Senator Barone would there be any wisdom in making it very explicit in the law that these are partisans activities and the party are free to change there own rule. Is there anything in the statues to prohibit them from making there own rule.\ Senator Huelskamp looking at page 2 line 13 **SB 428** does indicate secret there. Senator Barone that would be the place to amend it such elections should be secret etc, unless the party hosting meeting would chose otherwise.
