16 New Sec. 19. (a) In order to approve an application and issue a  
17 certificate of authority to a special purpose insurance captive, the  
18 commissioner must find that:

19 (1) The proposed plan of operation provides a reasonable and  
20 expected successful operation;

21 (2) the terms of the transactions proposed in the plan of operation to  
22 which the special purpose insurance captive is a party comply with  
23 sections 15 through 35, and amendments thereto; and

24 (3) the commissioner of the domiciliary state of each ceding company  
25 has notified the commissioner in writing or the applicant has otherwise  
26 provided assurance satisfactory to the commissioner that such regulator  
27 has either approved or granted a disapproval of the special purpose  
28 insurance captive contract.

29 (b) In evaluating the expectation of a successful operation, the  
30 commissioner shall consider whether the proposed special purpose  
31 insurance captive and its management are of known good character and  
32 reasonably believed not to be affiliated, directly or indirectly, with a  
33 person known to have been involved with the improper manipulation of  
34 assets, accounts or reinsurance. In the event the commissioner of the state  
35 of domicile of any ceding company is not required to review the special  
36 purpose insurance captive contract, then the approval described in  
37 subsection (a)(3) shall not be required for licensing of the special purpose  
38 insurance captive hereunder.

39 New Sec. 20. A special purpose insurance captive may be  
40 incorporated as a stock insurer subject to the provisions in K.S.A. 40-205,  
41 and amendments thereto, or as a nonstock corporation, or may be formed  
42 as a limited liability company, partnership or limited partnership.

43 New Sec. 21. (a) Activities of a special purpose insurance captive

1 shall be limited to those necessary to accomplish its purpose as outlined in  
2 its plan of operation.

3 (b) The name of a special purpose insurance captive shall not be  
4 deceptively similar to or likely to be confused with another existing  
5 business name registered in the state.

6 (c) A special purpose insurance captive must have at least three  
7 incorporators or organizers, at least one of whom shall be a resident of the  
8 state.

9 (d) The capital stock of a special purpose insurance captive  
10 incorporated as a stock company shall be issued at not less than par value.

11 New Sec. 22. A special purpose insurance captive may enter into a  
12 special purpose insurance captive contract with a ceding company,  
13 provided:

14 (a) The special purpose insurance captive has been granted a  
15 certificate of authority to transact business as a special purpose insurance  
16 captive under this section; and

17 (b) the special purpose insurance captive provides the commissioner  
18 with evidence of approval or disapproval from the insurance regulatory  
19 official of the ceding company's state or country of domicile to enter into  
20 the special purpose insurance captive contract. If the ceding company's  
21 domiciliary insurance regulatory official does not customarily provide  
22 evidence of such approval or disapproval, the commissioner shall approve  
23 the special purpose insurance captive's execution of such special purpose  
24 insurance captive contract, if such special purpose insurance captive  
25 contract would be acceptable and if an assuming insurer domiciled in  
26 Kansas were to propose execution of the same with its ceding company for  
27 the purpose of assuming such reinsurance and an officer of the special  
28 purpose insurance captive provides the commissioner with a certification  
29 that terms of the special purpose insurance captive contract meet the  
30 requirements for the ceding company to obtain credit in its state of  
31 domicile for reinsurance ceded under the special purpose insurance captive  
32 contract.

33 New Sec. 23. (a) A special purpose insurance captive may issue  
34 approved securities, subject to and in accordance with applicable law, its  
35 approved plan of operation and its organizational documents. A special  
36 purpose insurance captive may enter into and perform all its obligations  
37 under any required contract to facilitate the issuance of these securities.

38 (b) The commissioner may approve the use of surplus notes. If the  
39 commissioner so approves, the special purpose insurance captive shall:

40 (1) Account for the proceeds of surplus notes as surplus and not debt  
41 for purposes of statutory accounting; and

42 (2) submit for prior approval of the commissioner periodic written  
43 requests for payments of interest on and repayments of principal of surplus

1 notes.

