HB 2550
OPPONENT testimony
Written Only

Chair Williams and members of the committee:

I oppose this bill mainly because it diverts taxpayer funds from our public schools to private schools. This diversion of funds would diminish opportunities for teaching and learning in public schools, where most Kansas children are educated. It is unfair to Kansas taxpayers and would create a two-tier education system that may benefit some students while hurting the majority of students. Why would our legislators want to do that?

Sincerely,
Pamela Atwell
