

## **Advertising and On-Farm Sale of Milk and Milk Products; Certificate of Veterinarian Inspection; SB 346**

**SB 346** allows for the on-farm retail sale of milk or milk products, regulates the labeling and advertising of such products, extends the sunset date for certain milk and dairy license fees, allows the Secretary of Agriculture to declare an imminent health hazard when necessary to protect the public health, and allows the Kansas Department of Agriculture to assess a civil penalty for certain violations.

The bill also authorizes the Animal Health Commissioner to impose penalties for violations of the requirement to have a certificate of veterinarian inspection when transporting animals into the state.