2 (c) The obligation to repay principal or interest, or both, on the  
3 securities issued by the special purpose insurance captive shall reflect the  
4 risk associated with the reinsurance obligations assumed by the special  
5 purpose insurance captive.

6 New Sec. 24. A special purpose insurance captive's assets shall be  
7 managed in accordance with an investment management agreement filed  
8 with and approved by order of the commissioner. A special purpose  
9 insurance captive shall only invest its assets in cash and securities that are  
10 investment grade at the time of the acquisition.

11 New Sec. 25. A special purpose insurance captive may, if approved  
12 by the commissioner, recognize permitted investments, letters of credit, or  
13 both, as an admitted asset on its financial statements filed with the  
14 commissioner.

15 New Sec. 26. A special purpose insurance captive shall not:

16 (a) Enter into a special purpose insurance captive contract with a  
17 person that is not authorized to transact the business of insurance or  
18 reinsurance in at least its state or country of domicile; or

19 (b) lend or otherwise invest or place in custody, trust or under  
20 management any of its assets with, or to borrow money or receive a loan,  
21 other than according to the plan of operation filed with and approved by  
22 the commissioner.

23 New Sec. 27. (a) A special purpose insurance captive shall not declare  
24 or pay dividends or distributions in any form to its owners other than in  
25 accordance with the transaction agreements or plan of operation.

26 (b) Dividends and distributions may not decrease the capital of the  
27 special purpose insurance captive below the minimum capital  
28 requirements.

29 (c) All dividends and distributions shall be approved by the  
30 commissioner. After giving effect to the dividends, the assets of the special  
31 purpose insurance captive, including assets held in trust and letters of  
32 credit issued for the exclusive benefit of the special purpose insurance  
33 captive, must be sufficient to satisfy the commissioner so that it can meet  
34 its obligations, in order to be approved.

35 (d) Dividends and distributions may be declared by the management  
36 of the special purpose insurance captive, provided that the dividend  
37 amount or form does not violate the provisions of this section or  
38 jeopardize the fulfillment of the obligations of the special purpose  
39 insurance captive.

40 New Sec. 28. Any material changes to a special purpose insurance  
41 captive's plan of operation shall require the prior written approval of the  
42 commissioner. The plan of operation must specify which deviations shall  
43 be considered material.

1 New Sec. 29. Copies of all completed affiliated agreements to which  
2 the special purpose insurance captive is a party, including, but not limited to,  
3 to, the special purpose insurance captive contract or contracts and any  
4 reinsurance agreements to which the special purpose insurance captive is a  
5 party must be filed with the commissioner for prior approval.

6 New Sec. 30. (a) Prior to March 1 of each year, each captive  
7 insurance company shall submit to the commissioner a report of its  
8 financial condition, verified by oath by two of its executive officers or  
9 other authorized persons.

10 (b) A special purpose insurance captive shall report using statutory  
11 accounting principles, unless the commissioner requires, approves or  
12 accepts the use of generally accepted accounting principles or another  
13 comprehensive basis of accounting, in each case with any appropriate or  
14 necessary modifications or adaptations required or approved or accepted  
15 by the commissioner and as supplemented by additional information  
16 required by the commissioner. The commissioner shall, by rules and  
17 regulations or order, establish the form and content of the annual report to  
18 be filed by a special purpose insurance captive.

19 (c) A special purpose insurance captive shall file a report of financial  
20 condition on a quarterly basis to be designated by the commissioner. The  
21 contents and form of the report shall be governed by subsection (b).

22 (d) A special purpose insurance captive shall file annually with the  
23 commissioner an actuarial opinion on reserves for all risks assumed by the  
24 special purpose insurance captive pursuant to its reinsurance contracts  
25 provided by an internal actuary and may discount its reserves in  
26 accordance with that actuarial opinion, subject to approval by the  
27 commissioner. A special purpose insurance captive shall file biennially an  
28 opinion of a qualified independent actuary acceptable to the commissioner  
29 concerning the methods and assumptions used to set reserves. Each  
30 opinion shall be governed by K.S.A. 40-409, and amendments thereto. The  
31 opinion and memorandum shall be filed with the report of financial  
32 condition required by subsection (a).

