a majority of the votes cast in an election conducted pursuant
12 to this provision are in favor of the resolution, such resolution shall be
13 effective on the date of such election. If a majority of the votes cast are not
14 in favor of the resolution, the resolution shall be deemed of no effect and
15 no like resolution shall be adopted by the board within the nine months
16 following such election.

17 (e) In determining the amount produced by the tax levied by the
18 district under the authority of this section, the state board shall include any
19 moneys which have been apportioned to the cost of living fund of the
20 district from taxes levied under the provisions of K.S.A. 79-5101 et seq.
21 and 79-5118 et seq., and amendments thereto.

22 Sec. 12. K.S.A. 2012 Supp. 72-6451 is hereby amended to read as

25 Has a declining enrollment; and (B) has adopted a local ~~option~~ *operating*
26 budget in an amount which equals at least ~~34%~~ 28% of the state financial
27 aid for the school district at the time the district applies to the state court of
28 tax appeals for authority to make a levy pursuant to this section.

29 (2) "Declining enrollment" means an enrollment which has declined
30 in amount from that of the preceding school year.

31 (b) (1) (A) A school district may levy an ad valorem tax on the
32 taxable tangible property of the district each year for a period of time not
33 to exceed two years in an amount not to exceed the amount authorized by
34 the state court of tax appeals under this subsection for the purpose of
35 financing the costs incurred by the state that are directly attributable to
36 assignment of declining enrollment weighting to enrollment of the district.
37 The state court of tax appeals may authorize the district to make a levy
38 which will produce an amount that is not greater than the amount of
39 revenues lost as a result of the declining enrollment of the district. Such
40 amount shall not exceed 5% of the general fund budget of the district in
41 the school year in which the district applies to the state court of tax appeals
42 for authority to make a levy pursuant to this section.

43 (B) As an alternative to the authority provided in paragraph (1)(A), if

1 a district was authorized to make a levy pursuant to this section in school
2 year 2006-2007, such district shall remain authorized to make a levy at a
3 rate necessary to generate revenue in the same amount that was generated
4 in school year 2007-2008 if the district adopts a local ~~option~~ *operating*
5 budget in an amount equal to the state prescribed percentage in effect in
6 school year 2006-2007.

7 (2) The state court of tax appeals shall certify to the state board the

20 (e) There is hereby established in every district a fund which shall be
21 called the declining enrollment fund. Such fund shall consist of all moneys
22 deposited therein or transferred thereto according to law. The proceeds
23 from the tax levied by a district under authority of this section shall be
24 credited to the declining enrollment fund of the district. The proceeds from
25 the tax levied by a district credited to the declining enrollment fund shall
26 be remitted to the state treasurer in accordance with the provisions of
27 K.S.A. 75-4215, and amendments thereto. Upon receipt of each such
28 remittance, the state treasurer shall deposit the entire amount in the state
29 treasury to the credit of the state school district finance fund.

30 (f) In determining the amount produced by the tax levied by the
31 district under authority of this section, the state board shall include any
32 moneys which have been apportioned to the declining enrollment fund of
33 the district from taxes levied under the provisions of K.S.A. 79-5101 et

40 enrolled in and attending KAMS shall not be included in the computation
41 of the local ~~option~~ *operating* budget of the school district.

42 (c) The provisions of this section shall be part of and supplemental to
43 the school district finance and quality performance act.

1 Sec. 14. K.S.A. 72-6444 and K.S.A. 2012 Supp. 72-978, 72-978a, 72-
