The Honorable Richard Proehl, Chairperson
House Committee on Transportation
Statehouse, Room 581-W
Topeka, Kansas 66612

Dear Representative Proehl:

SUBJECT: Fiscal Note for HB 2091 by House Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2091 is respectfully submitted to your committee.

Under current law, vehicle license plate decals are numbered serially in each county. HB 2091 would remove that requirement and require each decal to contain the vehicle's license plate number.

The Kansas Department of Revenue indicates there would be no fiscal effect on agency operations and the Kansas Association of Counties indicates there would be no fiscal effect to local governments if the bill is enacted.

Sincerely,

Shawn Sullivan,
Director of the Budget