33 (e) A special purpose insurance captive may make written application  
34 to file its annual report on a fiscal year basis. If an alternative reporting  
35 date is granted, the commissioner shall establish the due date and content  
36 of any filing required by the special purpose insurance captive in addition  
37 to its annual report.

38 (f) Unless otherwise approved in advance by the commissioner, a  
39 special purpose insurance captive company shall maintain its books,  
40 records, documents, accounts, vouchers and agreements in Kansas. A  
41 special purpose insurance captive shall make its books, records,  
42 documents, accounts, vouchers and agreements available for inspection by  
43 the commissioner at any time. A special purpose insurance captive shall

1 keep its books and records in such manner that its financial condition,  
2 affairs and operations can be readily ascertained and so that the  
3 commissioner may readily verify its financial statements and determine its  
4 compliance with this act.

5 (g) Unless otherwise approved in advance by the commissioner, all  
6 original books, records, documents, accounts, vouchers and agreements  
7 shall be preserved and kept available in this state for the purpose of  
8 examination and inspection and until such time as the commissioner  
9 approves the destruction or other disposition of such books, records,  
10 documents, accounts, vouchers and agreements. If the commissioner  
11 approves the keeping of the items listed in this subsection outside this  
12 state, the special purpose insurance captive shall maintain within this state  
13 a complete and true copy of each such original. Books, records,  
14 documents, accounts, vouchers and agreements may be photographed,  
15 reproduced on film, or stored and reproduced electronically.

16 New Sec. 31. (a) Whenever the commissioner of insurance deems it  
17 necessary, but at least once every five years, the commissioner may make,  
18 or direct to be made, a financial examination of any special purpose  
19 insurance captive. The commissioner may engage in continuous analysis  
20 for the preparation of the examination. In addition, at the commissioner's  
21 discretion, the commissioner may make, or direct to be made, a market  
22 regulation examination of any insurance company doing business in this  
23 state.

24 (b) In scheduling and determining the nature, scope and frequency of  
25 examinations of financial condition, the commissioner shall consider such  
26 matters, such as the results of financial statement analyses and ratios,  
27 changes in management or ownership, actuarial opinions, reports of  
28 independent certified public accountants and other criteria as set forth in  
29 the examiner's handbook adopted by the national association of insurance  
30 commissioners and in effect when the commissioner exercises discretion  
31 under this subsection.

32 (c) The commissioner, for the purpose of making such examination or  
33 analysis, shall have free access to the books and papers of any such  
34 company that relate to its business and to the books and papers kept by any  
35 of its agents and may examine under oath, which the commissioner is  
36 empowered to administer, the directors, officers, agents or employees of  
37 any such company in relation to its affairs, transactions and condition.

38 (d) For the purpose of such analysis, the commissioner may require  
39 reports and other documents to be filed with the commissioner.

40 (e) The commissioner may also examine or investigate any person, or  
41 the business of any person, insofar as such examination or investigation is,  
42 in the sole discretion of the commissioner, necessary or material to the  
43 examination of the company, but such examination or investigation shall

1 not infringe upon or extend to any communications or information  
2 accorded privileged or confidential status under any other laws of this  
3 state.

4 (f) Upon determining that an examination should be conducted, the  
5 commissioner shall appoint one or more examiners to perform the  
6 examination and instruct them as to the scope of the examination. The  
7 commissioner may also employ such other guidelines or procedures as the  
8 commissioner may deem appropriate.

9 (g) When making an examination under this act, the commissioner  
10 may retain attorneys, appraisers, independent actuaries, independent  
11 certified public accountants or other professionals and specialists as  
12 examiners, the reasonable cost of which shall be borne by the company  
13 that is the subject of the examination.

14 (h) (1) No later than 30 days following completion of the examination  
15 or at such earlier time as the commissioner shall prescribe, the examiner in  
16 charge shall file with the department a verified written report of  
17 examination under oath. No later than 30 days following receipt of the  
18 verified report, the department shall transmit the report to the company  
19 examined, together with a notice that shall afford such company examined  
20 a reasonable opportunity of not more than 30 days to make a written  
21 submission or rebuttal with respect to any matters contained in the  
22 examination report.

23 (2) Within 30 days of the end of the period allowed for the receipt of  
24 written submissions or rebuttals, the commissioner shall fully consider and  
25 review the report, together with any written submissions or rebuttals and  
26 any relevant portions of the examiners' workpapers and enter an order:

27 (A) Adopting the examination report as filed or with modification or  
28 corrections. If the examination report reveals that the company is operating  
29 in violation of any law, rules and regulations or prior order of the  
30 commissioner, the commissioner may order the company to take any  
31 action the commissioner considers necessary and appropriate to cure such  
32 violations;

33 (B) rejecting the examination report with directions to the examiners  
34 to reopen the examination for purposes of obtaining additional data,  
35 documentation or information, and refiling pursuant to subsection (k); or

36 (C) call for and conduct a fact-finding hearing in accordance with  
37 K.S.A. 40-281, and amendments thereto, for purposes of obtaining  
38 additional documentation, data, information and testimony.

39 (3) All orders entered as a result of revelations contained in the  
40 examination report shall be accompanied by findings and conclusions  
41 resulting from the commissioner's consideration and review of the  
42 examination report, relevant examiner workpapers and any written  
43 submissions or rebuttals. Within 30 days of the issuance of the adopted

1 report, the company shall file affidavits executed by each of its directors  
2 stating under oath that they have received a copy of the adopted report and  
3 related orders.

4 (4) Upon the adoption of the examination report, the commissioner  
5 shall hold the content of the examination report as private and confidential  
6 information for a period of 30 days. Thereafter, the commissioner may  
7 open the report for public inspection, so long as no court of competent  
8 jurisdiction has stayed its publication. Nothing contained in this act shall  
9 be construed to limit the commissioner's authority to use and, if  
10 appropriate, to make public any final or preliminary examination report in  
11 the furtherance of any legal or regulatory action that the commissioner  
12 may, in the commissioner's sole discretion, deem appropriate.

13 (i) Nothing contained in this act shall be construed to limit the  
14 commissioner's authority to terminate or suspend any examination in order  
15 to pursue other legal or regulatory action pursuant to the insurance laws of  
16 Kansas.

17 (j) Section 33, and amendments thereto, shall apply to the  
18 confidentiality of all working papers, recorded information, documents  
19 and copies thereof produced by, obtained by or disclosed to the  
20 commissioner or any other person in the course of an examination made  
21 under this act, including analyses by the commissioner pertaining to either  
22 the financial condition or the market regulation.

23 New Sec. 32. (a) Each special purpose insurance captive shall pay to  
24 the commissioner on or before May 1 of each year a premium tax at the  
25 rate of 0.214 of 1% on the first \$20,000,000 of the assumed reinsurance  
26 premium, 0.143 of 1% on the next \$20,000,000, 0.048 of 1% on the next  
27 \$20,000,000 and 0.024 of 1% of each dollar thereafter. No reinsurance  
28 premium tax shall be payable in connection with the receipt of assets in  
29 exchange for the assumption of loss reserves and other liabilities of  
30 another insurer under common ownership and control if such transaction is  
31 part of a plan to discontinue the operations of such other insurer, and if the  
32 intent of the parties to such transaction is to renew or maintain such  
33 business with the captive insurance company.

34 (b) The premium tax imposed by subsection (a) shall constitute all  
35 taxes collectible under the laws of this state from any special purpose  
36 insurance captive, and no other occupation tax or other taxes shall be  
37 levied or collected from any captive insurance company by the state or any  
38 county, city or municipality within this state, except ad valorem taxes on  
39 real and personal property used in the production of income.

40 (c) Every special purpose insurance captive shall, on or before  
41 February 1 of each year, make a return on a form provided by the  
42 commissioner, verified by the affidavit of the company's president and  
43 secretary or other authorized officers, to the commissioner stating the

1 amount of all direct premiums received and assumed reinsurance  
2 premiums received, whether in cash or in notes, during the year ending on  
3 December 31 next preceding. Upon receipt of such returns, the  
4 commissioner shall verify the same and certify the amount of tax due from  
5 the various companies on the basis and at the rate provided in this section,  
6 on or before March 31 of each year. The commissioner shall immediately  
7 thereafter notify and assess each company the amount of tax due.

8 (d) A special purpose insurance captive failing to make returns as  
9 required by subsection (c), or failing to pay within the time required all  
10 taxes assessed by this section, shall be subject to the provisions of K.S.A.  
11 40-2806, and amendments thereto.

12 New Sec. 33. (a) Documents, materials or other information obtained  
13 by or disclosed to the commissioner pursuant to sections 15 through 35,  
14 and amendments thereto, shall:

15 (1) Be confidential and privileged, except as provided in section 30,  
16 and amendments thereto; and

17 (2) not be subject to disclosure under the Kansas open records act,  
18 K.S.A. 45-215 et seq., and amendments thereto. The provisions of this  
19 subsection shall expire on July 1, 2023, unless the legislature reviews and  
20 reenacts this provision pursuant to K.S.A. 45-229, and amendments  
21 thereto, prior to July 1, 2023.

22 (b) The commissioner shall not otherwise make the documents,  
23 materials or other information public without the prior written consent of  
24 the insurer to which it pertains unless the commissioner, after giving the  
25 insurer and its affiliates that would be affected thereby notice and  
26 opportunity to be heard in accordance with the provisions of the Kansas  
27 administrative procedure act, determines that the interests of  
28 policyholders, shareholders or the public would be served by the  
29 publication thereof, in which event, the commissioner may publish all or  
30 any part thereof in such a manner as the commissioner may deem  
31 appropriate. In making such determination, the commissioner of insurance  
32 also shall take into consideration any potential adverse consequences of  
33 the disclosure thereof.

34 (c) Neither the commissioner of insurance nor any person who  
35 received documents, materials or other information while acting under the  
36 authority of the commissioner of insurance or with whom such documents,  
37 materials or other information are shared pursuant to this section shall be  
38 permitted or required to testify in any private civil action concerning any  
39 confidential documents, materials or information subject to subsection (a).

40 (d) In order to assist in the performance of the commissioner's duties,  
41 the commissioner of insurance may:

42 (1) Share documents, materials or other information, including the  
43 confidential and privileged documents, materials or information subject to

1 subsection (a), with federal and international regulatory agencies, and the  
2 NAIC and its affiliates, provided that the recipient agrees in writing to  
3 maintain the confidentiality and privileged status of the document,  
4 material or other information, and has verified in writing the legal  
5 authority to maintain confidentiality;

6 (2) receive documents, materials or information, including otherwise  
7 confidential and privileged documents, materials or information from the  
8 national association of insurance commissioners, and its affiliates and  
9 subsidiaries, and from regulatory and law enforcement officials of other  
10 foreign or domestic jurisdictions, and shall maintain as confidential or  
11 privileged any document, material or information received with notice or  
12 the understanding that it is confidential or privileged under the laws of the  
13 jurisdiction that is the source of the document, material or information.  
14 Documents received pursuant to this section shall not be subject to  
15 disclosure pursuant to the open records act, K.S.A. 45-215 et seq., and  
16 amendments thereto. The provisions of this paragraph shall expire on July  
17 1, 2023, unless the legislature reviews and reenacts this provision pursuant  
18 to K.S.A. 45-229, and amendments thereto, prior to July 1, 2023; and

19 (3) Sharing agreements provided for in subsection (d) shall:

20 (A) Specify procedures and protocols regarding the confidentiality  
21 and security of information shared with the national association of  
22 insurance commissioners and its affiliates and subsidiaries pursuant to this  
23 act, including procedures and protocols for sharing by the national  
24 association of insurance commissioners with other state, federal or  
25 international regulators;

26 (B) specify that ownership of information shared with the NAIC and  
27 its affiliates and subsidiaries pursuant to this act remains with the  
28 commissioner, and the NAIC's use of the information is subject to the  
29 direction of the commissioner;

30 (C) require prompt notice to be given to an insurer and its affiliates  
31 whose confidential information in the possession of the NAIC, pursuant to  
32 this act, is subject to a request or subpoena to the NAIC for disclosure or  
33 production; and

34 (D) require the NAIC and its affiliates and subsidiaries to consent to  
35 intervention by an insurer in any judicial or administrative action in which  
36 the NAIC and its affiliates and subsidiaries may be required to disclose  
37 confidential information about the insurer and its affiliates shared with the  
38 NAIC and its affiliates and subsidiaries pursuant to this act. Documents,  
39 materials or other information in the possession or control of the national  
40 association of insurance commissioners shall be confidential by law and  
41 privileged, shall not be subject to the open records act, K.S.A. 45-215 et  
42 seq., and amendments thereto, shall not be subject to subpoena, and shall  
43 not be subject to discovery or admissible in evidence in any private civil

1 action. The provisions of this paragraph shall expire on July 1, 2023,  
2 unless the legislature reviews and reenacts this provision pursuant to  
3 K.S.A. 45-229, and amendments thereto, prior to July 1, 2023.

4 (e) The sharing of information by the commissioner of insurance,  
5 pursuant to this act, shall not constitute a delegation of regulatory authority  
6 or rulemaking authority, and the commissioner of insurance is solely  
7 responsible for the administration, execution and enforcement of the  
8 provisions of this act.

9 (f) No waiver of any applicable privilege or claim of confidentiality  
10 in the documents, materials or information shall occur as a result of  
11 disclosure to the commissioner of insurance under this act or as a result of  
12 sharing as authorized in subsection (d).

13 New Sec. 34. (a) The commissioner may, after notice and hearing,  
14 issue an order, subject to the Kansas administrative procedure act, to  
15 conserve, rehabilitate or liquidate a special purpose insurance captive  
16 domiciled in this state on one or more of the following grounds:

17 (1) There has been embezzlement, wrongful sequestration, dissipation  
18 or diversion of the assets of the special purpose insurance captive;

19 (2) the special purpose insurance captive is financially impaired,  
20 insolvent or otherwise deemed to be in a hazardous financial condition  
21 pursuant to K.S.A. 40-222b, and amendments thereto; or

22 (3) the holders of a majority in outstanding principal amount of each  
23 class of special purpose insurance captive securities or surplus notes  
24 request or consent to conservation, rehabilitation or liquidation under the  
25 provisions of this section.

26 (b) Upon any order of conservation, rehabilitation or liquidation of a  
27 special purpose insurance captive, the receiver shall manage the assets and  
28 liabilities of the special purpose insurance captive under the provisions of  
29 chapter 40 of the Kansas Statutes Annotated, and amendments thereto.

30 (c) With respect to amounts recoverable under a special purpose  
31 insurance captive contract, the amount recoverable by the receiver must  
32 not be reduced or diminished as a result of the entry of an order of  
33 conservation, rehabilitation or liquidation with respect to the ceding  
34 company, notwithstanding another provision in the special purpose  
35 insurance captive contract or other documentation governing the special  
36 purpose insurance captive's transactions.

37 New Sec. 35. The commissioner may promulgate all rules and  
38 regulations necessary to effectuate the provisions of sections 15 through
